MADI SINDERBERRY

Over Easter Madeline Sinderberry competed in her first Royal Easter Show. She was awarded the Helen Rose Perpetual Trophy for the Most Successful Girl in the Junior Showjumping. Madeline also had an exciting night on Easter Sunday, jumping the 6 Bar under lights with a big crowd. She won the 6 Bar at 1.76m, a personal best height for Madeline and “the most nerve-wracking thing she has ever done”.

MOTHER’S DAY

If you are at a loss for what to do on Mother’s Day, and you want to show her a good time, because she deserves it, why not take her to a live performance. Can I suggest the Showjumping day here at All Saints’.

WAS NETBALL TRIALS

On Tuesday, the 1st and the 16 Red netball teams attended the WAS netball trials in Orange. Whilst this was held prior to the start of the netball season our girls looked like they’d been playing together for months. Other schools involved were Kinross Wolaroi, The Scots School and Orange Anglican Grammar. After playing a round robin competition some of the girls were nominated to play in the possible's and probable's. Congratulations to the following girls who have been selected in the WAS team and will play in the AICES championships. OPENINGS: Gabrielle Elias, Neive Roebuck, Sophie Cant, Elizabeth Crampton and Bronte Gosper – Shadow player. U/16's Ella Lewis, Ruby Woodlock, Georgia Butt and Georgia Poole – Shadow player

YEARS 7 AND 8 HOMEWORK

It is pleasing to see that our younger students are enthusiastic about their homework (hopefully older ones are as well). Perhaps some are too conscientious and are going beyond what is required. We would expect that if a Year 7 and 8 student is spending more than 20 minutes per core subject per night, that is too much. If this is happening please stop them after 20 minutes and make a note in their diary and we will follow up. It could also be that the student did not cover what was required in their lesson.

FAST FACT

Our eyes are always the same size from birth, but our nose and ears never stop growing.

FROM THE CHAPLAIN
Reverend Tony Card

“There is salvation in no one else, for there is no other name under heaven given among mortals by which we must be saved.” (Acts 4:12, NRSV)

I don’t know about you, but for me this past week has been a mixed up roller coaster ride of emotions! I ended last week joining with the College Community to remember the centenary of the Gallipoli landing. This was a moving and respectful service and all students should be pleased with the way in which they connected to the memory of our Diggers. There are photos of this service on the College web site if you haven’t seen them yet.

Over the weekend a number of our students attended the annual Katoomba Youth Convention – KYCK. There we joined with 1400 other teenagers to hear from speakers John Dickson and Chris Colgan as they spoke from the Gospel of Luke, showing us how we can trust in God’s word as revealed in Jesus. There was great singing with some new songs being added to our chapel play list. Some of our students joined with close to 400 others in making a commitment to follow Jesus.

On Tuesday I attended the funeral of a brother priest, Fr Adrian Horgan, who was the Catholic priest when I was in Oberon. Fr Adrian had an enormous energy and love for Jesus that shone through to everyone he met. Hundreds of people from all walks of life and nationalities gathered for his funeral in St Martha’s in Strathfield. It was a joyous celebration of his life.

On Wednesday we woke to the news that the Indonesian Government had proceeded with the execution of eight men, including Andrew Chan and Myuran Sukumaran. Whilst I can’t defend their crimes, I was saddened by the waste of life that their executions resulted. By all reports these two men had completely rehabilitated and were making a positive contribution to those around them. I was particularly encouraged by Andrew Chan who had committed his life to Jesus and had been ordained as a pastor, leading others to faith in Christ.

Through each of these events over this week I have been reminded of the truth in Peter’s words that it is only through Jesus that we attain our salvation. It is only through our faith in Jesus that we are assured of eternity with God. The sacrifice of the ANZACs was enormous, but even many of them knew that without faith their sacrifice would be futile. There are many inspiring stories of faith among the diggers. The 5500 youth who gathered at KYCK over three weekends and the 700 plus who committed to Jesus realised the truth in Peter’s words and have set about becoming better people through their faith. Fr Adrian was confident in this promise and expressed it to everyone he met, so much so that the grief of his family and friends was enormously softened by their knowledge that they knew he was with his Lord. The example of Andrew Chan and the other who were executed shows their understanding of God’s promise. Last night’s news reported that they faced the firing squad with dignity, refusing to be blindfolded and singing songs of praise to God that were only silenced by the bullets.

There is no other way that we can be in relationship with God than through faith in Jesus. There is no other way that we can have eternity with God than through faith in Jesus. Of this I am convinced. May we all be of the same mind.

With every blessing,
Rev. Tony Card.

Thought for the week: ‘But many of those who heard the word believed; and they numbered about five thousand.’ (Acts 4:4, NRSV)

Evatt NSW is the state round of Australia’s premier debating and diplomacy competition.

Evatt places young Australians in the shoes of UN Security Council representatives, making them debate on issues of international security, human rights and current affairs.

Students in Years 9-12 compete in teams of two from their own school.

Why should I take part in Evatt?

- Skills in speaking, research, teamwork and diplomacy – which are equally crucial to success in Evatt!
- Unique teamwork & leadership abilities
- Leadership, interpersonal and problem solving skills through lobbying and negotiating with other students
- Greater knowledge and engagement with important international issues of our time – from global warming to terrorism, aid to intervention – you’ll expand your horizons and engage with issues increasingly relevant to young Australians
- A chance to meet other passionate and engaged young people

Don’t forget, you don’t need any prior debating, public speaking or model UN experience to take part in Evatt – often some of the most successful teams have done absolutely no public speaking before!

When is the Preliminary Round?

All Saints’ College, Bathurst –
Wednesday 10th June 10:30am-2pm

How do I register my team?

Complete the attached form and give it to Mrs O’Neill in the ILC to get your team registered
