PARENT PORTAL

As I indicated near the end of last term, the College is working to get its Parent Portal up and running. We are just about ready to send some information out to you on how to access this on your computer. Our first phase will be to allow parents to review their child’s student profile and grant permission of excursions and upcoming events.

EDROLO

The College has been able to secure a free trial of Edrolo for Year 12 students. Edrolo provides comprehensive and up-to-date online video lectures that can be used to learn and revise HSC content for important examinations like the upcoming Trial HSC. Edrolo has step-by-step worked examples from past exams, all presented by Australia’s best teachers. We see this as an important tool students can access for revision. Year 12 will find out more about this tomorrow at the beginning of lunch.

JEANS FOR GENES

Friday, 5 August 2016 is Jeans for Genes Day. This is a national day when people wear their jeans to raise much-needed funds for research into birth defects and diseases such as cancer, epilepsy and a range of genetic disorders. On the first Friday in August each year workplaces, schools and streets become a sea of denim in a united stance against childhood disease. Every dollar raised on the day helps scientists at the Children’s Medical Research Institute discover treatments and cures, to give every child the opportunity to live a long and healthy life. All Saints’ College will again be participating this year. Students are invited to participate through wearing their Jeans and a “free choice” of suitable clothing for the rest of their torso. To participate students are encouraged to donate to this worthy cause.

DIAMOND JUBILEE SCHOLARSHIP

The Bathurst Branch of the CWA have sent me information regarding students who may be interested in applying for a scholarship through them. It is open for a Year 10 Day student who wishes to continue to Year 11. The value of the scholarship is $1000 in Year 11 and $500 for Year 12. Applications close 7 October 2016 and forms can be obtained from my office.

FAST FACT – There are more possible iterations of a game of chess than there are atoms in the known universe

Thought:- We are all inventors, each sailing out on a voyage of discovery, guided each by a private chart, of which there is no duplicate. The world is all gates, all opportunities. Ralph Waldo Emerson
Helping defeat Motor Neurone Disease a Towering Task for Matt

Firefighters Climb For MND

All Saints’ College Alliance Catering Manager and firefighter Matthew Hitchens will be going to the top of the Sydney Tower Eye to raise funds for Motor Neurone Disease (MND) in October.

The only catch is he’ll be taking the stairs, all 1504 of them!

Matt will join Fire and Rescue NSW (FRNSW) fireies from across the state to race to the top of the tower on October 23 in support of research into this tragic condition.

MND is a progressive, terminal condition that can occur in anyone and directly affects thousands of Australians every year.

There is no cure or effective treatment at this stage, but a team of researchers at Macquarie University hope to change that using funds raised by the event.

“It’s often called ALS, or Lou Gehrig’s Disease but it doesn’t matter what you call it you don’t want it,” Matt explains.

“Perfectly healthy people like you and me can get MND - it strikes indiscriminately, at any time with no proven explanation.”

MND affects the nerve cells (neurones) controlling the muscles that enable us to move, speak, breathe and swallow, causing them to degenerate and die.

A person’s senses and intellect are not affected leaving them trapped inside a dying body they have no control over.

Matt is currently in training for the race where the firefighters will lug gear weighing 20kg up 98 floors to the top of the tower.

“It’s going to be a tough, grueling, painful slog for all, but not nearly as tough as being diagnosed with a terminal illness,” he said.

“Focusing on the reason we are doing this will help get us through the tough times.”

Matt hopes to raise $1,504 to help Macquarie University continue their important work, and would appreciate any support no matter how small your contribution.

To support him in his quest please visit https://firefightersclimbformnd.everydayhero.com/au/matthew-8

Voice NSW

Voice is a unique public speaking competition for students in Year 7-10. Voice invites you to solve issues that affect your community, nation and the world. From homelessness to climate change we want to hear you pitch your big ideas.

Regional Round Information

Bathurst:
All Saints’ College  
Friday 2nd September 2016  
10.30am-1pm  
Kemmis Building  
See Mrs. O’Neill in the ILT to register.

Why compete in Voice?
• Develop skills in public speaking and research!
• hone your ability to think on your feet; assisting you in leadership positions or debating competition in the future.
• Build an increased knowledge about areas pertinent to you as students.
• A chance to meet likeminded and engaged young people.

Topics
Four weeks prior to the date of your round you will be emailed a range of questions on current issues. You choose one of these questions to present a solution, based on the division you are competing in.

Speaking Time
Junior Division (Year 7 and 8): 3 minutes
Senior Division (Year 9 and 10): 5 minutes

More Information:
Please see Mrs. O’Neill in the ILT, or check out Voice NSW on the UN Youth website: https://unyouth.org.au/event/voice-nsw/

Laws of Cricket Course

In Bathurst

Bathurst Cricket Umpires and Bathurst Cricket (BUDCA & BDCA), would like to invite you to become an umpire.

The NSW Cricket Umpires and Scorers Association (NSWCUSA); plan to run a course in Bathurst on the weekend of 6th and 7th of August.

The Laws Of Cricket course is a module in the level 2 representative umpires accreditation program. This course will be delivered by NSWCUSA umpire trainers, with an assessment at the end of the course. Charge for the course is $40 per head including lunch both days, a law book and all training materials.

VENUE: All Saints College
COST: $40
WHEN: Sat 6th August (9am - 5pm) & Sun 7th August (9am - 3.30pm)

REGISTRATION
Contact Shig Jacques to register and arrange prepayment
email: wrenurpe@gmail.com
Mobile: 0400 505 411
History will come alive for our Euro Tour group

All Saints’ European Study Tour

There could hardly be a more poignant experience for a student than to stand on the same patch of ground where former members of their school gave their lives for our freedom.

This September, 26 Year 9, 10 and 11 All Saints’ College students and five members of staff will have the chance to do just that as they visit the Australian World War 1 battlefields on a 15-day European study tour.

The group will be involved in a full-day tour of the Ypres Salient, including an evening wreath-laying service at Menin Gate.

They will also visit important Australian battlefield cemeteries at Fromelles, Pozieres, Tyne Cot, and Villers-Bretonneux where students will lay wreaths in memory of the All Saints’ Old Boys who made the ultimate sacrifice.

Former ASC Chaplain and Bathurst Living Legend Father Paul Woodhart has prepared a special service for the students at Villers – Bretonneux which is sure to add even more emotion to the proceedings.

Tour coordinator Mr Spencer Goddard said the itinerary had been painstakingly planned.

“The 15-day study tour will have a strong academic focus,” he said.

“Of course, it will be a lot of fun but it has also been carefully planned to assist students studying Ancient and Modern History subjects at the HSC level.

“It’s one thing to read about history in a book or on the internet but to be there where it actually happened adds a whole new dimension.”

The itinerary begins in London where activities will include learning how to navigate the London Underground, a ‘flight’ on the London Eye for panoramic views over the city, a visit to the Imperial War Museum and Churchill War Rooms, a stroll through St James’ Park to Buckingham Palace and a tour of The Tower of London and British Museum.

The group will then head for the battlefields of Europe before moving on to Paris, with visits to Napoleon’s Tomb and the Army Museum at Les Invalides.

Students will ascend to the top of the famous Eiffel Tower and enjoy dinner on the Champs Elysees before a morning excursion to the palace of Versailles.

There will be free time to explore Notre Dame and the Left Bank with an evening river cruise on the Seine.

The tour then heads to Italy and the Bay of Naples for guided tours of the Roman cities of Pompeii and Herculaneum buried by the eruption of Vesuvius in 79AD as well as the Naples Archaeological Museum which contains their many treasures.

It wraps up in Rome with walking tours of central Rome, including visits to the Colosseum, Pantheon, Trevi Fountain and the Roman Forum.

The tour will be an invaluable learning experience but it will be costly and to this end, the students have organised a Trivia night on Saturday, 3rd September starting at 7.00pm in the school dining hall.

Members of the general public are more than welcome with tables of 6 to 8 people and tickets are just $10 per head.

Payment will be at the door but table bookings must be made with Mrs Patricia Mitchell at ASC Reception on 6331 3911.

Results round up

Round Nine

Saturday 23rd July

All Saints’ Under 15s continued their fine run of form with a strong 47-22 victory over Chevalier at Watson Oval on Saturday.

It was far from an easy win with Chevalier mounting an enthusiastic opposition and often pressing the home side during the game.

But a mix of excellent teamwork, hard running, and application to the game plan saw ASC home to consolidate their place on top of the table.

The 13s also started to their show their true potential with an excellent team win over Chevalier.

In a free-flowing game, the boys held off a spirited second-half comeback by the opposition to win the match 33-24.

It was a different story in the Under 14s where the powerful Chevalier team dominated from the outset but All Saints did manage to rally in the second half and score a try.

The Under 16s were struggling with numbers and ended up mixing with Chevalier to play an enjoyable high-scoring Barbarians Game.

The ASC 1st XV needed a win to press their claims for a top two spot and they started well scoring the first try against a much bigger Chevalier outfit.

The home team showed plenty of grit to lead 7-5 at halftime in a tightly contested encounter.

Chevalier scored first in the second half to take the lead but the match remained very close until the final 10 minutes where the visitors managed to seal it with two quick tries.

The final score of 27-7 was not really representative of the 1st XV effort with boys showing they are far from done in the finals race.

Eat my dust ... Will Stokes leaves the Chevalier defence grasping at thin air as he sets sail for the line in Saturday’s Under 15s clash at Watson Oval

Charging hard ... the determination shows on Jackson Stanmore’s face as he carts the ball up for the 15s

Draw and pass ... James Baker looks to offload in ASC’s 1st XV clash with Chevalier

Friends of Rugby President decides to hang up boots

After five excellent years of service to All Saints’ College - Friends of Rugby, Mr Ian Redpath will be stepping down as the President. Mr Redpath has fostered an excellent and supportive working relationship between All Saints’ College, the coaching staff and players and families. The friends of rugby provide great support to the rugby community and all of All Saints’ College.

We are seeking expressions of interest from the rugby community at ASC as we look to work with the Friends of Rugby to find a new President. We would like to have a new President installed by the Annual Rugby Dinner on Friday 9 September 2016.

We are encouraging boys to speak to their families about being involved with the Friends of Rugby and possibly becoming the President of the group.

We are proposing an informal meeting over coffee before our matches against St Andrews Cathedral School at ASC on Saturday 6 August 2016 for any interested parties. The time and venue will be confirmed.

If you are interested in supporting All Saints’ College and working with the Friends’ of Rugby in this capacity please contact MiC Rugby Mr Patrick Sinclair on email p.sinclair@ saints.nsw.edu.au
Garden Stall at Spring Fair

Hi everyone it’s time to be thinking about what you have in the garden that could be divided and potted up in time for September. We are seeking donations of plants, produce and flowers but for the time being potting seedlings into pots to grow out a bit or dividing plants and giving them time to settle into new pots is what we would love you to do if possible.

Don’t hesitate to contact Jo Murphy with questions 0412525526 or jomcmastermurphy@gmail.com

ASC Netball News

Gloomy conditions not enough to take the shine off Under 14 Reds

Netball round up
Saturday 23rd July

It has been a tough second half of the season for ASC netball with multiple washouts robbing many squads of any chance to build momentum.

One notable exception has been the ASC Under 14’s Red team playing in the BNA Under 16B competition.

Despite playing in an older division the girls are undefeated with 6 wins.

They maintained their unbeaten run on Saturday with an emphatic 37-4 win over Bulldogs Diamonds.

With five rounds to go in the regular season, they sit second on the ladder by a point to Bulldogs Blaze.

ASC Red actually beat the Blaze when they met this year but the Blaze’s bye fell on one of the washout rounds while ASC had theirs on a played round creating a confusing situation where the Bulldogs side have actually played one more game than ASC in the same amount of rounds!

Ironically it is the point gained for the loss to Saints that is keeping them on top!

ASC 14 Red was one of only three teams to record a win on Saturday with the Thirds defeating Scots 34-11 and Colts downing Triumph Storm 33-21 but All Saints’ other squads aren’t letting the tough times get them down.

In fact, they are all training harder than ever in a bid to finish strongly and have something to really celebrate at the annual Netball Dinner on September 8.

Above and left: despite gloomy conditions the ASC girls are training hard to finish the season strongly

Thank you Spring Spectacular Sponsors

A Huge thank you to all of our Gold, Silver and Bronze Sponsors.

Many family businesses provide extra support to the Spring Spectacular by sponsoring the program of events.

The money raised through the program provides a large contribution to the overall fundraising. These funds are administered by the Parents’ & Friends’ Association to improve our facilities and purchase additional school resources - very necessary and beneficial to all.
