SPRING SPECTACULAR

Spring is nature’s way of saying, “Let's party!” ~ the late great Robin Williams. The party is well and truly on this weekend with the combined Festival of Art and Spring Fair under the banner of the “Spring Spectacular”. A reminder that Sunday’s event is compulsory for students and if by chance this clashes with an important function, I will need to know. See you there.

HSC PRACTICAL MARKING

Examiners from the BoSTES were at the school last week for the marking of the Drama students individual and group performances. By all accounts, it went well.

The Music performances will be marked next Tuesday and the D&T major works on Wednesday. Artworks were packed yesterday and sent to Sydney so it is all systems go at the moment.

I am sure the students will be relieved when their practicals are over and they can concentrate on the theory in all their subjects.

EARLY ENTRY

A number of universities provide an early entry scheme to some courses with CSU being one such institution. It can take the load of one’s mind if a place is guaranteed even before HSC results are published. These will be closing within a week or so, so students must complete applications ASAP. I need to have some idea of what they are applying for so I can make an informed recommendation to these institutions as well.

HICES DEBATING AWARDS

Mr Fahey, debating coach extraordinaire, will be taking Natalia Burgess Yr 8, Bethany McCumstie and Charles O’Neill Yr 10 to the awards ceremony today. These students have been recognised as some of our top debaters and it is pleasing that they have been chosen amongst the 40 or so HICES schools.

FAST FACT

The mimic Octopus can not only change colours but will mimic the shape of other animals like the flounder, lionfish and sea snakes.

Thought:- Ask yourself this question: “Will this matter a year from now?” Richard Carlson, writing in ‘Don’t Sweat the Small Stuff’

Two ASC teams advanced directly to the BNA Grand Finals last Saturday.

The all conquering ASC 14 Reds maintained their unbeaten run with a 24-20 win over Bulldogs Blaze in the 16 B competition while ASC Colts defeated Triumph Storm 31-25.

Both matches were close affairs with the Reds being held to a sub 15 goal winning margin for first time since their 24-22 defeat of Bulldogs Diamonds in round two.

The ASC 16 Reds will have to take the long road to the grand final after losing their 16A major final to Panthers Renshaws 36-15.

The 16 Reds will now back up this Saturday against Bulldogs Divas in the preliminary final.

The Divas go into the game off a solid 26-12 win over Scots Gold in the elimination semi-final and are sure to be tough opposition having lost by just 2 goals to ASC in their only regular season clash.

The ASC Thirds are also still alive after defeating Eglinton All Stars Eagles 28-12 in their elimination semi-final last Saturday.

They will now play for a spot in the C Reserve I grand final this Saturday against LJ Hooker Hits, who were comprehensively beaten by the powerhouse GJ Gardners team in the major semi-final.

It should be a thrilling encounter with only three goals separating the teams in their two regular season clashes.

Each year All Saints’ College offers students who are Australian citizens a number of Scholarships. The following categories of scholarships will be awarded to students who will be entering Years 5, 7, 9, 10 and 11 in 2018:

• **Academic Scholarships (Years 5, 7, 9, 10 and 11)**
  are awarded essentially on the basis of the results obtained in the annual cooperative ACER scholarship examination. Applicants should have a commendable academic record supported by a personal resume showing academic and co-curricular achievements. Applicants who are new to the College will also be invited to an informal interview.

• **Head of College Awards (Years 7, 9, 10 and 11)**
  are made on the basis of the results obtained in the annual ACER examinations as well as on the applicant’s co-curricular achievements. Head of College Awards are by definition not scholarships but are a recognition by the College of the contribution to be made by a genuine all-rounder to the life of All Saints’ College through their participation in all aspects of school life. A comprehensive resume demonstrating the candidate’s achievements is required and applicants who are new to the College will also be invited to an informal interview.

• **Music Scholarships (Years 7, 9, 10 and 11)**
  are awarded to students who have attained a high level of instrumental performance achievement for their age level. Music scholarships are awarded on the basis of the results obtained in the annual ACER scholarship examinations. In addition, music scholarship candidates are required to prepare for a short audition and to sit a simple theory/aural test. A comprehensive resume demonstrating the candidate’s background and musical achievements is required and applicants who are new to the College will also be invited to an informal interview. A confidential report from the current instrumental tutor is also required.

**Applying for Scholarships**

All Saints’ College participates in the national ACER (Australian Council for Educational Research) Cooperative Scholarship Testing Program. Applicants sit the examinations (usually at All Saints’ College) in late February of the year prior to enrolment. For example, for those wishing to apply for a scholarship for Year 7, the candidate must sit the examination while currently in Year 6 – having registered for the examination towards the end of Year 5.
