MITCHELL THOMPSON
The 2014 Yarra Ranges Downhill
Festival was the event for the National
Championships for Downhill Skateboard
racing in 2014. A new Under 18 Longboard
Downhill Skating Champion was crowned
—and that person was All Saints’ College
Year 11 student, Mitchell Thompson. It
was a day of fast downhill skateboard
racing on one of Melbourne’s best hills, a
2.9 kilometre section of Mt Donna Buang,
Warburton. Up to 64 riders reached speeds
of 85 kilometres an hour as they tucked
for three minutes down the winding road
wearing full face helmets and racing
leathers. Well done Mitch. View some
pictures on our website.

REVELATIONS 2014
This is the final Revelations for the year. I
would like to thank Mrs Anderson and Mr
Poole for all their hard work in producing
this excellent publication. The 2014
Bathurstian has already been handed out.
Please get your child to see Mr Poole if they
have not already received it. May I wish the
All Saints’ community a Merry Christmas,
a healthy and prosperous New Year and a
restful and relaxing holiday break. Classes
commence on Thursday, 29 January
2015 (Existing Boarders return late on
Wednesday, 28 January 2015, new boarders
on Tuesday, 27 January 2015).

FAST FACT
Most of Santa’s reindeer have male-
sounding names, such as Blitzen, Comet,
and Cupid. However, male reindeers shed
their antlers around Christmas, so the
reindeer pulling Santa’s sleigh are likely not
male, but female.

Weekly Revelations

HEAD OF SENIOR SCHOOL
Mr Stewart Ross
So how do we prepare ourselves? Our preparation is not just making a confession that Jesus is Lord. It’s not just going to Church on Sunday. It’s not just about praying or reading the Bible. All of these things are part of it but our preparation is more radical than these alone. It is about a total reordering of our life to follow Jesus and his will for our lives. It is about putting him first and doing the sort of things that he did. As Christians we are called to a radical life of service towards others. We are called not to build our own empires but to participate in the building up of God’s kingdom.

I pray that as we all prepare to celebrate Christmas that we take the time to assess our life and ask God to show us those areas where we are putting ourselves first. Pray that we each have the strength and courage to change these.

With every blessing, Rev. Tony Card

Thought for the week: ‘But he was wounded for our transgressions, crushed for our iniquities; upon him was the punishment that made us whole, and by his bruises we are healed. (Isaiah 53:5, NRSV)’

Last Chance to support the Bathurst Christmas Miracle Appeal

Our College Chapels have concluded for the year but there is one last chance to donate non-perishable food items for the Bathurst Christmas Miracle Appeal. Our annual Carols Service will be held at the Cathedral on Wednesday night and we will be offering our gifts for Bishop Ian’s blessing during the service. So if you haven’t been able to contribute or want to contribute some more then please bring your gift to the service and place it in one of the trolleys at the door.

The All Saints’ College Foundation will have current Year 12 student, Miss Charlotte Brew, as guest speaker at their Cocktail Party on Wednesday night.

Charlotte was selected this year out of a number of students across NSW to attend the “London International Youth Science Forum” in England.

The Foundation Board was proud to be part of sponsoring Charlotte on her journey.

The Parents’ & Friends’ Association will have for sale beautiful Wine Glasses celebrating the College’s 140th Anniversary.

There will also be a display of Bathurstian Yearbooks ranging over a number of years. If you are missing a year or want an extra copy for family and friends you are welcome to pick up a free copy on the night.

Looking forward to seeing you there.

On Sunday the Equestrian Group attended our last training clinic, courtesy of Nicole Stockman, to stand us in good stead for off-season training over the holidays. The hardy riders and equally as tough parents and coaches powered through the heat wave of 38 degrees for the worthwhile tuition from two highly qualified and experienced coaches. Megan Joerg, our recently turned local level 2 coach, grilled each of us in an intense session in the dressage arena whilst level 2 showjumping coach Samuel Fasher, remedied any of our problems in the jumping arena and polished our technique. After lessons, relief could be found under the shade of the Redpath’s gooseneck turned mobile café, where master chef, Ian Redpath cooked up a storm of sausage sandwiches and had ice blocks at the ready.

The oval was kept in pristine condition as if no hoof had ever been on it by the poop-picker, Anthony Stockman who made sure not a single pony dropping was left behind. Everyone could agree that the day was successful as not only another great learning tool for the team, but also simply as a nice way to spend a Sunday with good company doing what we love. Remember girls, keep your horses fighting fit over the holidays and use the break wisely to prepare for next season as competition kicks off early in term 1. See you all in 2015!
