We are off to a great start...

We have had a fantastic start to the year in Kindergarten. The children were extremely settled on Friday and it felt as though they had been in Kinder for much longer than just a day.

Thank you to those parents who were able to attend the information evening on Friday night. For those who were unable to attend, I have popped an information booklet in your child’s diary.

We are still waiting on confirmation of our specialist subject timetables so you will have to bare with us until these are finalised. At this stage the most important things to remember are that your child must wear their PE uniform to school on Wednesdays and Fridays this term and bring their library bags to school on Mondays (as of next Monday). This Friday your child should wear summer uniform for photos and bring their joggers to change into for PE. In the afternoon, we will now not be swimming this Friday.

As of next week, your child will need to bring the following to school to participate in swimming:
- Swimmers and Towel
- Goggles
- Slip on shoes (they will take their joggers off and put these on to go to the pool)
- A plastic bag for wet towels and swimmers.

Please make sure all of these items are clearly named.

As discussed on Parent Information Evening, I will draw a star in your child’s diary on Thursdays to indicate if they are to be receiving an award at Friday’s Assembly.
