Uniform Shop Hours: Monday 8.30am to 4.30pm; Tuesday closed; Wednesday closed; Thursday 12 noon to 4.30pm; Friday 9am to 3.15pm

POZIERS SCHOOL PROJECT
Soon after the cessation of WWI, Victorian school children raised funds to build a school in the town of Villers Bretonneux, where 1200 Australians lost their lives retaking the village as a gift to the French people. This forged an enduring bond between our peoples. One hundred years on, in the small town of Poziers, Australian school children have once again been called upon to help a French town, where in 1916, 6800 Australians died, two thirds of them still lying in the mud today. On Remembrance Day, a hat will be passed around after the commemorative service for a gold coin donation to help rebuild the primary school in Poziers. The donation will be recorded on a plaque in the new school - a plaque we are sure many All Saints’ students will visit with pride in their future travels.

YEARLY EXAMINATIONS
Examinations started today for Years 9 & 10 and Years 7 & 8 begin next Wednesday. If you are ill, we do require a Doctors Certificate to notify that you were incapable of sitting the exam. Where possible we will try and re-schedule any missed papers. Good luck to all.

ACTIVITIES WEEK
The program for Activities Week is just about finalised and students will be taking home a list of the activities and relevant information and costs very soon. They have been asked to discuss this information with parents and a signature will be required indicating parent’s consent. It is important that students are appropriately dressed for activities which definitely means enclosed shoes, long pants in some circumstances and no girls wearing skimpy tops or short shorts.

GRAHAM HYMAN
On Thursday, 19 November 2015, as part of our All Saints’ presents series, Year 10 will be having a full day seminar presented by Graham Hyman. Graham runs Youth Specialties Australia which provides innovative training covering such issues as confidence, resilience and motivation. The days program will focus on Surviving Years 11 and 12 (How to use the seniors years as a platform for the life you want to have) and Surviving Life (Identifying the particular dangers of late adolescence and encouraging wise choices.

FAST FACT
Scientists with high-speed cameras have discovered that rain drops are not tear shaped but rather look like hamburger buns.

Thought:- A loser visualize the penalties of failure. Winners visualize the rewards of success. – Unknown

This week will be the last week for borrowing books and other materials from the Library.

All loans need to be returned by Friday 13th November as a full stocktake of both Junior and Senior Libraries will begin on Monday 16th November.

Please check with your children about any books they may have out and remind them to return them by the due date. A “mummy” look in their rooms may be needed!

Mrs O’Brien
Greetings,

There is so much happening as we rush towards the end of the year that I thought it timely to take a minute or two to review the events (perhaps as much for my benefit as yours!)

**Wedding Bells**

This Saturday at 3:30pm I will celebrate the marriage of former Saints’ student Alexandra Boole to James Fearney. Alex completed Year 12 in 2007 and is the daughter of our Blayney bus driver, Kevin. We wish Alex & James all of God’s blessings for their new life ahead. It is wonderful to see former students return to our Chapel for their weddings and their children’s baptisms.

**Confirmaions**

Nine students will be confirming their faith this Sunday at 4pm. Jono Gardiner, Jessica Green, Stella Gavey, Natalie Horne, Dylan James (Year 6), Megan Davis, Scott Mawood (Year 8), and Caitlin Willcox (Year 9) will all be making their public decision to be a disciple of Jesus. As always, we will be joined by our Bishop, Ian Palmer, for this service. Please feel free to join these students in this celebration.

**End of Year Carols Service**

A reminder that this year we are holding two Carols’ services on Wednesday, 2nd December, a Junior School service starting at 5.30pm followed by a Senior School service starting at 7pm. These services will have significant student involvement from singing in choirs, reading the Bible, praying, and leading the service. I know that Kindergarten and Year 6 are already practicing the readings and natiity and Mrs McLeod and Mr Clispham have the choirs and musicians rehearsing their carols. I trust that the new format will allow more parents and families to join us in these services.

**285/Bathurst Lions Christmas Miracle Appeal**

Our start to this appeal has been a little slow. We are collecting non-perishable food items to be packed into hampers for distribution to the needy in our community. I have suggested to all students that rather than waiting until their chapel day they could bring a food item into their class or house any day and then bring them down to chapel. Please consider supporting this worthy cause.

**Can you spare an hour?**

Can you spare an hour or two each week to bring a food item down to chapel. Please consider supporting this worthy cause.

**Take Heart Australia Day**

2015 is going to be BIG and we want you to take part in it! En masse, people have done some pretty incredible things for Guinness World Records – they’ve danced with umbrellas, dressed up as Smurfs and even impersonated Elvis. Now we’re asking you to do something incredible too: learn CPR!

Take Heart Australia Day is about teaching people to save lives, and with over 500 Australians suffering a fatal sudden cardiac arrest every week, the more people we train the better. So, on the 30th of November we’ll be hosting multiple events across NSW in an attempt to break the Guinness World Record for most people trained in CPR within 24 hours. All Saints’ College has been asked to host one of the regional events, so for one day we will endeavor to train as many Students, Parents and members of the public as we can.

These free sessions will take around 30 minutes and are provided by qualified trainers. For more information please contact the clinic on 02 6332 7300 or by email: sister@ saints.nsw.edu.au.

Join us in making history, and more importantly – learn what to do when cardiac arrest strikes. In the end, all it takes to save the life of another Australian is you and your two hands.

---

**CPR!**

Cardiac arrest is a medical emergency where the heart stops beating. Every 3 minutes, someone in Australia suffers a cardiac arrest, yet only around 1 in 6 Australians survive due to a lack of bystander CPR. That’s why we’re asking you to do something incredible too: learn CPR!

**CRU Holiday Camps**

The long Christmas holidays can be a challenge for families. It seems that it’s not long into the holidays when the kids are bored and have nothing to do! Then there is the challenge of juggling work commitments and finding someone to look after the children.

CRU Camps have been running for 80 years and provide well planned and resourced holiday camps ranging from one day to a week. These camps are run by properly trained leaders with first aid qualifications. There are a variety of camps offering different activities to suit all ages and interests. Camp costs include meals, accommodation and transport during the camp. Your child may have brought home a camp catalogue...or you can check out www.cru camps.com.au for more information.

With every blessing,

Rev. Tony Card.
To donate biscuits, slices and scones (nothing with cream or that melts easily) for the National Trust open day, or to help out on the day.

If you don’t bake donations are also accepted to purchase milk, tea, coffee, plates and any food not donated, we are expecting 360 people to feed!

When: 14th November 10-12pm and 2-4pm (donations can be left at school on Friday 13th)

Where: Woolstone, Kelso

Contact: Sharyn Jenkins on 0401935753 or at sharyn.jenkins@hotmail.com

SOPHIA’S STRINGS

traditionally handmade instruments

Presents DAVID PEREIRA and FRIENDS in “A FIST FULL OF FIRSTS”

The world premiere in a major concert of his new Bass Violin based on the “Servais” style of which only 5 were made by Antonio Stradivari, only one remaining unaltered in the Smithsonian. It is believed to be the first of this type of instrument made anywhere since around 1710.

The first concert in the Central West to include both of the best-loved cello quintets on the same program and with the same artists. (Boccherini and Schubert)

The premiere of the remarkable Reid Australian Timbers quartet of strings, illustrated below.

The first quartet of string instruments with bellies made from a single 1000 year old King William pine and otherwise all rare Australian timbers to feature throughout a concert.

A string quartet from All Saints College help us announce a new chamber music scholarship program for the use of the Reid quartet of strings.

FRIDAY DECEMBER 4TH 2015, 6:30 FOR 7PM AT ST. STANISLAUS COLLEGE PERFORMING ARTS CENTRE
(Top gate in Bentinck St., Bathurst.) Adults $50, $30 after Concession, school age students in uniform free.
Bookings or Enquiries reidandsons@bigpond.com or 0400 837 954 or 6337 9679. Web: www.sophiasstrings.com.au
Our next courses will be held on:

Sunday 15th November 2015 @ 9am
Monday 30th November 2015 @ 5pm

To book in, check out our website www.saferdrivers.org.au
For more information, call us on 6331 2191
or email bathurst@pcycnsw.org.au
www.facebook.com/BathurstPCYC

The Safer Drivers Course involves two modules:

Module one: A three-hour facilitated group discussion on how to manage risks on the road. This will involve a maximum of twelve participants and will be delivered by a facilitator.

Module two: A two-hour in-vehicle coaching session to develop low-risk driving strategies. This will involve two participants and a coach. Course cost: $140

Participants must have completed 50 hours of actual on-road driving experience to be eligible for the course. Credits gained under the 3 for 1 scheme cannot be included.

Participants who complete the course will receive 20 hours credit recorded in their learner driver log book.
