Science Gala Day

On Friday 21st August the Junior School will be celebrating National Science Week by having a Science Gala Day. The theme for our Gala Day, and National Science Week, is Astronomy – Science without limits. All students will be participating in a number of experiments and activities with a focus on promoting the fun and enjoyment of Science.

Cricket Development Sessions

On Tuesday 18th and Wednesday 19th August all Junior School students will be participating in a cricket clinic conducted by Cricket New South Wales. The half hour sessions will take place in their Physical Education sessions.

ICAS Mathematics Exam

The final International Competitions and Assessments for Schools (ICAS) exam for the year that our Year 3 to 6 students participate in will be on Mathematics and be held on Wednesday 19th August.

Junior School Assemblies

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Performing Arts Centre. Assemblies begin at 9.00am.

Assessments for Schools (ICAS) exam for the year that our Year 3 to 6 students participate in will be on Mathematics and be held on Wednesday 19th August.

RC Club

Mr Hines and I are investigating the level of interest in the Primary School (Years 3 – 6) community for participation in a Remote Control Club. The idea would be to meet once per fortnight on the school oval and fly electric powered remote control aeroplanes. We would meet later in the afternoon once daylight saving starts when the flying conditions are most suitable. Each family would need to purchase a plane, Electrafun XP worth approximately $200, and children would be expected to bring a parent along to assist. If we get enough people interested we would like to start later in the term when the weather warms up. Please let either Mr Hines or myself know if you are interested. Mr Jackman

PEER SUPPORT - Keeping Friends

Types of friends is the focus is Peer Support this week. Children will explore what encourages them to form friendships with different people (common interests, admirable qualities etc). Through various activities children will identify that their friends can fall into the categories of ‘best friends’, ‘friends’ and ‘people we know’. Children will also discuss the fact that friendships can change over time for various reasons. Discuss with your child the different friends they have in their lives and how friendships may change. Some friends may be more important at different times in their lives.

BOOKCLUB

Bookclub was sent home last week. Could all orders be back by Friday 14th August. Some important points to remember when ordering Bookclub:
• Credit Card payments must follow the instructions on the order form.
• For cash payments, please ensure that you have the correct amount as change cannot be given.
• Please make cheques payable to Scholastic Australia.
• If you are ordering books as a gift and do not want your child to know, please advise Mrs Keogh and she will hold the books in her office instead of giving to the child.

From the Chaplain

Father Paul Woodhart

This week in Chapel we looked at the work of World Vision.
It is always a challenge to be part of ways in which we can help those much less fortunate than our own community.
There are some students who are going to attempt to give up something for the 40 hours, on the weekend of August 21-23.
Furniture? Technology? Talking? But not helping around the house please.

P&F Meeting

The next Junior School P & F Meeting will be held on Tuesday 25th August in the JS Library at 6.30pm. All parents welcomed to attend.
ASC Puppies
On Saturday 8th we played against the Calare Little Stars. What a game! We scored 6 goals. Who were the shooters? Charlotte, Amber and Phoebe! Amber scored 4 goals, and Charlotte and Phoebe shot goal each. The opposition have improved a lot from last time we played them. They are a good little team. Our defence were Alana, Maddy, Kirrily and Priscilla and they did a fantastic job. Grace B moved around the court very well in her attacking positions. The player of the week was Maddy. By Alana Issa

ASC Superfrogs
On the 1st August, All Saints Super Frogs played a very challenging game against the Calare Diamonds. Katie did great defence work in the goal circle. Half way through the score was 4 to 6 our way. In the third quarter Emma did some excellent lobs. Even though Hannah wasn’t here we still managed to win. In the end the score was 10-11. Alexandra Corbett-Jones

HOCKEY REPORTS

UNDER 7’s HOCKEY
This week’s Under 7’s team was small in number, but not in heart. Ailee, Claire, Darcie, Maddy and Natalia, (with the help of Amber from St. Pats), all lined up against the St. Pats team. Although All Saints were eventually to go down to the opposition, it was not with out some solid participation showed by everyone. Great breaks were made by all, one of which resulted in a lone goal from Darcie. The girls were unlucky not to score more from the numerous close shots at goal. Impressive tackling skills were on display, and all the team continues to improve. Thanks again to Mrs G, and to the loyal band of supporters (who thought that they had the wrong day because it was sunny and warm). Darcie Campbell

UNDER 11’S HOCKEY
The All Saints under 11’s hockey team played Kelso on Saturday. It was a tough game but we were victorious, with Sarah scoring the only goal of the game 10 minutes before the end of the game. Julia is player of the week because she did some great passes to the other players on my team. Anna was a good player because she passed the ball to Erin who passed it to Sarah to score the goal. Johanna saved all of the balls that had come to her. The last time we played Kelso they were tough but we still did beat them then as well. WELL DONE ALL OF THE PLAYERS YOU DID VERY WELL!!! By Phoebe Miller

10 YEARS JAGUARS

This week was a tough one again up against Bathurst 75 Blues. We played very well as a team managing to keep the score contained and made the opposition think about each move they made. Many solid goal attempts by 75’s were stopped with intervention or pressure from All Saints forcing mistakes by the opposition. Sam did a particularly good job as Goalie and Cam was lucky to receive Player of the Week. However, everyone put in an outstanding performance and equally deserve recognition for exceptional play in a very tough match. Onward and upward to next week. Mr Redpath

8 YEARS PANTHERS

What a game the Panthers had on Saturday, 8 August 2009! The Panthers won seven goals to zero against the Eglinton Tigers. Right from the beginning, the Panthers kept the play at the other sides’ goal. Bailey had bad luck, just missing two goals, but he ended up getting two goals. These he got from great concentration and knowing when to go into attack. Kian attacked from the beginning, getting two goals, also just missing a couple. Kian also showed he is a real pro, showing great teamwork and manners to the other side. Lachie, who is an incredibly fierce player got two goals, too. Lachie showed what a great kicker he is by kicking into the net almost the whole length of the field. Charlie looked after the goal area and did the best pass of the game (Good passing within the team is the key to winning the game). Charles is an amazing fierce defender. He plays very quietly and seriously. As usual he stopped the ball coming near the Panther’s goal. Charles also attacks well and got a goal for the team. Thanks a lot to Tim Jackman for playing with us, just after having played a full game for the All Saints’ Tigers. He was a great team member from the beginning and helped set up a lot of the goals. The goal of the game was a strong kick by Kian to Lachlan who skillfully edged the ball into the net. All this made the player of the game very hard to decide. In the end, Lachie’s tough playing for the team got the medal. Thanks to Mr Rumbel for looking after the subs and keeping score! Mr Pike

7 YEARS TIGERS

In the Tiger’s most competitive and action packed match of the season, the team well and truly rose to the challenge. The Tigers trailed in the first half, and then re-grouped after an inspirational half time chat with Coach Mr Cant. The second half was the best played by the team so far this season. It has been a joy to watch the development of the team over the past few months. Many thanks must go to the various coaches of the team for the way the players have improved their skills and competitive attitude. Keep up the good work Tigers!. Mr Roach

7 YEARS CHEETAHS

The Cheetahs were victorious at the weekend with an excellent match against the Tomatoes who were previously undefeated. We had an interesting start as we borrowed a couple of Tomatoes to begin with... By the second half we had all Cheetahs on deck and came home with a fantastic result. Thank you to Ben Cant for volunteering to play for the Cheetahs on Saturday. It felt like he had always been part of the team! Ben worked well in the team and passed the ball with great skill. Andrew Jackman received player of the match this week. He also showed excellent passing skills and the ability to find space up near the goal circle. Andrew did a terrific job. Alex Buckley was racing up and down the field, always on the go. He was not afraid to go in for the tackle at any time. Dun Yao Foo booted accurate kicks and seems to be getting better and better each week. His dedication on the field is fantastic. Tyler McLeod Mason brought some excellent skills to the second half and he showed that he could dribble unbelievably well and gain some ground for his team. Well done Cheetahs. What a match! Miss Keene

6 YEARS CUBS

It was an early start out at Oberon for the Cubs this week. Everyone played well against a traditionally strong Oberon team (especially at home). The Baxter boys scored goals this week, as did Jack V. Patrick and James were defending very well with James only just missing a very good goal attempt. Joe and Megan had a great game and really enjoyed the day. Patrick earned himself a very well deserved Player of the Week. Well done everyone. The score was 3 all and a very good result. Mr Redpath

6 YEARS COUGARS

The Cougars congregated in Oberon last Saturday and to the delight of all it was a sunny occasion. Given the Cougars had only 4 players and Oberon a small army, a friendly Oberon lad joined the red and blue brigade to form a 5 on 5 game. From the onset of the game Oberon showed that they were tough competitors but All Saints’ held their heads high and soldiered on. With many friendly tussles and tackles the Cougars often came out of the scuffle with possession but had some difficulty this week in finding the goal. Passing was the emphasis last week at training and these skills were evident throughout the game, next week the emphasis will be goal scoring!!! Congratulations to all of the boys for a courageous effort and especially to our player of the week Joey O’Neill. Mrs Nelson

6 YEARS LEOPARDS

Oberon turned on some of their finest Winter weather, with a lovely shining sun and little wind. Tyler Sharwood was first to touch the ball with a massive kick-off to start the game. Max Blysma scored a terrific goal in the first minute of play and went on to net his second soon after. Angus Parsons was on fire, dribbling in style and putting in some huge kicks. He managed to score two goals for the Leopards in the first half, one going between the legs of the opposition before finding the net! Will Purvis did a fine job at the back of the field. He defended superbly and displayed some great ball work. Tyler put great pressure on the Oberon Cubs and won some tough tackles during the game. Max showed fantastic sportsmanship, encouraging his teammates to add to the scoreboard, by setting them up in front of the goal! Will put in a great kick, which landed in the net, but was denied the goal as it was kicked from outside the circle. A great shot by Tyler, but unlucky, as it was sooo close – just missed! Max scored an incredible five goals, as did pocket-rocket Angus. Gus earned the team medal this week for his spectacular efforts. Mrs Sharwood.

Don’t forget to look up the following link if you are unsure of the time your child is playing on Saturday: http://www.bathurstsoccer.net/results/2009/9Under%20.pdf

Please remember that it is important that your child arrives at soccer fifteen minutes before the match begins so that we have time for a warm up and to get their shirts on ready to begin.

2009 SPRING FAIR GARDEN STALL

Last year’s Garden and Produce Stall run by year 4 Parents and Students was a huge success. This year can be even bigger and better with your help. If you are a bit of a “green thumb” it would be greatly appreciated if you could pot up any seeds, seedlings or cuttings from your garden now for us to sell at the Spring Fair. Thank you to Gabrielle Darlington and Year 2 for their wonderful Spring Fair posters - they are fantastic.

Trash & Treasure - Items can be placed on the verandah of the Senior School Book Shop. Please do not leave broken items. Please note: We cannot sell baby car seats or used electrical appliances.

Books - Books can also be left in bags or boxes on the Book Shop verandah.

Garden - Great time to put cuttings into pots. Please keep them safe until a bit closer to Fair day.

Cakes - Start thinking about baking please. It is helpful to list ingredients on each item. Please remember that our school is NUT FREE!

Craft - All craft items would be greatly appreciated.

Baskets - Could you put a few items in a box/basket? Sometimes it is easiest to have a theme such as coffee and chocolate, girls hair products or champagne celebration.

Bottles - The bottle stall loves donations of full bottles or jars for example - lollies, wine, jam, pickles etc.

Thank you to Gabrielle Darlington and Year 2 for their wonderful Spring Fair posters - they are fantastic.

URGENT

PAVLOVA STALL - help is needed with making pavlovas. Please contact Catherine Van Uum 0408650394 or Linda Fisher 0434406739.

CHOCOLATE WHEEL - Year 7 - Business letters for donations need to be finalised ASAP. If any family businesses could help with donations to the chocolate wheel, it would be greatly appreciated.
Registrar’s Rave

Where is the term going already?! I have to preface this Rave to Rave on about my Netball team. They have been doing a fantastic job this season and running 2nd in the league. Not bad as we were a completely new team. As much as I nag them about their attention spans (or lack thereof), they have been developing their skills and responding well to being taken out of their comfort zones. Keep up the good work girls!!! Good luck on Thursday when we face our strongest competitor.

Now back to my other Rave.
A huge welcome to more new families and an apology to one who I missed in my first week’s rave.
Kylie Stevenson – Yr 9 Boarder from Crookwell. Mother Kelly and Father Gary.
Matthew Gillman – Yr 10 boarder from Jannali. Mother Joanne and father Craig.
Warwick Yeoman – Transition 3 day class. Mother Catherine and father Mark.

A quick reminder to all parents that have received their offer for a Kindergarten place for 2010. You need to return the form by this Friday, 14th August. Thank you to those who have done so already. We have a waiting list and need to offer places if your circumstances have changed and no longer require a place.

Current Year 6 parents and new Year 7 parents will all be receiving letters confirming your place for 2010 along with lots more information relating to preparing both you and your child for Senior School. In the meantime if you have any questions regarding this then please do not hesitate to contact me.

Transition letters will also be going out this week. Thank you for your patience. This always seems to take longer than originally planned due to the huge level of interest in our programme. Please also pass this on to interested parents that would not received this newsletter.

Finally for those of you who have either started at the College this year or have moved from Junior to Senior School - in fact anyone that has ideas or suggestions, I would love to hear from you on how we can improve our information and make the transition smoother.

Spring Fair Badge Making

With the “Spring Fair” fast approaching it’s time to get your pictures and slogans ready! Again this year, the Year 1 and 2 Craft Stall will have the badge maker. So get your favourite pictures or slogans ready to make your own badge or magnet on the day. Wouldn’t all your family and friends ‘love’ a badge with your photo on it for Christmas!! The perfect personalized gift for everyone, limited only by your imagination. We have included a template showing the sizes and usable design area to assist you with your designs. See you at the Spring fair!
