All Saints’ College

Dress: Smart casual – no ties

RSVP essential by Friday, 28 November 2014 to Reception. Ph: 6331 3911 or admin@saints.nsw.edu.au
FROM THE CHAPLAIN
Rev. Tony Card

"Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me." (Matthew 25:40, NRSV)

Jesus is clear that we should care for the welfare of others. His ministry was predominantly to the poor and dispossessed and we are to follow in his footsteps. With Christmas approaching it is a good time for us to reconsider how we do this. Most of our homes will be filled with family, presents and copious amounts of food on Christmas Day but there are many in our communities who won’t enjoy the same bounty and for whom Christmas Day is a reminder that they are among the ‘have-nots’. So what can we do for them if we are following Jesus?

There are many ways that we can show Jesus’ love and our College is participating in three of these. Our Prefects are selling gift cards for TEAR. The money from these cards goes directly to supporting people in developing countries and we get a gift card to give to a friend or loved one. These gifts start from just $5 so we can probably all buy at least one. These are being sold at school and will also be available at the end of year Carols Service.

The Junior School has been collecting toys for distribution to local children. These toys will be presented and blessed at tomorrow’s Infant’s Thanksgiving Service that the students and teachers have been working so hard on.

As a whole school we are collecting non-perishable food items for the Bathurst Christmas Miracle Appeal. These items will go into hampers that a small army will pack and deliver on the weekend before Christmas. This collection is being made through our student chapels.

These three initiatives are just a small number of ways that we can love others. I encourage you to support them. Every little thing that we can do makes a difference. Jesus reminds us in Chapter 10 of Matthew that even a cup of cold water given in his name is of enormous benefit.

With every blessing, Rev. Tony Card

Thought for the week: ‘In everything do others as you would have them do to you.’ (Matthew 7:12, NRSV)

---

**HOCKEY GRASS ROOTS & DISTRICT CLINICS**

We have secured an opportunity for Peter Hurst and Liam Dixon to run two coaching clinics in Bathurst for U11, U13, U15 and U18 boys and girls. This clinic is for players that have or are keen to try out for District representation.

The focus will be on developing core skills such as hitting, even distribution, trapping, eliminating, game play and positional awareness. More experienced players will also focus on drag flicking, tomahawk, etc.

Peter and Liam have the following qualification/s:
- Advanced accreditation (Level 3)
- Peter has a Masters of Education (Coaching).
- They are experienced as:
  - State junior coaches for ages 15-21 (boys and girls – indoor and outdoor hockey)
  - First grade coaches Sydney Metro League 1
  - Hockey NSW development coaches.

**DATES:**
- **First clinic:** Saturday, 17 January, 2015
- **Second clinic:** Saturday, 31 January, 2015
- **Sunday, 1 February, 2015**

**TIMES:**
- **Saturdays:** 2.00pm – 5.00pm U11 & U13 boys and girls
- 5.00pm – 8.00pm U15 & U18 boys and girls
- **Sundays:** 8.00am – 11.00am U11 & U13 boys and girls
- 11.00am – 2.00pm U15 & U18 boys and girls

**LOCATION:** Cooke Hockey Complex
- Learmonth Park, Sydney Road, Kelso

**WHAT TO BRING:**
- Hockey sticks, shin pads, mouth guards, hats, sunscreen and water bottle.

**COST:** $10.00 per player per weekend

**REGISTER:** Please email mahuerty@bigpond.com to register your attendance in these clinics.
Expressions of Interest – ASC Equestrian Captain 2015

Expressions of interest are now being sought from current Year 10 & 11 ASC students for the position of College Equestrian Captain for 2015.

Anyone interested in applying must write no more than a one page letter addressed to the Head of College, Dr Miller, outlining;

- why they want the position
- what relevant skills and knowledge they can bring to the position, and;
- ideas of how they can build upon the team and its activities for 2015.

Note that the position of Equestrian Captain is about your ability to lead and manage the team, not about your riding skills.

Letters must be submitted to Dr Miller’s office by Close of Business, Friday 21st of November, 2015. Any enquiries can be made directly to Mr Mark WHITFELD.

Expressions of Interest – ASC Cattle Team Captain 2015

Expressions of interest are now being sought from current Year 10 & 11 ASC students for the position of College Cattle Team Captain for 2015.

Anyone interested in applying must write no more than a one page letter addressed to the Head of College, Dr Miller, outlining;

- why they want the position
- what relevant skills and knowledge they can bring to the position, and;
- ideas of how they can build upon the team and its activities for 2015.

Note that the position of Cattle Team Captain is about your ability to lead and manage the team, not about your cattle handling skills.

Letters must be submitted to Dr Miller’s office by Close of Business, Friday 21st of November, 2015. Any enquiries can be made directly to Mr Mark WHITFELD.
The annual equestrian dinner held last Friday night was arguably the most enjoyable one of its kind to date. The student focused concept and organisation was the result of a collaborative effort between Mr Mark Whitfield, Mr Ian Redpath and Mrs Nicole Stockman. The vision we had all dreamt up came true on the night and the Britten House garden looked incredible draped with fairy lights and glowing under the lantern lights.

The classy atmosphere was created by the velvet tones of the string ensemble and the charming vocals of Bronte Gosper, providing high quality live entertainment. Yet this enchanted garden didn’t eventuate without the hard work of Mr Mark Whitfield, Mr Ian Redpath, Mrs Nicole Stockman, the All Saints’ groundsmen and the student helpers from the Agriculture classes. Special thanks also goes to our three handsome and extremely talented waiters - Cameron Redpath, Dylan Boyd and Felix McClymont - who served the delicious three course meal that was catered for by our very own All Saints’ College kitchen staff. The night was hugely successful and enjoyed by all who attended, including our wonderful regular coaches, Megan Joerg and John Kinghorn. It was very special for the team to be awarded their trophies in the presence of our coaches, along with Dr Miller and Mr Ross who presented each award.

Highest Coona Point Score – Madeline Sinderberry
Highest Inter-school Point Score – Teagan Miller
Senior Equestrian of the Year – Sarah Farraway and Madeline Sinderberry
Most Improved Rider – Isabelle Card
Participation and Sportsmanship Award – Amber Stockman
Congratulations to all the 2014 award recipients!

The ASC equestrian enthusiasts are looking forward to another great year of horsing-around in 2015.

The Drama Camp - 19th to 23rd Jan Bickerdike 9am to 4pm
(Note: Lead Cast all 5 days/ Supporting Cast last 3 days) - COMPULSORY!!!!

2015
Week 1
THURSDAY Whole cast - Full ‘fast-forward’ run Bickerdike (Time TBA)

SUNDAY - Whole Cast - Full run 4pm - 8pm - BICKERDIKE

Performance Week
TUESDAY NIGHT 5pm call for 7pm Dress run BMEC

PERFORMANCES THURSDAY, FRIDAY, SAT EVENING AND SAT MATINEE BMEC
5pm call for 7pm Show 12pm for 2pm Show

IMPORTANT NOTE:
On top of the rehearsals outlined above, cast members singing solos in the show: Sandy, Danny, Kenickie, Rizzo, Marty, Frenchy, Putzie & Jan, Doody, Johnny, Daisy, Jon etc. must learn the lyrics and melody lines to their songs in their own time and liaise with Krissy and Jon to meet one-on-one to run through their songs prior to all rehearsals. The soundtrack will no longer be used at rehearsals.

T-Birds will also need to make time to practice their drumming and guitar ensemble tracks (as there are no more formally dedicated rehearsals for these).
GREASE THE MUSICAL

Left over chocolate from chocolate drive $2
Jellies $1
Chips $2
Over the summer break, UNE will be hosting the ConocoPhillips Science Experience. This three day ‘camp’ is for current Year 9 and 10 students and designed to provide students who have an interest in science with an opportunity to engage in a wide range of hands-on science activities under the guidance of Scientists who love their work.

It is being held from the 13th through to the 15th of January 2015, here on campus. Further information and registration application is available at www.scienceexperience.com.au.

Sponsorship: The event is sponsored by Rotary International. They will assist with covering the registration costs if a student approaches their local rotary club and applies for sponsorship to attend the event.

Accommodation: Students are welcome to stay on campus for the two nights during the event, for a charge of $80. This will include all their meals and social activities during that time.

Description of Activities: Science Experience comprises a number of hands-on lab based activities as well as a few informative and entertaining talks and demonstrations. The activities include robotics, where students program remote controlled vehicles, chemistry, DNA extraction, exploring the physics of sound and music, and an opportunity to culture some of the microbugs found on and in all of us. Illustrated talks on DNA, and a criminologist explaining how DNA is used and misused in crime detection. There will be a demonstration of a computerised tomography (CT) scanner in operation scanning a live sheep. Students will also have the opportunity to observe and participate in an experiment in progress measuring methane emissions from cattle. The highlight of the Experience is always the “Extreme Chemistry” show in which all five senses are intensely bombarded! On one of the evenings students visit the UNE sports complex and test their skills on the climbing walls and play pool sports. On the second evening they visit the famous Dangar’s Falls, east of Armidale. Students at UNE also have the opportunity to experience life in a university residential college.
