The students visited Parliament House, the Australian War Memorial, the Electoral Commission, the National Museum of Australia, the Royal Australian Mint and the National Film and Sound Archives. The students were kept very busy and behaved beautifully. This excursion was partly subsidised and supported by the Parliament and Civics Education Rebate (PACER) programme. Thank you to Carina Card for her assistance on this excursion.

**Final reminder** for confirmation of movements for your transition child/ren for next year into Kindergarten.

**Don’t forget** to submit applications if you have not done so already for Transition next year. We have had a huge response already. If you know friends who have been talking about it and haven’t quite done anything yet then direct them to our website and download the application for enrolment forms. We will be contacting those of you that have applied over the next couple of weeks for interviews.

**Places for Transition and Kindergarten will be finalised before the end of this term** if anyone has any questions then please do not hesitate to contact me.

**Year 7** information evening Tuesday 2 June 2009 for all families of current Year 6 students and those looking at year 7 form elsewhere. Please RSVP to reception as refreshments will be provided.

**Mudgee Field days** 24th and 25th July. They are just around the corner (last week of the school holidays). Now as always we will be there having a great time. Whilst being part of the atmosphere we will also be sharing the All Saints’ story with those that are not as lucky as us, YET. I would love to have the support of families and students during those couple of days as our students are a credit to us and prospective parents and children thoroughly appreciate the opportunity to talk to our real students and families. It would be fantastic if you are interested. Come and help support us during that weekend. If you are able to, please contact me and let me know what you and/or your children can do? Any ideas too about different activities or themes we can run while we are there are always gratefully received as we have all been to these days looking for information etc.

**Winner** of last week’s competition to name and place the current ads we are running is……………… MARK WALDREN Extraordinary! Such speed and accuracy so a bottle of Red is coming your way.

**Feedback** is always truly appreciated whether good, bad or indifferent. It is the only way we can keep on improving what we are doing so keep the communication flowing.

I am approaching my 1st anniversary in this role and continue to look for improved ways in which I/we do things. We are starting the process of confirming our new families and preparing them for next year. Cast your minds back to your entry into the College. For some of you it will be a long time ago, but you will have watched and seen what has changed over the years. For those that have joined more recently, what do we do well and what are the things you would have liked to know or have before you started?

As always give me a call 6332 7313 or email j.thompson@saints.nsw.edu.au. I know I am not the easiest person to track down some days, but I will always get back to you.

**GOOD LUCK** to all of our equestrian team and supporters. The children start competing Saturday morning. Let’s hope, for once, that the rain misses Coonabarabran otherwise all of us “campers” will be in a sorry state when we return to school next Wednesday. Perhaps we could all share the hotel room with the Miller family who will be there supporting us over the weekend. (....could be cosy...)

ASC Superfrogs

On Saturday 23 May the Superfrogs had a tough game against the Collegian Coyotes. Even though we went down 15 to 7 our passing down the court was great and our bounding and intercepts were exceptional. Emma and Katie were excellent in defence even though Katie had hurt her finger. We did very well in the 2nd half slowing the ball down. Sophie, Isabelle and Hannah did well in the centre court. Libby and I enjoyed shooting. Our team work is improving every week. Emma received the player of the week medal. By Catie Crampton.

ASC Snowflakes

Saturday was a cold and miserable day but the All Saints’ College Snowflakes bravely turned up for the game. It was a tough game playing against the Collegians Comets but the girls pulled through with many goals, but sadly all those goals weren’t enough to win the match. Melanie Lo, along with Sophie Stockman and Maddy King were saving the day by shooting our goals but we all helped to shoot those goals. Thank you to Lauren and Mrs Crofts coaching us and making this happen and thank you to Mrs McClelland for managing our team as Mrs Crofts was away. Report by Sarah Goodman.
8 YEARS PANTHERS

The Panthers won their game against Bathurst 75 Storm on Saturday, 23 May 2009 three to one. The special guest player was Tim Jackman. Kian kicked the first goal. The goal of the game was a powerful kick by Bailey Jardine to Tim Jackman, who skillfully directed the ball on into the goal. Bailey also put constant pressure on the Storm players and was chosen player of the match. Sam Nugent also scored a great goal just before full time. All of the Panthers showed much better passing and keeping up with the other players. Mr Cant

8 YEARS LIONS

Not quite the equal of an FA Cup Final, Saturday’s game between the Lions and Bathurst 75 still had its memorable moments. With a number of our regular players missing for this match, we were very grateful for the assistance of Ben Cant, Charles Crowley and Kian Blackshaw. 75’s were very strong attacking players and on many occasions they broke through our defences. We had some shoots at goal, with the ball striking the goal which all but put the match out of reach for our team. The final minutes saw Red Tops score two more goals to claim a convincing victory. Marcus Milton was awarded the Player of the Match award for his determined effort in defence throughout the match. Despite the loss there were lots of positives to come from the game. In particular, Baden Sinclair’s fearless display as goal keeper continues to be an inspiration to his team mates. The boys were encouraged to take heart from the defeat and continue to think about how their performance could be improved. Mr Redpath

7 YEARS TIGERS

Last Saturday the Tigers played the Tomatoes in a wonderful match. The Tomatoes are a very strong team, but our boys played wonderfully throughout the game. Hugh Miller is becoming such a strong player and he continues to kick the ball hard in defence and attack. Ben Cant dribbled the ball very skilfully and scored some great goals. Sam Hope played very well in attack and defence and did some excellent kicks. Sean Gardner chased the ball well in the game and he made some terrific runs with the ball. Zachary Haynes played wonderfully and scored his first goal ever! He was awarded with the Player of the Match award at the end of the game. Well done on a great match Tigers. Mr Cant

7 YEARS CHEETAHS

We had a very even match down at Proctor Park at the weekend. The sun was shining through and the 7’s Cheetahs were superstars. Harley Goodman received the player of the match for all round good team work and skills. Angus McLean secured some great sideline kicks. Dun Yeo Foo worked hard at turning the ball around to our advantage. James Denovan was quick on his feet chasing the ball in attack. We were lucky enough to have our guest star player Andy Jackman again this week. Thanks Andy! We took on the Bathurst 75 Lightning and came out with much improved skills and we had fun. Well done for being such good sportsmen Cheetahs. Miss Keene

8 YEARS CUBS

The Cubs ran on the field with a small group of four this week yet with as much enthusiasm as previous weeks, the team tackled the opposition willingly. Joey, Megan, James and Patrick all worked well together but missed the talented “Baxter Boys” who were away. Our team displayed great kicking and running. By half time, All Saints led with 3 goals. Yet the full time score was 5 - 3 against All Saints which really didn’t reflect the great effort our team put in. Indeed without the great goal defence shown by Patrick and James, the Bathurst 75 Blue Bristles might have scored more. Player of the Match went to Megan for all 3 goals for All Saints. Well done everyone for such great team work so early in the season. Mr Redpath

6 YEARS COUGARS

The Cougars came together again on Saturday for another exciting match this game against the Bathurst 75’s. With the focus on tackling last week at training the Cougars had plenty of opportunity to put the skill into action and boy did we see some tackling. With boots hitting boots and importantly the ball, the Cougars often surprised themselves with possession and opportunity. There were many great runs. Tyrese demonstrated that he has the speed, he was often the first in possession with the opportunity to enhance the play. Joey, birthday boy, and player of the match displayed courageous play. With many bumps and thumps he was able to stand strong and offload to his team mates. Jack found himself in possession all alone on a number of occasions. His attempts at goal were just so, so close. Travis’ early strike was a winner. He was engulfed with pride as the ball passed through the goal, what a great achievement! Lachlan was particularly involved in the final half of the match, his great kick-ins enabled his team mates to do something special with the ball. Mitch’s memorable moment was the trapping of the ball just metres away from our goal, a great save! Tyler again displayed terrific attacking skills, he found his match in the opposition during the second half and marked him well. Another game of pure entertainment, well done Cougars! Mr Nelson

7 YEARS LEOPARDS

Neither wind, nor a threatening sky, could deter the All Saints Leopards from putting in their best efforts against the Barnson Bullets. Andy Jackman started with a great pass to enable Max Byslma to score very early in the game. Angus Parsons scored soon after with a beautiful pass up the field from Tyler Sharwood, who enjoyed his keen chase across-field. A second goal from Max to make it 3-0. Ethan Errington narrowly missed his nice attempt at goal in the first half but was rewarded with a great goal in the second, following some terrific teamwork. Angus Parsons delighted us all with some amazing ball skills topped off nicely with massive controlled kicks. Excellent passing and great sideline kicks were a feature of Geordi Errington’s game. Andy and Max both dominant on the field, each finishing with a hat-trick of goals. A fun game ending in an 8-1 scoreline. Ethan was awarded the team-medal this week and the joy of washing shirts. Mrs Sharwood

6 YEARS PUMAS

The Pumas took on Red Tops on the weekend and played a spirited match against a tough opposition. The Red Tops were certainly worthy opponents and scored two early goals in the match. Our boys responded very well and began to pass the ball with greater control as the first half drew to a close. Just before half time Lachlan Wilkinson scored a wonderful goal with an elevated long range kick that evaded the keeper and found the back of the net. At half time the boys rested and spoke about the need to get to the ball first. They took this on board and returned to the field with greater intensity. Red Tops however, were equal to the task and managed to score a third goal which all but put the match out of reach for our team. The final minutes saw Red Tops score two more goals to claim a convincing victory. Marcus Milton was awarded the Player of the Match award for his determined effort in defence throughout the match. Despite the loss there were lots of positives to come from the game. In particular, Baden Sinclair’s fearless display as goal keeper continues to be an inspiration to his team mates. WAS & HICES Cross Country Carnivals

Congratulations to all of the students who participated in the WAS and HICES Cross-Country carnivals held at Blue Mountains Grammar over the past couple of weeks. The runners ran in age groups and faced up to 50-60 other competitors in each event. The younger athletes, 8, 9, & 10’s, ran 2km whilst the 11,12 & 13’s ran the 3km course.

The course had it’s own challenges, namely a track through the bush ending with a steep incline that eventually took the runners up onto a level plain. But whilst it was quite different to our school course our runners gave it the thumbs up.

The spectators were fortunate enough to see the runners complete the final 400m of the course and thus saw some fantastic finishes. A further congratulations must go to David Cant who was placed 9th and to Thomas Geyer who was also placed 9th in their respective age groups. These two boys competed with terrific determination and spirit and will represent HICES at the CIS carnival on Thursday the 28th of May. We wish them the very best of luck.

Other runners in the top twenty five include:
Lachlan Buckley 19th
Charles Crowley 26th
Rachel Corbett-Jones 12th
Amber Stockman 23rd
Cameron Redpath 12th
Sophie Cant 13th
Lucy Anlezark 20th
Lily McClelland 20th

All Saints’ was placed 4th in the aggregate pointscore. Kay Nelson (Team Manager)
