**NAPLAN**
A national summary of the National Assessment Program – Literacy and Numeracy (NAPLAN) 2016 results is being released by the Australian Curriculum, Assessment and Reporting Authority (ACARA).

While the results show improvements nationally since its inception in 2008, preliminary data shows that literacy and numeracy have flat-lined for the past three years – (reading increased by 0.4%, writing declined by 0.2% and numeracy increased by 1.26%).

These results obviously include all the different backgrounds and localities within our country but what is important to us at ASC is individual results and student gains. We await these results.

**ATHLETICS CARNIVAL**
I feel sorry for Mr Gardner and the PE staff who seem to be constantly postponing the carnival due to inclement weather. Our next attempt will be tomorrow. Please refrain from any rain dances.

Round Ten
Saturday 30th July

All Saints’ First XV took a major step towards securing a place in the ISA Division 2 semi-finals with a strong 17-7 win over a gutsy Redlands side at Macquarie University last Saturday.

The boys set the tone right from the kick off with some big runs from the forwards marching ASC up the field.

ASC took the lead early with David Cant plunging over in the corner after some fluid passing.

But last placed Redlands had come to play and stepped up their effort turning over some ASC ball.

The visitors responded in kind and were rewarded with another try to take a handy lead into the halftime break.

Any thoughts of running away with the game were quickly dispelled when Redlands scored the first try of the second half.

But ASC stuck to their task and continued to move the ball out wide, the tactic finally paying off late in the game when McLangton Mbakada scored in the corner.

The Under 13s also look to be semi-final bound despite losing 42-27 to Redlands.

In the unusual position of playing after the 1st XV clash the 13s had a good crowd on hand and both teams put on a show with the lead changing hands several times in a free-flowing first half.

Despite the loss, the boys will take plenty of confidence into their final round clash with table-topping St Andrews on Saturday.

The Under 14’s will also be buoyed by their great comeback win over St Pius X at Oxford Falls.

Despite heavy resistance from All Saints, St Pius X still managed two first half tries to lead 10-0 at the break.

But ASC refused to surrender and came out even harder in the second half, playing with great structure and composure.

They were rewarded with two tries of their own; both converted, to give them a 14-10 lead they would maintain until the final whistle.

It was a high-quality match and the under 14s should be congratulated on a well-deserved win.

All Saints’ College is hosting St Andrews in our final home game of the season this Saturday 6th of August.

The BBQ will again be in full swing cooking up a storm and the Canteen will be open selling drinks, sweets and a variety of cakes and slices.

We would really appreciate lovely donations of cakes, slices, muffins etc to sell on the day.

Feel free to double up the recipe and bring some on Friday for Europe Tour fundraising at the Athletics Carnival!

Also due to a change in the roster last week it is Under 14’s as Duty Team this week. Support from parents to help with the BBQ and Canteen will be greatly appreciated.

THANK YOU.
Netball round up
Saturday 30th July

Some breakthrough results by teams that have been doing it tough highlighted a great round of Netball for ASC on the weekend.

ASC Under 14 White led the charge picking up just their second win of the season with an impressive 30-7 drubbing of Collegians Strikers.

While Under 14 White are in seventh position on the 14B table they are only three points out of the top four and should they continue to respond to the intense training program of Coach Mrs Casey finals wouldn’t be out of the question.

The ASC Seconds broke a run of narrow losses with a nail biting 36-35 win over fourth-placed LJ Hooker Hearts.

Coach Mrs Sutton, the girls, and the crowd were overjoyed as Ruby sealed the win with a full-time buzzer beater that brought everyone off the edges of their seats and onto their feet.

The Seconds’ position on the A Reserve II table belies how competitive they have been this year with the majority of their losses being by only 3-4 goals.

The Under 14 Blue team were also celebrating breaking through for their first competition points after a well-deserved 18-all draw with Eglinton Wildcats in 14A.

They showed plenty of determination and spirit in a challenging match and will be hoping to go one better this week.

In other matches, the Thirds continued their impressive form with a 55-12 demolition job on Bulldogs Kamikaze.

The thirds are second on the C Reserve 1 table, four points adrift of the seemingly unbeatable Panthers GJ Gardiners team averaging almost 84 points a match and conceding less than 10!

ASC Colts also impressed in their 46-18 win over Eglinton Diamonds and are now in equal second place on the table.

ASC Under 16 Red are also in second place in the 16A competition following a 33-19 win over Bathurst 12 Reps but are still 7 points adrift of an unbeaten Panthers Renshaw’s team averaging over 31 points a game and conceding less than 8!

Under 16 Blue were the only ASC side in action not to pick up a win on the weekend losing to Out Of Touch Firebirds 39-19 but they are still clinging to fourth position in the 16B competition by a point

Fellow 16B rivals ASC Under 14 Red had a bye while the Firsts won on a forfeit from Bushrangers.

The firsts’ record is now 50 percent and they are right in the mix for the finals.

Busy start to term for Saints’ Aggies

Agriculture News

It has been a bumper couple of weeks for All Saints’ Agriculture students with a mix of activities involving the meat and dairy industries.

Students in Year 9 and 10 have been focused on Prime Lamb production which included a field trip to the Reynolds’ new butcher shop in West Bathurst.

There they learnt how to break down a lamb carcass and received some great insights into running a butcher shop.

We were very appreciative of the opportunity and recommend you visit too!

The ‘Cows Create Careers’ programme has just begun again and local dairy farmer Kevin Sheehan has loaned us three Jersey Heifers which we are hand raising at the farm.

Sponsored by Dairy Australia, the programme involves both theoretical and practical activities.

Students also make a movie to support their learning experience.
