HEAD OF SENIOR SCHOOL
Mr Stewart Ross

PARENT PORTAL
At the end of last year, the College transferred its student management and administration database to a system called Edumate. Early next term, we plan to open up the parent portal. The Parent Portal in Edumate enables parents/carers to provide and access information about their children that builds on the ‘home and school together’ relationship. Using the Parent Portal parents are able to:

* Access the Online School Calendar and keep up to date with what’s happening around the school.
* Review their child’s student profile including timetables, attendance records, excursions permissions, upcoming events and tasks, recent academic reports, and sick bay records.
* Update their own contact details and the contact and medical details for their children.

Our plan is to gradually make some of these features available to parents and we will start with excursion and event notifications and permissions. This will take the place of our current Care Monkey system. More details will follow closer to implementation.

HICES DEBATING
On Tuesday 15th June, the fourth round of the HICES Debating competition was held at All Saints’ College.

The general topic for this round was ‘leadership’, and our students did extremely well in demonstrating their knowledge of the way leadership works and their persuasive language skills, securing four out of six wins.

The junior school team won their debate, convincing the audience that our politicians should not be paid more.

The Year 7 and 8 teams were arguing a difficult topic; that a commitment to ethical behaviour is not the most important quality of a leader, with the Year 7 team managing to secure a victory.

The Year 9 and 10 teams both had the taxing task of arguing against the idea that great leaders are made, not born. Both teams argued effectively, with the Year 10 team winning their debate.

Our Opens team successfully won their debate too, arguing that the rest of the world should not have a say in who is elected the next American President. Congratulations to all teams for their hard work in preparation for the event and performance on the day.

INTER-HOUSE MUSIC FESTIVAL
The Inter-House Music Festival will take place on Friday commencing at 7pm. This is a fantastic event, completely devised by the Year 12s in each House. This is a compulsory event for students and any exemptions need to be sought from Mr O’Connor or myself.

END OF TERM 2
Please note that next Thursday 23rd June is the last day of term. Classes will be on and boarders will travel on Friday 24th June.

Helping students in Vanuatu

A reminder that we are collecting resources to support a school on Tanna Island in Vanuatu as they recover from last year’s cyclone. Items like rulers, pens, pencils, erasers and solar powered calculators are most appropriate. If you are able to donate any of these items please send them in before the end of Term 2.

The Good Soil

Some fell into good soil, and when it grew, it produced a hundredfold. (Luke 8:8)

Student chapels this week have focused on Jesus’ parable of the sower in Luke’s gospel. Jesus told the story of the farmer sowing seed. Some of the seed fell on the path, some in rocky ground, some among thorn bushes and some in good soil. The seed that fell in the first three failed to produce a crop. It was only the seed that fell into the good soil that produced - and what a crop!

Jesus wasn’t giving advice on farming practices when he told this parable. He was talking about the attitudes of people to the word of God. He compared the path to those who hear God’s word but reject it. The rocky ground represented the people who hear, accept, but fall away when faced with a challenge to their faith. The thorn bushes represent the demands of the world that compete for our time with God, eventually choking out the good news. The good soil is those who receive God’s word gladly. Their acceptance is shown in their new life and they produce a crop - a crop shown by their love for their neighbours and through those who hear about Jesus because of their actions.

Like all of Jesus’ parables there is a challenge for each of us to consider, emphasised by his words, “Let anyone with ears to hear listen!” (Luke 8:8) For this parable the challenge is simple - what soil are you?

With every blessing,
Rev. Tony Card.
