HELP NEEDED
The HSC Trials are fast approaching as too the HSC examinations. I am seeking the help of those that can assist with reading and writing for those students granted disabilities provisions. If you think you could help out for an examination, please contact Sarah O’Neill in Learning Support.

EDUCATIONAL ACCESS SCHEME - EAS
EAS can help students who have experienced long-term educational disadvantage gain admission to university. To be eligible for EAS your educational performance must have been seriously affected, normally for a period of at least six months during Year 11 and/or 12 or equivalent, due to circumstances beyond your control and choosing. There are seven broad categories of long-term educational disadvantage and these can be found on the application. Applications and more information about the 2017 scheme will be available on Wednesday, 3 August 2016.

NEW EXAMINATION
Under new rules announced by the NSW Department of Education, the state’s HSC students will require a pass mark in numeracy and literacy in order to gain the qualification. In Year 9 through to 12, students will be given opportunities to demonstrate that they meet the new standards, which will take effect from 2020 onwards. Students at risk of not making the new standards will be put into English and Mathematics courses where they will study essential literacy and numeracy units. Those who have not reached the numeracy standard by the end of Year 10 will be required to take a prescribed Mathematics course or topics in specific English units until they achieve a pass. Students who fail to meet the standard by the end of Year 12 will be awarded the Record of School Achievement (RoSA) and have five years to pass an online literacy and numeracy test set by the Board of Studies to receive the HSC. Other changes were also announced.

LEADERSHIP
The process for the selection of new leaders in the college is about to commence. The first step is a letter from the students outlining what they would like to apply for and why they would be a good leader. This letter will need to be submitted to myself by Friday, 29 July 2016. Interviews will take place together with the need to attend some leadership seminars in a few weeks – dates to be confirmed. More details will be outlined in a letter soon.

NSW UNITED NATIONS YOUTH EVATT COMPETITION
Congratulations to Nicholas Brouggy and Patrick Harrison, who have been selected to progress through to the NSW semi-finals of the United Nations Youth Evatt competition. Patrick and Nicholas are a formidable team and will participate in a day of competition and briefings with fellow delegates this Sunday at the University of Sydney’s new Law building. The Evatt Competition challenges young Australians to step into the role of the United Nations Security Council and tackle the world’s biggest issues. We wish Nicholas and Patrick the very best as they debate, amend and vote on a prepared and impromptu resolution from the perspective of their assigned nation, Senegal.

FAST FACT
Of all the schools in the world, the largest is in India. It is called the City Montessori School and it has over 32,000 students

Tank yu tumas!
Welcome back to Term 3! I trust that you all found time for rest and relaxation with those you love over the break.

As you know, I took part in a Samaritan’s Purse team rebuilding kindergarten classrooms on Tanna Island for two weeks of the holidays. This was a fantastic and rewarding experience. I joined up with three young uni students to work with local builders to commence construction on a kindergarten at Lowanatom, a village on the west side of Tanna Island.

We had to start from scratch, marking out the site, removing vegetation, building up the centre of the slab, digging foundations, concreting and finally getting the wall frames up. It was hard work as there were no excavators or concrete trucks - everything was done by hand. We had to leave the locals to finish up the building which should be completed now.

One of the great joys that I had on this trip was to take over the gifts that the All Saints’ Community had so generously provided. The Junior School raised $160 through chapel collections last term. This, along with some staff donations meant that I had a big shopping spree buying books, balls, and other resources for the new class. These items, combined with some things I had at home meant that I used up my entire baggage allowance on classroom resources. Thankfully I was going to a warm climate and so managed to pack enough work clothes into my carry-on baggage allowance.

The gifts were presented on our final day on Tanna at a lunch hosted by the village. The children and teachers were very excited to receive these gifts. The kindly children all gathered around and gave a shout “Tank yu tumas!”, which means “Thank you very much!” in Bislama, before heading off to play soccer, volleyball, and rugby, while others gave the skipping ropes a good workout.

It was an honour and a privilege to work alongside the people of Tanna and to give these gifts on your behalf.

Laptops needed - can you help?

During my visit to Tanna one of the things that struck me was the absence of many of the things that we take for granted. Classrooms were lucky if they had working lights. There were no smartboards, computers or projectors. Teachers expressed a need for them but there isn’t the money in their education system to provide them. I asked a couple of people if the laptops or computers that we Aussies have replaced would be useful. The answer was a resounding yes. They don’t need the latest and greatest machine with fast graphics, truckloads of RAM and awesome sound - they just need something that will efficiently run Microsoft Office with the potential to connect to the internet (internet coverage is a patchy 3G service on Tanna).

So, I plan to do something about this. I want to gather up those old laptops that are sitting around gathering dust, reformat the hard drive, update where necessary, install Microsoft Office and send them over to Tanna with Samaritan’s Purse for distribution. This is a project that will involve some of our technically minded students during a lunchtime each week.

If you have an old laptop that you think might be suitable, could you please send it to school? It would be helpful if it came with Microsoft Office licencing but this is not essential.

Ladder leaders tough challenge for Saints

Coast Grammar and St Andrews Cathedral School, the two schools above All Saints’ in the table, clash this weekend providing a chance to leapfrog one of them.

While it will be a tough game All Saints lost by just a single point the last time they met Chevalier and that was on the back of a gruelling road trip.

This time, the roles will be reversed.

The 16s will also need to bring their A game with Chevalier unbeaten at the top of the table, averaging 29 points a game and conceding just 13.

The 13s and 14s will face similarly tough tasks while the free wheeling 15s, averaging nearly 35 points per game for and just over 7 against will be looking to take a big step towards the minor premiership.

With every blessing,
Rev. Tony Card.

Voice is a unique public speaking competition for students in Year 7-10. Voice invites you to solve issues that affect your community, nation and the world. From homelessness to climate change we want to hear you pitch your big ideas.

Why compete in Voice?
• Develop skills in public speaking and research!
• Hone your ability to think on your feet, assisting you in leadership positions or debating competition in the future.
• An opportunity to meet likeminded and engaged young people.

Topics
Four weeks prior to the date of your round you will be emailed a range of questions on current issues. You choose one of these questions to present a solution, based on the division you are competing in.

Speaking Time
Junior Division (Year 7 and 8): 3 minutes
Senior Division (Year 9 and 10): 5 minutes

Spring Spectacular MEGA RAFFLE

Dear Parents,

Raffle ticket books for the Spring Spectacular will be distributed to all families within the next week. A letter will accompany the raffle ticket booklet and we would appreciate your support with returning sold and unsoled tickets to reception prior to the Spring Spectacular on 10th/11th September.

There are over $5,000 worth of terrific prizes up for grabs as you can see from the flyer in this edition of Revelations!

Thank you, Spring Spectacular Committee

Garden Stall at Spring Fair
Hi everyone it’s time to be thinking about what you have in the garden that could be divided and potted up in time for September. We are seeking donations of plants, produce and flowers but for the time being potting seedlings into pots to grow out a bit or dividing plants and giving them time to settle into new pots is what we would love you to do if possible.

Don’t hesitate to contact Jo Murphy with questions 0412525526 or jomcmastermurphy@gmail.com
