HEAD OF SENIOR SCHOOL
Mr Stewart Ross

EARLY ENTRY
Dr Miller and myself have made mention before that the process for Early Entry for some Universities has changed. Applications for many are now submitted “online”. In most cases we have to make some comments and recommendations and as this is the last step, We do the final submitting. Some Universities have different processes. Please be aware of closing dates and inform Dr Miller or myself if you have made an application so we can do our part. It is my understanding that UAC applications open next week as we await delivery of UAC booklets.

ATHLETICS CARNIVAL
The carnival was held last Tuesday and after a cold start it ended up being a warmish day. Congratulations to Barton for taking out the event. Age Champions will be announced shortly.

JEANS FOR GENES
Friday week is Jeans for Genes Day. This is a national day when people wear their jeans to raise much-needed funds for research into birth defects and diseases such as cancer, epilepsy, and a range of genetic disorders. On the first Friday in August each year workplaces, schools and streets become a sea of denim in a united stance against childhood disease. Every dollar raised on the day helps scientists at Children’s Medical Research Institute discover treatments and cures, to give every child the opportunity to live a long and healthy life. ASC will be participating. Students wishing to donate and participate, must wear Jeans and a “free choice” of suitable clothing for the rest of their torso.

LEADERSHIP SEMINARS
Close on 36 Year 11 students participated in our Leadership seminars last Sunday and Monday. This is part of the selection process for our Senior Leaders. I would like to thank our Year 11s for attending and I hope they gained from the experience. Interviews with HoHs and myself will take place shortly.

FAST FACT
The average human will eat 8 spiders while asleep in their lifetime.

Thought:- If at first you don’t succeed, try, try again. Then quit. There’s no use being a damn fool.

FROM THE CHAPLAIN
Reverend Tony Card

Draw near to God, and he will draw near to you. (James 4:8, NRSV)

It is good to be back among you after an extended period of sick leave. Thank you to those who extended their good wishes and prayers in my absence. All is well again and I am fired up for the run home until the end of year – which I am sure will be here before we know it!

As I was on leave I was drawn even closer to God. I hadn’t realised that I had been sacrificing my personal time with God as I focused on my work, family, and study commitments. I believe that God used my illness to call me back to him ... and I am much better for it.

So let me encourage you as I encouraged our staff and students – our relationship with God is important to us in ways that we cannot imagine until we realise that we have neglected it. Pick up your Bible today and read it. God has something to say to you.

Confiruations for 2015

Taking ownership of our faith is an important step in our journey as Christians. One way in which we do this is through the sacrament of Confirmation, where a person who was baptised (christened), often when they were a baby, declares their faith in a public act of worship, promising to live as a disciple of Jesus Christ. Confirmations occur in the presence of a Bishop in a ceremony that dates back almost 2000 years.

Our Confirmation Service will be held on Sunday 8th November 2014 commencing at 4.00pm. Please note that the date shown in the College calendar has been changed. We will be joined by our Diocesan Bishop, The Right Reverend Ian Palmer. Confirmation is open to all baptised students from Year 6 and above who have not previously been confirmed.

Preparations for confirmation will commence at the beginning of Term Four. Classes will be held in the library from 3.30-4.30 on a day to be determined subject to who wants to be confirmed (so we don’t clash with sporting commitments). Each confireree expected to attend all classes. There is no cost for confirmation.

Should your child wish to be confirmed, please email me at tony.card@saints.nsw.edu.au and will send you an information pack. I can be contacted on 6332 7337 if you have any questions.

With every blessing,
‘Rev. Tony Card’

You may have noticed the **Earn & Learn** promotion has returned to Woolworths. At All Saints’ College we are collecting the stickers to add to the educational resources in the school library. You can help by bringing your stickers to the school library and dropping them in the box.

The shortlisted book for this week in the *Older Readers* category, (Young Adult), is **Are you seeing me?** by Darren Goth.

*This road trip will have earth-shattering consequences . . .*

Twins Justine and Perry are about to embark on the road trip of a lifetime in the Pacific Northwest.

*It's been a year since they watched their dad lose his battle with cancer. Now, at only nineteen, Justine is the sole carer for her disabled brother. But with Perry having been accepted into an assisted-living residence, their reliance on each other is set to shift. Before they go their separate ways, they're seeking to create the perfect memory.*

For Perry, the trip is a glorious celebration of his favourite things: mythical sea monsters, Jackie Chan movies and the study of earthquakes.

For Justine, it's a chance to reconcile the decision to 'free' her twin, to see who she is without her boyfriend, Marc – and to offer their mother the chance to atone for past wrongs. (goodreads, 2015).
UN Youth Voice is a public speaking competition that sees participants propose solutions to pressing global issues, lobby for their consideration, and defend its validity.

Why compete in Voice?
- Develop skills in public speaking and research!
- Hone your ability to think on your feet, assisting you in leadership positions or debating competitions in the future.
- Build an increased knowledge about areas pertinent to you as students.
- A chance to meet likeminded and engaged young people.

How Voice works in New South Wales
Students will present a 3-5 minute speech (depending on age division) outlining a solution to a given world problem. Students may present new solutions to long-standing problems, or new solutions to largely untouched issues. Competitors then answer two questions, lasting for approximately one minute each, on the solution they presented to the audience by the judging panel. Semi-finalists will be announced to all competitors at the completion of all preliminary rounds.

Topics
Participants are to outline their solution for one of the topics below, in as much detail as they deem necessary. Their responses will be assessed in accordance with the above criteria.

Junior – Years 7 and 8 (3 minutes)
- What can Australia do to reduce global poverty?
- How can we ensure that leaders listen to the opinions of young people?
- What can Australia do to improve its education system?
- How can we prevent discrimination against minority groups?
- What can Australia do to help reduce the effects of Climate Change globally?
- How can we improve access to healthcare globally?

Senior – Years 9 and 10 (5 minutes)
- How can we develop an international system that reduces the rate of war between countries?
- How can we improve access to food in the developing world?
- How can we balance national security with individual right to privacy?
- How can Australia compete in the 21st century economy?
- What can we do to close the 12 year life expectancy gap between indigenous and non-indigenous Australians?
- How should the international community deal with countries that violate their citizen’s human rights?

Round Dates and Times

Bathurst- All Saints’ College. Monday 31st August 2015.

How to Win

Criteria

i. Matter

- Analysis and knowledge of current situation
- Sophistication of research into solution
- Identification of obstacles to resolution of the issue
- Reasonable feasibility of proposal
- Originality of proposal
- Reasonably predictable effectiveness of proposed solution
- Equitability of the proposal

ii. Manner

- Clarity, speed, and tone of voice
- Use of gesture and expression
- Appropriate use of notes
- Persuasive techniques employed

iii. Method

Question Time

- Judges may ask any and all questions pertaining to the substance of the proposal as outlined in the sub-sections of the Matter judging criteria. Questions will only be directed towards the proposed solution, but may include aspects the participant has not touched upon.
- Participants may ask for clarification regarding a question, however may not enquire as to the validity, completeness, or relevance of their responses.
- Participants may choose not to answer a question; however this is not viewed favourably. Brevity and concise responses are viewed favourably. Responses to questions will also be reviewed in regards to the following criteria:

MACKILLOP HOUSE OPEN DAY - SATURDAY 29TH AUGUST 2015, CANBERRA

I would like to extend an open invitation to your year 12 female students to visit MacKillop House in Canberra during our open day on the Saturday 29th August 2015.

We are a small independent Christian community accommodation facility offering a “home away from home” environment for young girls that is safe and conducive to studying whilst settling into CIT or university life in a new city. We welcome all women who are looking to study in Canberra, regardless of their beliefs or backgrounds.

We are situated in the quiet inner north suburb of Lyneham and offer fully catered, secure, single residential accommodation. We are close to public transport, cafes and local shops, the CBD and most importantly the Australian National University, Australian Catholic University, University of Canberra and various other tertiary and private institutions.

This open day offers an early opportunity for young women considering study in Canberra to see our facilities and to plan their future accommodation. We have limited places available and fully-catered accommodation is much sought after in Canberra with places filling very quickly.

For more information about MacKillop House or the Open Day, please contact me on (02) 6249 6182 or visit our website. Bookings are not required for the Open Day. The day runs from 9am until 4pm if you would like to drop in and have a look around.

Kindest regards,
