Year 5 & 6 Choir Singing at Cathedral

On Sunday 20th June the Year 5 and 6 Choir are singing at the 9.00am service at All Saints’ Cathedral. This will be a wonderful opportunity for the children to farewell the Dean of the Cathedral, Andrew Sempell as it will be his finale service as Rector of the Cathedral Parish. Children will need to be at the Cathedral by 8.30am and need to wear full winter uniform.

Junior School Working Bee – “The Building of the Vegie Gardens”

The P & F have provided bessa bricks for the construction of four vegetable gardens behind the Year 3 – 6 rooms. On Saturday 26th May we will be having a working bee to construct the gardens. All parents and children are welcome to assist on the day. We plan to start at 2.00pm and finish up by 5.00pm.

PEER SUPPORT LIVING POSITIVELY

This week’s Peer Support session focuses on positive self talk. Children need to practice talking positively to themselves. Your child will also learn to preserve, which will encourage them to keep trying in challenging situations. During the week encourage your child to use positive self talk.
This week in Transition we are continuing ‘Jolly Phonics’. *The sounds are: ‘l’ and ‘f’. We are making ‘lion masks’, ‘fish’ and ‘fire engines’, using paint, sponges and collage. We are reading books about fire, fish, lions and a lighthouse keeper.

We are thinking about ‘the number 6’. We will learn that insects have 6 legs and make a set of 6 Russian dolls. We are exploring floral shapes and decorating Mrs. Bear’s pyjamas.

We are going to learn about ‘stranger danger’ with our friends ‘Milly and Molly’.

We are going to enjoy- Music with Mrs Randall, Christian Studies with Father Paul, Japanese with Ayaka, Library with Mrs Croft.

The highlight of the week was visiting the Bathurst Fire Station. Fireman Peter dressed up in his firefighting outfit; we talked about good and bad fires and learnt what to do if there was a fire. After that we all lined up and took turns at using the fire hose. What a great time we had!

Number six is the number of the week in transition. We had a great time cutting out six Russian Babushka Dolls and placing them in order.

This week we are learning the sounds ‘l’ and ‘f’. On Monday we all made a lion mask. As you can imagine, there was a lot of roaring in our classroom!
HOCKEY REPORTS

UNDER 9’S HOCKEY

We had a great game on Saturday when we played Souths Hockey Club. We worked very well passing the ball to each other and scored some great team goals. Kian worked hard in attack and used his big hitting to score 2 goals. Bradley also scored a goal with some good running and follow up. Other goal scorers were Niamic and myself. Best of all we enjoyed playing together as a team. Well done to Samantha who was player of the match. Alice Blackshaw

UNDER 11’S HOCKEY

On Saturday All Saints Under 11’s Hockey team played Oberon. It was a well played game. There was lots of team work and passing down to Tirah to score. The first goal was passed down the field using great teamwork work, with Tirah tapping it in. The second goal was set up by Rachel and Lucy who brought the ball down the field to Tirah who scored another excellent goal. The third goal was a brilliant effort by Ella who took the ball all the way down to the top of the circle and then whacked it in! Oberon also did lots of attacking and many times missed goals. Georgie also did a great job defending the goal from a strong team. The final score was 3-0 our way. I think All Saints’ should be congratulated for their good teamwork and defence. The players have made a tremendous improvement from their first match that they played. They are learning the rules of the game and are becoming familiar with the change of ends at half-time. All the players kicked towards their own goal and enjoyed the kicks they made. A few players scored goals and produced some excellent passes. Miss Thompson

6 YEARS MAGPIES

The Magpies took to the field against Bathurst 75 Dodgers. James led out from the first whistle, scoring several times in the first few minutes. Hamish joined the goal scoring in convincing fashion as he tested the strength of the back of the net. Todd put in several good runs and showed an ability to get a long clearance out of defence. While the Magpies dominated the first half most of the play was the work of individual efforts. Toward the end of the first half and through the second this group of individuals started to look like a soccer team, as they thought about passing and looking for supporting players. Fintan and Will were effective in moving into open space as James and Hamish moved into defensive positions and looked to pass the ball forward. Oliver made several good runs on the ball, and the team as a whole showed a good sense of play. 75’s finally had something to cheer about as they scored in the second half, but the Magpies continued to control much of the play. Congratulations to Todd, who took home the players medal this weekend, this was a well deserved reward for his consistent hard work. Mr Sinclair

6 YEARS EMUS

The Emus had another tough game on weekend losing 4-2 to a strong Bathurst 75 team. Despite this, the Emus still had lots of fun, showing great enthusiasm. The team is slowly developing its team skills of passing the ball around which showed when we scored two of our goals. Our player of the match was Isobelle. Isobelle was really involved in the game and scored one of our goals, she also just missed scoring again during the second half. Tyler played strongly and was often in the midst of the attack. Amy was one of our strong defending players and she also passed the ball really well. Jonathon was another good defender and stopped the 75 players scoring their 5th goal. Mitch is developing into an all round soccer player and showed both good attack and defensive skills. Alex is a great team player. He dribbled the soccer ball really well and just missed scoring numerous times. Joshua Meyers

7 YEARS SWANS

With almost a full compliment of players, we attacked with great determination and courage this week. Although we were down with Adam being sick, all others in the team really performed very well. Megan and Claire showed how fast they can be with the ball, ducking and weaving. Andy’s strong kick helped out on many occasions and was well supported by Jack B up near the goals. Great team effort from everyone saw the final score level at 3 all with our goals being scored by Andy, Adam and Megan. Player of the week was a very proud Claire. Well done everyone. Mr Redpath

11 YEARS HAWKS

This game went very well given the tough opposition that City Red Tops provided. The 11 years All Saints are showing great improvement in skill, strength and co-operation. Some excellent passing and teamwork provided good goal opportunities which saw Sam score both our goals this week. Well done. It was tough game and one that gave the girls extra pressure to step up, which was evident throughout the match. Not a win, but again we faced a well skilled opposition and learned from the experience. A very well deserved Player of the Week went to Ella for her fine effort. Well done Ella. Mr Redpath

News from the P&F

Every parent should be concerned about our privacy on the Internet, and with the wide spread use of social networking sites like Facebook, this concern is a reality. Don’t expect this job to be addressed by someone else, for parental responsibility is what is needed here. Recently we have seen how complacency online ended tragically in death.

We must protect our children, and I urge every parent of a Facebook user to check out a very simple solution to your privacy which will correctly adjust your settings: http://www3.untangle.com/saveface. Then visit: http://www.reclaimprivacy.org to check that you have Facebook ‘locked down’ - it takes less than a minute. I cannot stress enough how serious this subject is, and it is not going to go away. We all have to do as much as we can to ensure our safety online. This should be a requirement for every person using Facebook, not to mention our children. John Morris

Return of the VIM Quarterly Magazine

VIM Issue 1 2010 was issued to students on Wednesday. Each VIM contains a letter from the Head of College which needs actioning from a parent/guardian regarding future issues of the magazine. The parent or guardian needs to indicate how they would like to receive future issues of the magazine, either in hard copy or an email PDF link (similar to Junior VIM and Revelations).

Please complete the form on www.saints.nsw.edu.au/the_vim your name will then be included on an email distribution list or if you require a hard copy it will be given to your youngest child at school. Boarding parents can also request to have their magazine mailed to them if they choose not to have a email link.

Spring Fair Meeting

Now that the Art Show is over for 2010 it is time to start organising the Spring Fair. There will be a meeting for all interested parties on:

Wednesday 9th June at 6.00pm in the Library.

If the Year Parents and anyone interested in the organisation of the day could attend that would be a great start to making this a most successful fundraiser. We look forward to seeing you there.

Looking for a family to house Term 3 Japanese Assistant

Ayaka, our Japanese assistant will be leaving us to go back to Japan at the end of the term. We are looking for a family to host our Term Three Japanese Assistant (female). We simply ask for food and lodging and a ‘family’ atmosphere. This is a great chance for your family and children to get to know someone from overseas and for your children to practice the language that they are studying at school.

A fee for board will be paid by the company that supplies the assistant. If you are interested, kindly email Mr David Pike at d.pike@saints.nsw.edu.au
