

Maynard, H.L

(Britten 1901)

The writer could not find any more information on one with these initials, such as on the Official AIF Nominal Roll?

In the National Archives of WWI, there is listed a "*Henry George Maynard 40 from Bathurst.*" His enlistment is indicated as "1916" but, unusually, there is no official dossier on the man?

If this chap was from ASC, leaving in 1901, at say, 17, he would not have been 40 in 1916 rather around 33 in 1916?

One leaves these threads to another, to pursue.
