POZIERS SCHOOL PROJECT
Soon after the cessation of WWI, Victorian school children raised funds to build a school in the town of Villers Bretonneux, where 1200 Australians lost their lives retaking the village as a gift to the French people. This forged an enduring bond between our peoples. One hundred years on, in the small town of Poziers, Australian school children have once again been called upon to help a French town, where in 1916, 6800 Australians died, two thirds of lost their lives retaking the village as a gift to the French people. This forged an enduring bond between our peoples.

On Thursday, 19 November 2015, as part of our All Saints’ presents series, Year 10 will be having a full day seminar presented by Graham Hyman. Graham runs Youth Specialties Australia which provides innovative training covering such issues as confidence, resilience and motivation. The days program will focus on Surviving Years 11 and 12 (How to use the seniors years as a platform for the life you want to have) and Surviving Life (Identifying the particular dangers of late adolescence and encouraging wise choices).

This week will be the last week for borrowing books and other materials from the Library.

All loans need to be returned by Friday 13th November as a full stocktake of both Junior and Senior Libraries will begin on Monday 16th November.

Please check with your children about any books they may have out and remind them to return them by the due date. A “mummy” look in their rooms may be needed!

Greetings,

There is so much happening as we rush towards the end of the year that I thought it timely to take a minute or two to review the events (perhaps as much for my benefit as yours!)

**Wedding Bells**

This Saturday at 3:30pm I will celebrate the marriage of former Saints’ student Alexandra Boole to James Fearney. Alex completed Year 12 in 2007 and is the daughter of our Blayney bus driver, Kevin. We wish Alex & James all of God’s blessings for their new life ahead. It is wonderful to see former students return to our Chapel for their weddings and their children’s baptisms.

**Confirmations**

Nine students will be confirming their faith this Sunday at 4pm. Jono Gardiner, Jessica Green, Amy Horne, Dylan James (Year 6), Megan Davis, Stella Gavey, Natalie Mawhood (Year 7), Scott Mawhood (Year 8), and Caitlin Wilcox (Year 9) will all be making their public decision to be a disciple of Jesus. As always, we will be joined by our Bishop, Ian Palmer, for this service. Please feel free to join these students in this celebration.

**End of Year Carols Service**

A reminder that this year we are holding two Carols’ services on Wednesday, 2nd December, a Junior School service starting at 5.30pm followed by a Senior School service starting at 7pm. These services will have significant student involvement from singing in choirs, reading the Bible, praying, and leading the service. I know that Kindergarten and Year 6 are already practicing the readings and nativity and Mrs McLeod and Mr Clipsham have the choirs and musicians rehearsing their carols. I trust that the new format will allow more parents and families to join us in these services.

**285/Bathurst Lions Christmas Miracle Appeal**

Our start to this appeal has been a little slow. We are collecting non-perishable food items to be packed into hampers for distribution to the needy in our community. I have suggested to all students that rather than waiting until their chapel day they could bring a food item into school on the next chapel day they could bring a food item into their class or house any day and then bring them down to chapel. Please consider supporting this worthy cause.

**Can you spare an hour?**

Can you spare an hour or two each week to bring a food item into school? If you can – please let me know. It is easy to feel helpless when thinking of how we can assist those less fortunate than ourselves. A small act of kindness can make a huge difference to someone’s day.

**Take Heart Australia Day 2015**

This Day is about teaching people to save lives, and with over 500 Australians suffering a fatal sudden cardiac arrest every week, the more people we train the better. So, on the 30th of November we’ll be hosting multiple events across NSW in an attempt to break the Guinness World Record for most people trained in CPR within 24 hours. All Saints’ College has been asked to host one of the regional events, so for one day we will endeavor to train as many Students, Parents and members of the public as we can.

These free sessions will take around 30 minutes and are provided by qualified trainers. For more information please contact the clinic on 02 6332 7300 or by email: sister@saints.nsw.edu.au.

Join us in making history, and more importantly – learn what to do when cardiac arrest strikes. In the end, all it takes to save the life of another Australian is you and your two hands.

Presents DAVID PEREIRA and FRIENDS in “A FIST FULL OF FIRSTS”

The world premiere in a major concert of his new Bass Violin based on the “Servais” style of which only 5 were made by Antonio Stradivari, only one remaining unaltered in the Smithsonian.

It is believed to be the first of this type of instrument made anywhere since around 1710.

The first concert in the Central West to include both of the best-loved cello quintets on the same program and with the same artists. (Boccherini and Schubert)

The premiere of the remarkable Reid Australian Timbers quartet of strings, illustrated below.

The first quartet of string instruments with bellies made from a single 1000 year old King William pine and otherwise all rare Australian timbers to feature throughout a concert.

A string quartet from All Saints College help us announce a new chamber music scholarship program for the use of the Reid quartet of strings.
