Good luck to the ASC students who will be representing the school at this event.

**Trivia Night**

Thank you to Mrs Paula Elbourne and her band of assistants for conducting a fantastic trivia night last Saturday. The questions were challenging, the competition was hot and a night of fun was had by all. Money raised at this function will be used by the P & F to pay for new blinds for classrooms and for new home readers for the infants.

**TAKING OPPORTUNITIES**

We further develop the idea of belonging this week in Peer Support. Having looked at the role of family last week now we look at our network of friends. The children identify all the groups to which they belong and the friends they have in each group. The activities are designed to encourage the children to appreciate the wide network of friends they have and the importance of humour between friends.

Discuss with your child the ways they have chosen to cope with difficulties that might arise in their life and encourage them to practise these regularly.

**Mr Chris Jackman**

This week in Peer Support we have been discussing the importance of humour between friends.
**Netball Reports**

Saturday was another busy day for netball and there were some fantastic games played. Thank you to all the parents and supporters who come along each week to cheer on the players. It is greatly appreciated.

- **Clubhouse Duty Thank You**
  A huge thank you to the ASC Puppies’ parents who did club house duty on Saturday. After initial organisation I was confident that the duty would be taken care of, and it was. Thanks again to everyone who helped and, by all accounts, were able to make it somewhat enjoyable!

- **Umpiring Thank You**
  We are fortunate to have some wonderful secondary girls who do most of our umpiring. In the last few weeks for a variety of reasons I have had to call on some other girls to fill in at very short notice. I would like to acknowledge the help of Courtenay Moller, Emily Brabham, Emily Sinderberry and Sophie Stockman who all did a magnificent job. Thanks so much.

- **Holiday Game**
  Just a reminder that the first Saturday of our holidays (4th July) is not yet a holiday for others schools so Netball will be on. Fortunately, U12A Snowflakes have a bye but all other teams have games. Please let coaches know if you will be heading away on holidays and unavailable to play.

**ASC Puppies**

We had a wonderful game on Saturday the 20th. The weather was great although it started getting a bit cold at the end. We played against the Collegians Little Stars who were very energetic. Goals were scored by Phoebe, Amber and Charlotte. Priscilla continued with her amazing intercepts and Grace B executed a fantastic dummy throw which took everyone by surprise. Kirrily’s great defence was second to none and earned her Player of the Week. Alana defended beautifully which got the ball down to our side ready for the goal shooters. Grace H was focused and was always ready for the passes that came her way. Overall we played really well and the scoreline was a well deserved victory. *Report by Charlotte Hunt*

**ASC Bunnies**

On Saturday the All Sains Bunnies played the Eglinton Mermaids. The Mermaids had a height advantage but our girls used their speed and accurate passing skill to bamboozle them. Nadia, Eliza and Gena did a great job defending our goal. They stopped many attacking raids from the Mermaids. They showed great skill and enthusiasm to get the ball up to our shooters. The girls up front, Samantha, Sara, Kate and Xanthe played like demons passing the ball around the goal circle like they have been playing for years. The girls are showing great improvement each week. Samantha was the player of the week. Well done Samantha. Ella cheered the girls on from the sidelines. The Bunnies put up a brave fight but were defeated in a close game, 2 goals to 1. The goal scorer was Xanthe.

**Cumnock Knockout Competition**

Superfrogs was our team name. A fine combination of both Superfrogs and Snowflake players….and what a force we were! In wet and trying conditions in Cumnock last Sunday, Emily Sinderberry, Hannah Armstrong, Katie Horne, Emma Michael, Lily McClelland and Catie and Libby Crampton represented All Saints in a tough netball challenge that saw our team have no losses, I win and 2 draws to come 5

- **2nd Week: Saturday 18th July – 26th July**
  - These camps are for “horse-mad” children aged from 6 to 16 years. For more information call Pattie Hudson on 63377173

**Cumnock Carnival**

Last Sunday a number of girls played in the Cumnock Netball Carnival. See full report below. From all accounts the girls had a great day and a wonderful experience. I would like to acknowledge the wonderful efforts of Ruth Crampton. Not only did Ruth make all the arrangements but she was a coach, manager and umpire on the day and I thank her so much for everything that she did to allow the girls to have this experience. Thanks also to the parents who accompanied and cheered on the girls. And congratulations to the team who represented the school so well.
**10 YEARS JAGUARS**

The Jaguars met determined and skillful opposition in Macquarie United on Saturday. The boys were competitive for a lot of the match, eventually being outscored at the final whistle. Our only goal came from a beautiful through ball by Sam Rosen for our hungry striker Bailey Jardine. The understanding of the game is getting better and better each week and the men are improving dramatically. Well done men for another sterling performance. Cougars!!

**7 YEARS Cheetahs**

The Cheetahs played a good game on Saturday. Tyler played very strongly. He often gained control of the ball and made good kicks towards the goal. Dan Yao made some very good saves and some very strong kicks. Harley and James concentrated very well in the last part of the game. The player of the match was Angus. In the last fifteen minutes, Angus focused very well, running into the action and trying to gain control the goal. Mr Pike

**6 YEARS CUBS**

The Cubs had a later game this week against a Churches team. We were missing our star striker in Megan Redpath, but the six other players worked well together helping each other in defence and attack. Jack Baxter scored two really skillful goals and Jack Van Yzendoom scored a great goal after some good lead up work from Joely. Patrick and James supported well with their great defence and Adam Baxter was everywhere with his brilliant defence and long kicks. Player of the match this week went to Jack Van Yzendoom. Mrs Anderson

**6 YEARS COUGARS**

A sunny winters day set the scene for a fast flowing and another entertaining game for All Saints Cougars. This week’s opposition was the Collegians White who had a complete change of team in substitutions. Cougars once again showed their strength and determination to constantly run the ball down and tackle the opposition even though they only had one substitute and the pace of the game was very tiring. Joely was attacking the ball fiercely this week and tackled well, clearing the ball and following. Jack continued his sound defensive work and also showed power in clearing kicks. Mitch broke from the pack and scored a great run away goal late in the first half that showed good dribbling and finishing skills. The second half was a different game, the opposition wasn’t getting much clean ball and Cougars started to control the game more. Travis scored 2 brilliant goals in the half, both very strong finishes with speed and determination. No one could match him as he blasted the ball into the back of the net. Lachlan won the player of the week and played on through the whole game. The understanding of the game is getting better and better each week and the men are improving dramatically. Well done men for another sterling performance. Cougars!!

**NEWSFLASH……UNDER 8’S BLITZ SOCCER FIELDS IN OBERON**

The Panthers and the Lions both had sensational matches out at Oberon at the weekend. Weather conditions went from sunny to almost sleet but this didn’t stop either team from putting on an amazing show. The first game of the day got off to a great start with the Panthers. The Panthers are made up of most of the players from the team I coached last year so it was great to have them back! It was fantastic to see how much they had come on. Sam Nugent had a super match. He called out to his team members superbly. Kian Blackshaw showed some massive kicks. Bailey Jardine was a quick as a flash up and down the field. Charles Crowley had an excellent run in defence. Charlie Rumbel was a key player. He passed to others in order to get goals. It was an extremely close and exciting match. The Lions had an equally exciting and close game. Kian played back to back matches. He had just as much stamina in his second match of the day. Excellent work Kian. Krishne had a fantastic game. She was getting to the ball extremely quickly. Rose Donovan showed some fantastic skills. Simon Poudoulis called for the ball and marked up well. Tim Jackman was a superstar in attack. His foot seemed to be glued to the ball. Well done to both teams. I had a great time with the Under 8’s. Miss Keene
