THE FOUNDATION

Since 1874, All Saints’ College has been providing outstanding education to students throughout New South Wales and in particular those residing in rural areas.

The Foundation, established in 1979, has been intimately involved in supporting the College in maintaining its long history of educational excellence.

The Foundation is governed by a Board of Directors comprising donors from the College community.

The Board of Directors comprises elected members from each Membership level and meets four times each year.

The Board (as Trustees) manages investments in the Building Fund and the Education and Bequest Fund, and raises money through pledges, gifts and bequests.
