RUGBY
The last rugby event of the season is on this Friday night. The All Saints’ Rugby Dinner, supported by the All Saints’ Friends of Rugby, is being held at Carrington House. There is much to celebrate after two teams made the Grand Finals. The Under 16s were defeated by Redfield College on the day, but the Under 14s defeated Redlands 17-12 to become All Saints’ Colleges first rugby team to win a premiership in some years. Well done to those involved with all the teams and congratulations to the U14’s Team.

GRAND FINALS
We wish the following teams all the best as they play their Grand Finals on Saturday. In Netball it is the 1sts, Open Reds and 14 Reds and in Hockey the 13s and 15s. Thank you in particular to the coaches, parents and supporters for the season. I hope to see you there supporting these teams.

BENEFACTORS’ SERVICE AND PREFECTS’ INDUCTION
The Benefactors’ Service and Prefects’ Induction and the last day of Year 12 is on Thursday, 17 September 2015. The service commences at 9.30am sharp at the All Saints’ Cathedral in Church Street, Bathurst with the farewell to Year 12 being a touching part of the program. This gives the whole school a chance to formally farewell the Class of 2015. Parents are encouraged to attend. The Valedictory Dinner for the Year 12 students and their families will take place that evening and bookings are now closed for this event. This is a very big day on the All Saints’ calendar.

STEPPING THROUGH THE HSC
The Year 11 Preliminary examinations have nearly concluded and these students will be commencing the HSC course at the start of next term. Consequently, we will be holding an information evening entitled “Stepping Through the HSC” on Monday, 6 October 2015 at 6pm in the Library. Year 11 Students and Parents are encouraged to attend this session to find out about Assessment Tasks, the Trial HSC, HSC Examinations, Universities and the ATAR, Planning, Priorities and Expectations.

SPRING FAIR
The Spring Fair is on this Sunday, 13 September 2015 and House groups are responsible for some stalls or activities. This is a major fundraiser for the P&F who use funds gained from the day to support the College. This is one of the events in the life of the College that is compulsory and students are expected to attend and in many cases help. Heads of House will mark rolls. If for some extraordinary reason students cannot attend, you must apply for an exemption from Dr Miller.

SUMMER UNIFORM
A reminder that students are to wear summer uniform and hats when they return next term. I notice that many shoes are looking tired and need replacing. I would also like to mention that “Vans” are not part of the uniform - especially for safety in Science Labs and DT and that they are “creeping – in”. Please purchase proper shoes.

YEAR 11 INTO 12 BOOKLIST
All parents of Year 11 students should have received the Year 12 Booklist information in the mail this week. It is important that the Booklist orders are placed by Tuesday, 15 September 2015 to ensure delivery prior to the commencement of Term 4.

FAST FACT
The longest time between two twins being born is 87 days.

College Social Media Presence

To open up a new promotional platform and to harness the power of Social Media for community building, an official All Saints' College Facebook page has now been created. The College has been careful to ensure that the official All Saints' Facebook page will at all times be professionally presented and up to date. The Facebook page will complement the excellent College website which will continue in its present format. We encourage all parents who have access to Facebook to “like” our page and so join our growing online community. You can access the page by following this link:

https://www.facebook.com/AllSaintsCollegeBathurst?ref=nf

Whilst student images posted to the College Facebook page will at all times remain anonymous, (or with the possible use of first names only), All Saints’ College is mindful that some parents/carers may not wish to have images of their children posted on social media. If this is the case, please contact the College on 6332 7309 to ensure that your child’s image will not be included in any College posts. If we do not hear from you, we will presume that your permission is granted.

Scholarships 2017

Applications for All Saints’ College scholarships for 2017 are now online on the College website www.saints.nsw.edu.au

Scholarships applications are open to current or prospective students who are Australian citizens and who will be entering Years 5, 7, 9, 10 or 11 in 2017. For further information please call the Office of the Registrar or consult the ‘scholarships’ tab on the website.

Pre-Kindergarten and Kindergarten 2016..... It’s not too late!

Please encourage any families known to you who are considering enrolling a child in the All Saints’ Pre-Kindergarten or Kindergarten classes for 2016 to get in touch. Interviews for these year groups are almost complete and the classes are filling fast.

Finally, a note of sincere welcome to new Year 9 international boarding student Robert Agarobe, from PNG.

Macquarie University Open Day
Saturday, 12 September 2015

Offering a comprehensive day of academic and practical advice as well as a program of activities to entertain the whole family, Open Day is where the university journey begins.

This year, as well as finding out everything you need to know about studying at Macquarie, we are also inviting visitors to try out our new Simulation Hub where you can drive a car, fly a plane or go to Mars – all without leaving the campus.

After starting the day at MUSE - our exciting social learning space - visitors can find out everything they need to know about studying at Macquarie with lectures running throughout the day. They include the introductory Macquarie 101 and talks on industry partnerships.

Other activities on the day feature everything from camel rides to a tour of the library’s robotic book retrieval system, as well as the chance to ‘read’ bones with anthropologists, consider whether leaders are born or made, discover how economics is used by non-government organisations (NGOs) to make a difference, and find out whether your soil is safe to grow vegetables.

Thank you Spring Fair Sponsors

A huge thank you to all of our Gold, Silver and Bronze Sponsors.

Many family businesses’ provide extra support to Spring Fair by sponsoring the program of events.

The money raised through the program provides a large contribution to the overall fundraising. These funds are administered by the Parents’ & Friends’ Association to improve our facilities and purchase additional school resources - very necessary and beneficial to all.

Would you like to know more about engineering and what you can do as an engineer?
If you like designing solutions to problems, want to contribute to society and make a difference to the world, come see what engineering is about at the Experience It! student conference.

What you will do
It will be a day of fun, interactive hands-on workshops and team-based activities, exploring the peculiar and bizarre applications of engineering!

Hear from current engineering students and our industry representatives, learn what careers and opportunities are available to you and be inspired by their journeys and achievements.

Who is this for?
This conference is aimed at NSW secondary school females in Years 9-12. No prior engineering, maths or physics experience is required and students will have the opportunity to do workshops based on their areas of interest. You'll also get to work as a team in challenges to win some great prizes!

Do you live or go to school more than 100 km from UNSW? You may be eligible for our Rural Scholarship to offset the cost of travels, please apply on the registration webpage.
