MOCK – THE TRIAL CONTINUES

Last Friday the Mock Trial team competed against Coonabarabran High School in the 2nd elimination round. The team consisted of Tom Nobes and Maddison Crowe as barristers, Sophie Jones as solicitor, Rebecca Cole and Laura Van Uum as witnesses and David Mackender as magistrate’s clerk. The case was a civil case in which we claimed damages and an injunction against the Defendant, Burwood Council for private nuisance. We adduced evidence to show that the roots of three fig trees which were planted and maintained by Burwood Council were causing us loss of enjoyment of our land. We claimed that the fig tree roots had caused damage to our brick fence, walkway and verandah. The Defence argued that they had responded promptly to our complaints and taken all reasonable steps to stop the nuisance. They also argued that we had caused damage to the root blocker that they had installed. We managed to convince the magistrate that the council had caused interference with our enjoyment of our land by causing us great stress and inconvenience. We also won the important skills side of the trial 265-259 points. This means that we move into the 3rd elimination round, one of 16 schools out of the 185 in the competition this year.

YEAR 11 PRELIMINARY EXAMINATIONS

The Year 11 Preliminary Course winds up this term and examinations commence next week. We have had to change the original schedule published in our calendar for these exams. Chemistry will be the first exam on Monday afternoon and students do not have to come to school on that Monday if they don’t do Chemistry. Tuesday is a normal school day with some students involved in ISA Athletics. Teachers I am sure will be having revision lessons. Students are expected to be at school whether they have an exam or not on the following days.

HSC MUSIC & VISUAL ARTS

Examiners from the BOSTES will be here next week to examine both Music I and II students who, I know, have been honing their pieces over the last few weeks. Tom Morris had to travel to Sydney this week to perform his music and by all accounts did well. We wish the other students all the best with their performances. The art major works were sent to Sydney this week for marking. I know that these students are pleased that they are completed giving them more time to devote to revision.

FAST FACT

We’re all pretty clued up about Twitter, (well I’m not) but what about a degree in it? At Leeds Trinity University, you’ll learn about the significance and philosophical implications of social media, as well as taking part in a 12-week work experience placement in a digital agency. It’s a hands-on degree and with a staggering 91% employment or further study rate after university, perhaps one to watch.

**Sarah in Belgium:** “I really loved the orientation in Brussels, I had such a fun time. My host family were really welcoming of me and have kept me distracted for the first few weeks, which has helped a lot. In fact, I've barely felt homesick compared to what I was preparing myself for! The students were all very excited to have an Australian around that they could speak English with! During classes I mostly do French worksheets that they have given to me, or try to translate the worksheet that the rest of the class is focusing on.”

**Early Bird Special!**
WEP is offering students in years 9 to 12 (excluding year 12 in VIC) a $500 discount off the 2014/15 program fee towards a semester or year program to any of the following countries departing in July - September 2015: Brazil, Belgium, France, Germany, Italy, Mexico, The Netherlands, Poland, Spain, Norway, Thailand or the USA.
