The activities help them identify what they have already learned to do and what things they would still like to learn. The children will also explore their feelings when faced with difficulties and identify the need for courage when they try something new. During the week encourage your child to be aware of the importance of learning from their mistakes and trying new experiences.

**ASC Puppies**
The day was cold but the court was hot as Charlotte and Kirrily sank shot after shot. Priscilla’s defence was so hard to get through and Alana and Grace H knew just what to do. Phoebe kept goal Maddy’s passes were clean by the looks of it ASC Puppies are a pretty great team. When the final whistle blew we were in front And the player of the week went to Charlotte Hunt. *By Grace and Mrs Brabham*

**ASC Bunnies**
We won against the Calare Puppies who put in a great effort and showed good sportsmanship. Gena was our player of the match for her winning goal shooting. Nadia, Sara, Ella & Kate also got lots of opportunities to shoot goals, and all girls tried very hard. They showed great team work in the goal circle with good communication and lots of short, sharp passes to get into a good shooting position. Our attack was strong, with Nadia, Kate, Ella, Gena & Sara continually breaking into the open to receive passes, and with the help of some of Sara’s long passes, the ball travelled quickly down the court to our goal circle. Sara also did a fantastic job of repeatedly intercepting the ball from the other team, as did Kate, Ella & Xanthe. Our defence was exceptional, with Samantha, Xanthe, Eliza & Nadia making it very hard for the Calare puppies to pass the ball to their players. Nadia did a great job marking her player & stopping her from getting free to receive passes, and Eliza was very fast to retrieve the ball. There were a few tears in the 3rd quarter with a collision between both teams – Ella fell and broke her arm, so she will be unable to play for a few weeks, but is looking forward to the 3rd quarter with a collision between both teams – Ella fell and broke her arm, so she will be unable to play for a few weeks, but is looking forward to the 3rd quarter with a collision between both teams – Ella fell and broke her arm, so she will be unable to play for a few weeks, but is looking forward to the 3rd quarter with a collision between both teams – Ella fell and broke her arm, so she will be unable to play for a few weeks, but is looking forward to

**ASC Superfrogs**
On Saturday 9th of May the Superfrogs played against the Calare Kittens. Libby and Catie Crampton did some great shooting. Sophie did some excellent bounce passes. Maddie Buckely had to play up. She did some great defence work in the goal circle. Katie was the player of the week. In the end the score was 25 to 10. We played a great game but unfortunately we lost. We would like to thank the coaches Mrs Crampton and Mrs Cant. *Alexandra Corbett-Jones*

**ASC Snowflakes**
Saturday was a cold, windy and unpleasant day. The ASC Snowflakes won our game of netball 9 to 4. We had a very positive game and we all played very well. All of us together played 100%. Most of us stayed in our positions the whole game and we started the real game by getting the first two goals. We were all very dedicated to win as we had a bye the weekend before and we lost our first game. We were only going to fight back and win. Our two shooters Melanie and Maddy shot very well. Congratulations girls we played very well and we will have to play like that for every game. Thank you to Mrs Crofts and Lauren Kelly for being our coaches and assisting us at our game. *Report by Emily Sinderberry*

HOCKEY REPORTS

UNDER 6’S HOCKEY

On Saturday we had another fresh start and we were all rugged up and ready to have fun. Mr Cobcroft ran us through our ball drills. It was then time for Georgie, Isabelle, Charlotte, Charlie, Phoebe, Ethan & Oberon to take on St Pats. Like a swarm of bees we took to our special Under 6 size field with a lot of good attacking and defending. Our team scored a few goals and only let one goal past us. Good team effort everyone. We especially enjoyed our oranges at the end of the game. Well done to Georgie who got the sportsperson of the week. Thank you again Mr Cobcroft for your patience. We would also like to thank Emily and our cheer squad who braved the wind and rain.

UNDER 7’S HOCKEY

Neither wind, nor a threatening sky, could deter the Under 7’s team from turning out in force on Saturday morning. After warming up and a few hits together, two short games were arranged. The team’s first opponents were the young players from Kelso. This was then followed by a game with St. Pats. Both of the games were close and resulted in draws, with the most impressive feature of the morning being the amazing improvement in ability and determination that was displayed by all members of the team. In both games, Natalia, Jono and Darcie all worked hard in defence and made some fantastic tackles, as well as going for a number of runs with the ball. Directing the play from the center were Matilda, Molly, Maddie and Claire, who, with much enthusiasm and ability to gain possession of the ball, helped get the play into the other teams territory. Once again, Ailee showed great skill and dominance in attack, and this resulted in her scoring both of the goals. Everyone in the team put in solid performances, and they should be very proud of their efforts. Thank you to our super-coach, Mrs Gardiner, and also to all of our supporters that came and cheered us on, despite the horrible weather. By Darcie Campbell

UNDER 11 HOCKEY

It was a beautiful, fine morning on Saturday 16th May when the girls took the field in high spirits to play against the St Pats Blue team. All Saints dominated the play in the first half with excellent work done by the forwards – Erin, Simone, Phoebe, Amelia, Rachel, Lucy and Tirah. The halves let little get past them and kept feeding the ball to the forwards. However, by half-time there was no score. It was during a penalty corner, early in the second half, after Anna hit the ball out strongly that Sarah trapped it, took it into the circle and fired, resulting in our first magnificent goal. St Pats were not to be outdone and came back strongly, catching our defence napping and scored an equaliser. The rest of the match though, they kept on their toes with Ella, supported by Maddy, letting little past. Johanna did well to block a few goal attempts but was little troubled during the rest of the game. During another penalty corner Sarah repeated her performance to put us ahead 2-1. Towards the close of the match, Julia, playing her old position of wing, showed superb touch in scoring a third goal. Special commendation goes to Erin, Anna and Sarah for their strong play throughout the game and the two inners, Lucy and Simone, who turned the game around on a few occasions. This resulted in Simone being awarded player of the week. Congratulations, girls, on a game played in excellent spirit and thrilling the spectators! Mrs R. Clements Coach

10 YEARS JAGUARS

This week saw All Saints do our annual trip out to Oberon. And the weather this year was pretty much the same as last year. Cold, wet drizzle with a strong wind. So the few brave Dad’s huddled under an umbrella and the even braver kids led by Coach Geyer took to the field. The Oberon team shone on their home field with the cold weather and grabbed a couple of early goals. Once we gathered our momentum, we held them at bay with good passing and quick passing. However, the Oberon team ran in a total of 5 goals for the match with our team not finding the net this week. David and Sam were excellent goalies and Sam had a strong week. THANK YOU

Thank you to all of the parents who helped in the soccer canteen last Saturday. I was delighted by the effort that our school made and am most grateful for your support.

Fantastic weekend at Dubbo Boarding Expo. Eliot and I met many very interested families for the next few years from all over NSW. As always very exciting to see and hear the active and genuine interest from these prospective families. The message coming across to us was that families are looking for schools closer to home that still have that regional/country feel. As most of you know I have no qualms about extolling the virtues of our College.

Reminder again that Transition applications and Kindergarten enrolments for next year close next week. Kindergarten places are becoming very limited already, so please email me or call me to confirm your plan. Absence of a response will indicate that you will not be requiring a place for next year.

Another reminder too Year 7 information evening: 19:30 – 20:30. Please RSVP for catering purposes (as detailed on your recent letter from Dr Peter Miller). If you know anyone that is thinking of All Saints’ as an option for their child please bring them along. It certainly will be a great night with relevant information for that next big step.

Coonabarabran Horse Expo. On another note which again demonstrates the level of commitment from our students and parents (without whose support none of this would be achievable) is our pending Coonabarabran Horse Expo. We again have another strong team entered. Competing from Saturday, 30 May concluding with the Grand Parade Tuesday 2 June 2009. This includes all equestrian disciplines. The girls and boys entered show real dedication as this is over and above their normal school sporting commitments. This is another event in which it is great to show off the school community so a huge thank you to Annie Phillips as Team Manager and all the other parents that have rallied around to make sure that both horse and rider make it there.

PRIZE TO BE WON - bottle of Elliot Rocke wine (red or white. Just as a little piece of fun (and serious) market research we have been running some ads on the radio. Can you tell me what they were for and on which radio station? Even if you haven’t heard them let me know. Send to j.thompson@saints.nsw.edu.au
