BRAIN BEE
Three of our students Rose Denovan, Charles O’Neill and Victoria Westenfelder were selected to compete at The Brain Bee 2016 NSW State Finals, held last Monday at the School of Medicine, Western Sydney University.

Their achievement in the Regional Round placed them in the top 10% of students in NSW.

This year 109 students from more than 30 schools across the state came together for the State Finals.

The students competed in the individual challenge, answering anatomy and physiology questions on topics relating to the structure and function of the human brain.

Students, teachers and parents attending the finals also benefited from presentations delivered by UWS academics on interesting aspects of neuroscience, as well as enjoying an interactive neurophysiology workshop.

VOICE
Voice NSW, a unique public speaking competition for students in Year 7-10, will be held in the Kemmis building tomorrow from 10:00am.

Voice invites students to solve issues that affect their community, our nation and the world. From homelessness to climate change students pitch their big ideas.

Best wishes to Georgia Poole, Charles O’Neill, Ella Lewis, Chloe Peterson, and Digby Sharpham.

EDROLO
The school is working with Edrolo with our Year 12 cohort (which means you may already have heard of it).

Edrolo is a comprehensive, premium, online, interactive video and examination simulation resource for the HSC.

Edrolo is providing our students with a differentiated and targeted level of support as they prepare for their most important exams and we encourage you to discuss how your child is working with the resources as they prepare for the HSC in a few weeks.

So far, more than 161 hours have been viewed by our students, 2,200 lessons viewed and 330 quiz questions answered on syllabi.

The trial of this programme will continue until the HSC and we hope this resource will compliment revision undertaken by our teachers.

ASC Netball News

Four ASC netball teams will commence their quest for premiership glory this Saturday.

The 16 Red, 14 Red and Colts teams will be attempting to qualify for the grand final in major semi-finals while the Thirds will be battling for their lives in a sudden death minor semi.

All look to have strong claims, in particular, the 14 Reds who finished as unbeaten minor premiers in 16B grade. They will take on Bulldogs Blaze in their major final and will go in with plenty of confidence after a crushing 50-4 win over Bathurst 12 D Reps in the final round.

ASC also have the psychological edge over their opponents having beaten them on both occasions they met this year, 41-25 and 40-14.

But while 14 Red will go into their game as favourites 16 Red will be underdogs in their 16A grade clash with Panthers Renshaws.

If ASC is to be the first side into the grand final they will need to hand Panthers Renshaws their first defeat of the season, a difficult but definitely not impossible task.

ASC go into the match off a one-goal loss to Bathurst 13 Dev Reps while Panthers easily accounted for Bathurst 12 Reps 36-14.

The Colts will also be looking at a close game with Triumph Storm but will need to bounce back from their last round defeat by Eglinton Thunder.

Triumph Storm won the first clash of the sides 33-30 while ASC took the second 33-21.

Unlike their compatriots, there are no second chances for the ASC Thirds who face a tough elimination semi battle with Eglinton All Stars Eagles.

There hasn’t been much between the teams this year with their first clash a 24-all draw and ASC winning the second 32-20.

If the thirds win they will more than likely face LJ Hooker Hits in the preliminary final with the Hits at long odds to beat the imperious Panthers GJ Gardners squad.

Panthers GJ Gardners lost just one match (due to forfeit) in the regular season and finished with a massive 827 goals for and just 95 against.
