SUBJECT CHANGES

As we have just about completed week 4 of term, it is now too late for students to change subjects – teachers are well into their programs and assessment tasks will follow soon.

GRANDPARENTS’ DAY

I hear that many of our Grandparents and special friend are just itching to attend ASC tomorrow and attend school again. Much has changed, I am sure, since their school days and I thank those students and staff that want to make it a great day for them. Year 8 students should have already handed in a permission note if they wish to leave with their Grandparents at the conclusion of the day – tomorrow is too late.

iRISK

This year’s presentation from Motivational Media is entitled iRisk. Parents should have received a letter from me about this worthwhile show. As with past presentations from this company, iRisk will be the catalyst for important discussions in House Period.

SPORTS PHOTOGRAPHS

We had to make some changes to the schedule for summer sports photographs. Next Tuesday will be the turn for Tennis, Touch football and girl’s Basketball teams. Please adhere to correct kit for the photos.

FAST FACT

As an experiment, students sat on stability (exercise) balls instead of chairs. Students who sat on the balls were more enthusiastic and focused. When they were bobbing up and down, they were paying attention and looking at what was going on. Of the 52 students who volunteered to sit on stability balls, 51 said they preferred that kind of seating and wanted it in their other classes. Students said they were better able to concentrate, take notes, and maintain upright posture using the balls, which require the lower-body and core muscles to be engaged.

FROM THE REGISTRAR
Mr Michael Hissey

Having just commenced in the role of All Saints’ College Registrar, I would like to take this opportunity to introduce myself to the community. As an educator, I have a strong background in Independent Schools in NSW as Department Head and teacher. I am very grateful to all who have made me so welcome at All Saints and I hope that I will better get to know our many wonderful families and students over coming months. It is currently the season for ACER Scholarship examinations (for both Primary and Secondary students) and these will be held at the College on Saturday, February 24. We wish all of our large number of aspirant students sitting for the exams the very best of luck.

First impressions are often so important. As Registrar, I have over recent days been conducting a number of tours of the College campus with prospective families. Without exception, every prospective parent remarks on the open and friendly greetings received from our students as they go about their busy days. This week we welcome to Year 8 Laura Van Uum and wish her a very happy time at ASC.

Looking ahead, we are at present planning for the many shows, information evenings and educational expos across NSW for 2012. The first of these informal ‘meet and greet opportunities’ will take place at Lithgow “Workies Club” at 7pm on the evening of March 7, followed by the Sydney Independent Schools’ Expo at Sydney University in the McLaren Hall on the weekend of March 10 and 11. Prospective families very much value meeting our current community members and ex-students and we would very much like to welcome you to any of these events. Finally, if I can ever be of assistance, the door to the Registrar’s Office is always open for you to pop in or please call me on 6332 7313. I very much look forward to meeting you in the near future.
