**SPRING SPECTACULAR THANKYOU**

Wasn’t the weekend fantastic! The Spring Spectacular was a triumphant community event due the hard work of many people. Our thanks must go to the P & F together with the many parents, staff, and students who prepared and manned stalls throughout the day. Many believe it was the largest gathering for some years.

**HSC MARKING**

Examiners from BoSTES were at the school yesterday for the marking of D & T projects. The Individual Projects and Design Folios were under scrutiny with marks from these contributing significantly to their final HSC mark. Examiners for the HSC Music practical were here on Tuesday and by all accounts, the boys’ performances went well. I am sure it is a load off their minds.

**GRAND TIME FOR HOCKEY AND NETBALL**

The Open Hockey team played their major semi-final last Saturday and despite an early lead, sadly lost in golden goal in the first period of extra time. They then played Oberon last Monday for the right to be in the Grand Finals and won a very intense game. The 15s had a tremendous win against Souths and they will defend their title as 15s premiers this Saturday.

Last Saturday was the preliminary finals for Netball and unfortunately, the 3rds and 16 Reds lost by only a few goals in tightly contested games. The Colts and 14 Reds will be playing this Saturday in the Grand Finals. Support for all teams would be fantastic and students are reminded that school uniform is the appropriate attire.

**SAD SHOES**

I am somewhat dismayed at the state of some of the shoes; the boys in particular, are wearing to school; perhaps a function of the end of term drawing near. Some look like polish was only applied when they were worn for the first time. I ask that parents assist in supporting my push for cleaner shoes particularly as the Benefactors Service and Year 12 farewell take place next week. I am sure some of you will be disappointed with their appearance.

**FAST FACT:** - The Woolly Mammoth was around when the Egyptian Pyramids were being built

Reds hoping for perfect end to perfect season

The Under 14 Reds will be attempting to accomplish a rare feat when they contest the BNA Under 16B Netball Grand Final on Saturday - an undefeated season.

The Reds have been the benchmark team all year and will go into the decider against Bulldogs Blaze as deserved favourites.

Coach Mrs Trudy O’Connor said she couldn’t be prouder of the girls.

“The team has matured from a good team at the beginning of the season to a great team in time for this weekend’s Grand Final,” she said.

“The skills and tactical knowledge of every girl, along with increased fitness as the season progressed, has seen them take first place on the ladder with the extra achievement of being undefeated.”

The team’s major semi final win, also over the Bulldogs Blaze, highlighted their determination with only 6 players available.

“As a coach, I have been delighted, but not surprised at how this team can gel under stress to keep calm and play their game,” Mrs O’Connor said.

“If they bring their A game we should have a very good chance of taking the trophy.”

A grand final win would also be the ideal preparation for the Reds assault on the NSW Netball Schools Cup State final next Tuesday at Netball Central, Homebush.

The Reds are one of two ASC sides gunning for premiership glory on Saturday with the Colts taking on the Triumph Storm.

ASC will go into the match slight favourites courtesy of their 6 goal win over the Storm in the major semi two weeks ago.

But there hasn’t been much between the two sides this year with the Storm beating the Colts 33-30 in their first encounter and ASC returning the favour 33-21 in the second.

The Storm finished as minor premiers, three points ahead of ASC with an average of 30.5 goals for and 23.4 against per game.

But despite finishing second ASC were superior in scoring with an average 40.7 goals for and 22.7 against per game.
ASC’s opponents will be seeing double in hockey deciders

Hockey Grand Final Previews

Most people are lucky if they play in one grand final in their lifetime but a group of All Saints’ girls will play in two in one day at the Cooke Hockey Complex on Saturday.

No less than 9 members of the ASC Open side that will take the pitch against St Pat’s Blue at 8:30am will back up again for the ASC 15s in their decider against Souths at 10:30am!

It sounds like a recipe for double trouble but the ASC teams have been managing it all year and have every right to think they can do it again on Saturday.

The Opens face the toughest task having taken the hard road to the decider after a heartbreaking loss to St Pat’s in golden goal extra time last Saturday landed them in sudden death against Oberon on Monday night.

ASC were looking comfortable with quick goals to Lauren and Grace but Oberon worked their way back into the game with 2 penalty corners tying the scores 2-2 at half time.

Grace gave ASC the lead after converting a penalty stroke with 18 minutes to go but it was a tense finish as the girls hung on grimly.

It was a great team effort with Phoebe Reynolds doing some great work in goals!

The Under 15’s took the quick route to the grand final with a solid win over Souths in the major final last Saturday.

It was a particularly strong effort given that the 8 girls backing up from the Opens team had to put aside the disappointment of their earlier loss.

Ailee scored before half time, and two goals to Grace in the second half gave the girls an unbeatable 3-0 lead.

Tilly and Ellen provided great opportunities out wide while Emma, Ellie, Georgie, and Indy were enterprising in attack.

Grace, Lucy, Rachel, Sami and Bridget controlled the game well and Natalia, Ella, and Shae were, as always, solid in defence.

Defending champions in the under 15s, the girls will be favourites to extend their reign having finished the season undefeated with 59 goals for to just 5 against.

They gave also beaten Souths each of the three times they have met, including the major semi. The Opens have a slight advantage over their opponents having beaten Pats in both regular season matches 4-2 and 1-0 but they will need to rebound from their extra time loss to the ever improving Blue and Whites if they are to lift the trophy.

Action from last Saturday’s open major semi-final loss to St Pats Blue. ASC are hoping to turn the tables in Saturday’s decider.

Thanks parents we wheely couldn’t have done it without you!

Spring Fair Thanks

ASC Year 7 class parents would like to send a huge thank you to all parents of the school for supporting this year’s Chocolate Wheel and Chocolate Toss at the Spring Fair.

Your generosity was incredible and we really were overwhelmed by all the help we received.

Special mention to all the Year 7 parents who contributed to the stalls and a very big thank you to: GORGEOUSNESS HOME, GORGEOUSNESS, RAPUNZEL’s HAIR CASTLE, TRINITY HEIGHTS IGA, BAKE, TABLE AND TEA and FISH RIVER ROASTERS.

Each year All Saints’ College offers students who are Australian citizens a number of Scholarships. The following categories of scholarships will be awarded to students who will be entering Years 5, 7, 9, 10 and 11 in 2018:

- **Academic Scholarships (Years 5, 7, 9, 10 and 11)** are awarded essentially on the basis of the results obtained in the annual cooperative ACER scholarship examination. Applicants should have a commendable academic record supported by a personal resume showing academic and co-curricular achievements. Applicants who are new to the College will also be invited to an informal interview.

- **Head of College Awards (Years 7, 9, 10 and 11)** are made on the basis of the results obtained in the annual ACER examinations as well as on the applicant’s co-curricular achievements. Head of College Awards are by definition not scholarships but are a recognition by the College of the contribution to be made by a genuine all-rounder to the life of All Saints’ College through their participation in all aspects of school life. A comprehensive resume demonstrating the candidate’s achievements is required and applicants who are new to the College will also be invited to an informal interview.

- **Music Scholarships (Years 7, 9, 10 and 11)** are awarded to students who have attained a high level of instrumental performance achievement for their age level. Music scholarships are awarded on the basis of the results obtained in the annual ACER scholarship examinations. In addition, music scholarship candidates are required to prepare for a short audition and to sit a simple theory/aural test. A comprehensive resume demonstrating the candidate's background and musical achievements is required and applicants who are new to the College will also be invited to an informal interview. A confidential report from the current instrumental tutor is also required.

**Applying for Scholarships**

All Saints’ College participates in the national ACER (Australian Council for Educational Research) Cooperative Scholarship Testing Program. Applicants sit the examinations (usually at All Saints’ College) in late February of the year prior to enrolment. For example, for those wishing to apply for a scholarship for Year 7, the candidate must sit the examination while currently in Year 6 – having registered for the examination towards the end of Year 5.

For further details please contact the College: admin@saints.nsw.edu.au
Are currently taking expressions of interest for any student/s that may be interested in a career as a

Heavy Diesel Technician
Spare Parts Interpreter

Our **Apprenticeship Program** allows eligible high school graduates to complete a 12 month traineeship in our Spare Parts Department, at the conclusion of the 12 months you will be a fully qualified Spare Parts Interpreter (MTA: Cert III in Automotive Sales).

On completion of your Spare Parts Interpreter traineeship you are then eligible to commence a 4 year Heavy Diesel Technician apprenticeship with Three Rivers where learning is obtained through TAFE (Cert III in Agricultural Mechanical Technology) and on the job training & mentoring.

To be eligible for our graduate program a student must:

- have completed their Higher School Certificate;
- have a good attitude and work ethic; and
- possess a willingness to learn;

If there are any students not currently in year 12 but who would be interested in future years we would also be happy to discuss any opportunities for work placement.
