HOCKEY
On Thursday, 2 July 2015, Year 7 students Ailee Blackshaw, Darcie Campbell, Bridget Ellis and Samantha Porter represented Bathurst as part of the District team at the Hockey NSW U13 State Championships in Tamworth. The girls played some fantastic hockey over the three days, with Darcie being selected in the NSW state squad. She will now head to the Central Coast for a further selection trial, and if successful, will go on to play in the National Championships in September. Congratulations to Darcie, and to all of the girls for a great effort.

GOLF
Emma McCarthy competed in the Age Junior Masters in the holidays in Wollongong. She competed in the Plate group after missing the Cup contenders by just one point. However, Emma took out the Plate Final.

INTERSchools’ EQUESTRIAN
The NSW Inter-schools’ Equestrian competition took place at the end of last term. While I do not have all the results I can confirm that once again we were pipped by Frensham for the Champion school - although there were some excellent individual results. Madeline Sinderberry was the Secondary Showjumping Champion and the Secondary Champion Rider across all disciplines. Amber Stockman placed highly in 105cm eventing and the 110cm Showjumping. I apologise if there are some other outstanding achievements I have missed.

FAST FACT
Eskimos have hundreds of words for snow but none for hello. Stultum est timere quod vitare non potes. Publilius Syrus

All Saints’ College P&F Position Vacant
The P&F are calling for interest in the position of Vice-President. Anyone who is interested please contact a member of the P&F or call Sharyn Jenkins on 0401 935 753.

Rugby home game Saturday
There is a rugby home game this weekend and we just want to remind everyone we’re running the BBQ on the sideline. Please bring fresh baked goods for us to sell in disposable or labelled containers.

Under 13’s are the duty team so I would like to remind those parents to please help out on the day.

Don’t forget to save TRASH AND TREASURE items for the All Saints’ Spring Fair in September
We will take donations of good quality second hand toys, kitchenware, clothes, etc. (no electrical please) to sell on September 13th
Donations can be bought to school next term and left on Warren Stock’s front verandah.

School student awards
NECA – the peak body for the electrical and communications industry, and NHP – Australia’s largest industrial electrical and automation company, have been running this awards program for more than 10 years now.

The Awards are designed to encourage two distinct streams of students – those who are hoping to pursue a career in the electrical industry, and those who are aiming for a career in engineering. Students currently enrolled in years 9, 10, 11 and 12 are eligible for these awards.

There are two award categories:
Innovation – for students who have demonstrated excellence in electrical, electronic or communications technology, inside or outside of school, and who have developed innovative projects and/or solutions.
Commitment to Industry – for students currently undertaking school-based apprenticeships, or those who are committed to pursuing an electrical career and have demonstrated this through their work experience.

Prizes:
1st place in each category will receive a prize of $1000; 2nd place students will receive $500; and 3rd place, $250.

Previous winners have presented projects in areas such as robotics, mechatronics, electrical engineering, as well as sound and lighting.
NECA acknowledges the ongoing support of NHP Electrical Engineering Products who sponsor these awards. NHP is proud to encourage talented students to develop their skills in order to secure career prospects in this specialised sector.

Nominations close Friday 11 September 2015
Download the application form at www.neca.asn.au (see Awards section)
