TEAGAN MILLER

Last Saturday Teagan Miller travelled to Bowral for the final selection trial to gain a place in the NSW Youth Girls Rugby 7s team. Teagan was successful and was named in the squad of 20 to play at the Nationals in Perth next month.

The email we received from NSW Rugby says “congratulations on being selected as a squad player into the NSW Waratahs Youth U17’s Girls 7s squad to attend the 2016 Australian Rugby Union National Youth Sevens Championship.”

Well Done Teagan!

SKIN CANCER

At assembly this week, Year 11 student Phoebe Reynolds spoke about Skin Cancer awareness. She mentioned such statistics as - on average, a person’s risk for melanoma doubles if he or she has had more than five sunburns. Also regular daily use of an SPF 15 or higher sunscreen reduces the risk of developing melanoma by 50 percent.

The Year 11 PDHPE class will be putting up posters throughout the school to remind everyone to participate in sun safe activities. Here at school everyone has the option of wearing hats, applying sunscreen and seeking shade. So during PE, when you’re outside at lunch and over the Christmas holidays it would be great if everyone kept in mind that by simply wearing a hat or applying some sunscreen you can potentially save your life!

DRIVING TO SCHOOL

Year 11 (and Year 10) were reminded this week about the rules and procedures when driving to and parking on College property. It was reiterated that they cannot go up and park near the swimming pool especially on sports afternoons and sports days. Students have their own parking area at the front of the College. Failure to follow these guidelines could result in this privilege being revoked.

YOUTH SPECIALTIES

Graham Hyman from Youth Specialties Australia visited the College today to work with our Year 10 students. His programme called ‘Survive’ focuses on surviving relationships (parents, romance, peers), surviving Year 11 and 12, surviving life (identifying particular dangers of late adolescence) and surviving together (the importance of team work). Graham is always highly inspirational and is regarded by many as the ‘funniest’ serious speaker in Australia. I’m sure our Year 10s would agree.

AMOW

Year 10 will also be involved in All My Own Work in the final weeks of the term. All My Own Work is designed to help Higher School Certificate students to follow the principles and practices of good scholarship. This includes understanding and valuing ethical practices when locating and using information as part of their HSC studies. It is a BoSTES program that must be undertaken before students can enrol in Year 11 courses. Year 10 students who miss this programme will have to complete it early next year.

FAST FACT

You are 1% shorter in the evening than you were in the morning

Thought: To rejoice in another’s prosperity, is to give content to your own lot; to mitigate another’s grief, is to alleviate or dispel your own. Thomas Edwards
ORDER YOUR WINTER JACKET NOW!

This is the approved jacket for wearing to school and sport in the colder months.

ORDERED WINTER JACKET NOW!

This is the approved jacket for wearing to school and sport in the colder months.

COST $180.00
Full payment due at time of ordering.
(Cash, Credit Card, Eftpos or Cheque)

These jackets are being custom made and should be delivered by the end of February 2017.

Orders close: Monday 28th November 2016

To order, or for more information, please see Mrs Moller in Uniform Shop, phone 6332 7303 or email lizzy.moller@saints.nsw.edu.au

CHICKENS FOR SALE!

The ASC Ag Department has four six-week-old chickens in need of new homes.

They are going at the bargain basement price of $8.00 each.

If you would like one, or maybe two or three please contact Ms Moppett on 6332 7338 or megan.moppett@saints.nsw.edu.au.

Through Sale and Fire.

Marsden Church of England Girls School was the Bathurst Diocesan Girls School which was ‘across the river’ from the All Saints’ boys establishment. Marsden School continued from 1925-1977 when it was amalgamated with All Saints. The buildings, including the Chapel were sold and are now part of the Holy Family School in Kelso. The Marsden Chapel had the title of ‘The Chapel of the Annunciation’, referring to the passage in Luke’s Gospel chapter 2, verses 26 to 56. The Chapel shell still stands. Here is a photo from the Marsden Handbook.

The Chapel was on the top floor of the building at the right of the picture. Inside it was a model of a loved place of worship.

Some time after, the pews were moved to St Barnabas church, South Bathurst. They were well and truly in use when I was posted there in 1992.

However the front bookrests were not used and stored under the stage in St Barnabas hall. As I was there for 12 years, every Fete day we would take out the tables on which to put the produce and I would notice these bookrests.

The ‘new’ altar and the lectern from Marsden remain in our Chapel. Long may they be in use.

They were made from stained Kauri Pine, an easily workable wood. When I moved to All Saints’ in 2004 we decided to make these into a new ‘Altar’ or Communion Table for the Chapel. This was done and ceremoniously the new altar was carried into the Chapel by Marsden Boarders. It is the centre piece of the Chapel.

At the dedication of the new altar, pieces Kauri Pine were given to the Marsden Ladies who attended. However in February 2013 the Marden pews were burnt and lost in the St Barnabas fire. Here is the same view of the inside.
2016-17 Flying Scholarship Announced

The Bathurst Aero Club (BAC) and Central West Flying (CWF) have announced a scholarship for a person between the ages of 15 and 25 years to be trained as a Recreational Pilot.

All the costs associated with gaining a 'restricted' Pilots Certificate including flying instruction, theory briefings and textbooks will be covered by the scholarship – to a total value of up to $10,000.

This is the first scholarship offered by BAC and CWF since 2010 and is aimed at encouraging young people to consider aviation as a career or a recreational pursuit.

Any person between 15 and 25 years old can apply and flying experience is not required.

In fact, it is preferred that applicants have no piloting experience!

All suitable applicants will be given the opportunity to fly in an aircraft as part of the selection process.

These trial instructional flights will be offered at a discounted price of just $85 inc. GST.

A short-list of applicants will then be invited to meet with representatives of the Aero Club and Central West Flying to discuss the reasons they would like to be able to fly an aeroplane.

When this scholarship was last offered in 2010 there were 135 applicants with only 6 making it to the short-list.

St Stanislaus student John Downey was the winner and has since joined the RAAF where he hopes to become a fighter / fast jet pilot.

John said the scholarship had helped make his dreams a reality.

“Receiving the 2010 BAC and CWF flying scholarship was an honour and a push towards my present career,” he said.

“Before receiving the scholarship I doubted my ability and chances of becoming a pilot and it seemed more like a potential hobby for the future than a career.”

Applications are open now and trial flights will be offered in December and January.

Applications can be made by completing the form on the CWF website at www.centralwestflying.com/scholarship
The Council and Head of College have pleasure in inviting you to the

**ANNUAL**

**Presentation Day**

**JUNIOR SCHOOL PRESENTATION DAY**
Thursday, 8th December 2016 at 9am

**Volunteers still needed to keep ASC beautiful**

The ASC Beautification Of Grounds committee is looking for more volunteers.

If you would like to come along and help to beautify the grounds at the College, we will be meeting outside the Junior School Office every Thursday morning from 9am to around 11am until the end of this term.

If you would like to help but can’t make that time, please text Trudy O’Connor on 0408 004 044 and we will come up with an additional time that may suit other avid gardeners!

Remember to bring your own gardening utensils and a hat!
Thanks to the wonderful gardeners who have helped so far.

Trudy O’Connor

Each year All Saints’ College offers students who are Australian citizens a number of Scholarships. The following categories of scholarships will be awarded to students who will be entering Years 5, 7, 9, 10 and 11 in 2018:

• **Academic Scholarships (Years 5, 7, 9, 10 and 11)** are awarded essentially on the basis of the results obtained in the annual cooperative ACER scholarship examination. Applicants should have a commendable academic record supported by a personal resume showing academic and co-curricular achievements. Applicants who are new to the College will also be invited to an informal interview.

• **Head of College Awards (Years 7, 9, 10 and 11)** are made on the basis of the results obtained in the annual ACER examinations as well as on the applicant’s co-curricular achievements. Head of College Awards are by definition not scholarships but are a recognition by the College of the contribution to be made by a genuine all-rounder to the life of All Saints’ College through their participation in all aspects of school life. A comprehensive resume demonstrating the candidate’s achievements is required and applicants who are new to the College will also be invited to an informal interview.

• **Music Scholarships (Years 7, 9, 10 and 11)** are awarded to students who have attained a high level of instrumental performance achievement for their age level. Music scholarships are awarded on the basis of the results obtained in the annual ACER scholarship examinations. In addition, music scholarship candidates are required to prepare for a short audition and to sit a simple theory/aural test. A comprehensive resume demonstrating the candidate’s background and musical achievements is required and applicants who are new to the College will also be invited to an informal interview. A confidential report from the current instrumental tutor is also required.

---

**2018 All Saints’ Scholarship Applications Open Now**

Applying for Scholarships
All Saints’ College participates in the national ACER (Australian Council for Educational Research) Cooperative Scholarship Testing Program. Applicants sit the examinations (usually at All Saints’ College) in late February of the year prior to enrolment. For example, for those wishing to apply for a scholarship for Year 7, the candidate must sit the examination while currently in Year 6 – having registered for the examination towards the end of Year 5.

For further details please contact the College: admin@saints.nsw.edu.au
Nationally Consistent Collection of Data on School Students with Disability

Background to the Nationally Consistent Collection of Data on School Students with Disability

In May 2013, all Education Ministers from Commonwealth, state and territory governments endorsed the implementation of a nationally consistent collection of data on school students with disability in all Australian schools (government, independent and Catholic).

The nationally consistent approach to data collection provides all Australian schools, education authorities and the community with a clear picture of the number of students with disability in schools and the adjustments they are provided to enable them to participate in education on the same basis as other students.

Authority for the collection of information for the purposes of the NCCD

The Australian Education Regulation 2013 (the Regulation) (www.comlaw.gov.au/Details/F2014L01723) requires the operators of government and non-government schools (approved authorities) to provide information to the Australian Government Department of Education and Training (the department) for the purposes of the NCCD.

The information that approved authorities must give to the department is set out at subsection 58A(2) of the Regulation. This includes, in relation to each student with a disability at a school operated by the approved authority:

- the student’s level of education (i.e. primary or secondary)
- the student’s category of disability (i.e. physical, cognitive, sensory or social/emotional)
- the student’s level of adjustment (i.e. support provided within quality differentiated teaching practice, supplementary, substantial or extensive adjustment).
The information **will not identify individual students** (subsection 58A(3) of the Regulation); no information that could reasonably enable the department to identify individual students will be provided by approved authorities to the department\(^1\).

Other details about the information to be collected and the format in which the information is to be provided to the department, will be contained in guidelines approved by the Education Council (the committee of the Council of Australian Governments comprising the Commonwealth and state and territory Ministers responsible for education). The NCCD guidelines are available on the department’s website at [www.education.gov.au/nationally-consistent-collection-data-students-disability-guidelines](http://www.education.gov.au/nationally-consistent-collection-data-students-disability-guidelines).

**Collection and disclosure of school level information**

The information collected by schools for the purposes of the 2016 national data collection will ultimately be provided to the department. In some cases this will involve the school passing the data directly to the department and in other cases the school will provide the data to its state and territory government agency or other relevant body, depending on the school’s particular arrangements. The state and territory government agency or other body will further de-identify school level data, and may aggregate the data at the state and territory level, before providing the data to the department.

The department, on behalf of the Joint Working Group\(^2\), will use the information collected for the purposes of preparing reports for and briefing the Australian Education Systems Officials Committee and the Education Council in relation to the NCCD. For the purposes of preparing these reports or briefing material, the department will ensure that the information is aggregated sufficiently so that no student’s identity could reasonably be ascertained.

The aggregated information held by the department may also be used as an input to policy development for future funding and other policy requirements as required by the Education Council.

---

\(^1\) In the event that NCCD information given by an approved authority to the department does indirectly enable the department to reasonably identify an individual, the disclosure of that information by the approved authority, and the collection of that information by the department, are both authorised by law for the purposes of the *Privacy Act 1988* (Cth). Nevertheless, the department will seek to de-identify NCCD information that inadvertently contains identifying information.

The department’s Privacy Policy, including further information about how individuals can access and correct personal information the department may hold, or how to make a privacy complaint to the department, is available at [www.education.gov.au/privacy](http://www.education.gov.au/privacy).

\(^2\) The Joint Working Group to Provide Advice on Reform for Students with Disability is comprised of representative members from all state and territory government educational authorities, Independent Schools Council of Australia, the National Catholic Education Commission, the Australian Curriculum, Assessment and Reporting Authority, and the Australian Government.
The department will not otherwise disclose any personal information to third parties, including overseas recipients, without consent or unless authorised or required by law.

**Contact**

For further information about the collection, use or disclosure of information for the NCCD please contact: SWDPolicyTeam@education.gov.au.
