**Trivia Night**

Thank you to Mrs Paula Elbourne and her band of assistants for conducting a fantastic trivia night last Saturday. The questions were challenging, the competition was hot and a night of fun was had by all. Money raised at this function will be used by the P & F to pay for new blinds for classrooms and for new home readers for the infants.

**TAKING OPPORTUNITIES**

We further develop the idea of belonging this week in Peer Support. Having looked at the role of family last week now we look at our network of friends. The children identify all the groups to which they belong and the friends they have in each group. The activities are designed to encourage the children to appreciate the wide network of friends they have and the importance of humour between friends.

Discuss with your child the ways they have chosen to cope with the importance of humour between friends.

Netball Reports

Saturday was another busy day for netball and there were some fantastic games played. Thank you to all the parents and supporters who come along each week to cheer on the players. It is greatly appreciated.

- Clubhouse Duty Thank You
A huge thank you to the ASC Puppies’ parents who did clubhouse duty on Saturday. After initial organisation I was confident that the duty would be taken care of, and it was. Thanks again to everyone who helped and, by all accounts, were able to make it somewhat enjoyable!

- Umpiring Thank You
We are fortunate to have some wonderful secondary girls who do most of our umpiring. In the last few weeks for a variety of reasons I have had to call on some other girls to fill in at very short notice. I would like to acknowledge the help of Courtenay Moller, Emily Brabham, Emily Sinderberry and Sophie Stockman who all did a magnificent job. Thanks so much.

- Holiday Game
Just a reminder that the first Saturday of our holidays (4th July) is not yet a holiday for others schools so Netball will be on. Fortunately, U12A Snowflakes have a bye but all other teams have games. Please let coaches know if you will be heading away on holidays and unavailable to play. Gabrielle Darlington

ASC Puppies

We had a wonderful game on Saturday the 20th. The weather was great although it started getting a bit cold at the end. We played against the Collegians Little Stars who were very energetic. Goals were scored by Phoebe, Amber and Charlotte. Priscilla continued with her amazing intercepts and Grace B executed a fantastic dummy throw which took everyone by surprise. Kirrily’s great defence was second to none and earned her Player of the Week. Alana defended beautifully which got the ball down to our side ready for the goal shooters. Grace H was focused and was always ready for the passes that came her way. Overall we played really well and the scoreline was a well deserved victory. Report by Charlotte Hunt

ASC Bunnies

On Saturday the All Saints Bunnies played the Eglinton Mermaids. The Mermaids had a height advantage but our girls used their speed and accurate passing skill to bamboozle them. Nadia, Eliza and Gena did a great job defending our goal. They stopped many attacking raids from the Mermaids. They showed great skill and enthusiasm to get the ball up the court to our shooters. The girls up front, Samantha, Sara, Kate and Xanthe played like they have been playing for years. The girls are showing great improvement each week. Samantha was the player of the week. Well done Samantha. Ella cheered the girls on from the sidelines. The Bunnies put up a brave fight but were defeated in a close game, 2 goals to 1. The goal scorer was Xanthe.

Cumnock Knockout Competition

Superfrogs was our team name. A fine combination of both Superfrogs and Snowflake players….and what a force we were! In wet and trying conditions in Cumnock last Sunday, Emily Sinderberry, Hannah Armstrong, Katie Horne, Emma Michael, Lily McClelland and Catie and Libby Crampton represented All Saints in a tough netball challenge that saw our team have no losses, I win and 2 draws to come 5

Cumnock Carnival

Last Sunday a number of girls played in the Cumnock Netball Carnival. See full report below. From all accounts the girls had a great day and a wonderful experience. I would like to acknowledge the wonderful efforts of Ruth Crampton. Not only did Ruth make all the arrangements but she was a coach, manager and umpire on the day and I thank her so much for everything that she did to allow the girls to have this experience. Thanks also to the parents who accompanied and cheered on the girls. And congratulations to the team who represented the school so well.

11 YEARS PUMAS

The Pumas travelled to Oberon on Saturday and enjoyed a tough battle against the home side. Our boys were a player short for the first half and worked hard to keep on a level playing field with the Oberon side which had an abundance of substitutes. Despite the gallant efforts of our team Oberon managed to get two goals past our fearless keeper in the first half. In the second half Timothy Jackman joined the team from the 8 Years game and immediately made a difference to the other boys. He ran and passed the ball with great enthusiasm and deserved to be congratulated for his efforts. Jack continued his sound defensive operation and also scored two really skillful goals and Jack Van Yzendoorn scored a great goal after some good lead up work from Joey. Patrick and James supported well with their great defence and Adam Baxter was everywhere with his brilliant defence and long kicks. Player of the match this week went to Jack Van Yzendoorn. Mrs Anderson

10 YEARS JAGUARS

The Jaguars met determined and skillful opposition in Macquarie United on Saturday. The boys were competitive for a lot of the match, eventually being outscored at the final whistle. Our only goal came from a beautiful through ball by Sam Rosen for our hungry striker Cameron Redpath, who showed a lot of skill in netting a great goal. Riley Stockman had his best game of the season at right back, foiling Cameron Redpath, who showed a lot of skill in netting a great goal. NEWSSFLASH.....UNDER 8’S BLITZ SOCCER FIELDS IN OBERON

The Panthers and the Lions both had sensational matches out at Oberon at the weekend. Weather conditions went from sunny to almost sleet but this didn’t stop either team from putting on an amazing show. The first game of the day got off to a great start with the Panthers. The Panthers are made up of most of the players from the team I coached last year and the other team is made up of most of the players from the team Oberon managed to get two goals past our fearless keeper in the first half. In the second half Timothy Jackman joined the team from the 8 Years game and immediately made a difference to the other boys. He ran and passed the ball with great enthusiasm and deserved to be congratulated for his efforts. 7 YEARS TIGERS

The Tiger’s team of Ben, Hugh, Lachlan and Zachary were joined this week by Andy. Sam who is recovering from an operation was also there in support. The Tigers put on a dominant scoring display. Coached this week by Mr Hope, the team’s positional play and passing skills were impressive. Ben once again led the scoring, displaying the ability to strike equally well from both feet. Lachlan and Andy also found the net more that once. Hugh saved a number of goals and Zachary was player of the match with a tireless performance. Thankyou to Hugh’s Mum for supplying refreshments after Lachlan’s Mum forgot the oranges. Well played Tigers, keep up the good work! Mr Roach

7 YEARS CHEETAHS

The Cheetahs played a good game on Saturday. Tyler played very strongly. He often gained control of the ball and made good kicks towards the goal. Dan Yao made some very good saves and some very strong kicks. Harley and James concentrated very well in the last part of the game. The player of the match was Angus. In the last fifteen minutes, Angus focused very well, running into the action and trying to gain control of the goal. Mr Pike

6 YEARS CUBS

A sunny winters day set the scene for a fast flowing and another entertaining game for All Saints Cougars. This week’s opposition was the Collegians White who had a complete change of team in substitutions. Cougars once again showed their strength and determination to constantly run the ball down and tackle the opposition even though they only had one substitute and the pace of the game was very tiring. Joey was attacking the ball fiercely this week and tackled well, clearing the ball and following up with very tiring. HOCKEY REPORTS

UNDER 9’S HOCKEY

Game 1 we played St Pats 2. Hannah and Tim scored a goal each. The team played together well and kept St Pat’s from scoring. Game 2 we played Souths 1. This was an exciting game which we won 4-0. Hannah and Tim again teamed up to score, Tim supported Hannah in all her three goals. It was a great team effort and our coach Stacey encouraged us all to have fun, fun, fun! Niamh Sinclair

UNDER 11’S HOCKEY

On Saturday we played Souths on the water turf. The girls played really well considering we were missing Sarah and Maddie. Hannah and Chelsea Griffis stepped up from Under 9 to fill in and were able to adapt to the game. All the girls hope they can fill in again because they played well. Even though the majority of our team was 7, 8 or 9 years old we were able to keep the other team to only two goals. Player of the week was Johanna Krebs for her outstanding effort in the goals.
