Inter-House Athletics Carnival
I would like to say a very special thank you to Mrs Kay Nelson for organising a wonderful Athletics Carnival on Tuesday. Congratulations to Bradwardine for winning.

Congratulations to Mrs Lesley Bland
On behalf of the P&F I would like to congratulate Mrs. Lesley Bland on being one of the 4 finalists in this year’s Parent’s Council Award of Excellence. The Hon. Greg Donnelly presented Lesley with her certificate and gift last Friday at St. Joseph’s College Hunters Hill, after being chosen from a large number of nominations from right across NSW. Well done Lesley and thank you for your hard work and tireless dedication for the betterment of the College. You are an inspiration, and a worthy recipient of this recognition. John Morris

All Saints’ College Tax Planning
The end of the financial year is fast approaching but it’s not too late to attend to some tax planning. Rather than paying the tax office your hard earned cash All Saints’ College has 2 fully tax deductible funds for your donations which will benefit both yourself and the College.

The All Saints’ College Building Fund directs funds towards qualifying building projects within the campus thus helping the College to upgrade the facilities sooner rather than latter. Whilst the All Saints’ College Scholarship Fund makes it possible for the College to offer additional funded scholarships to attract new students. Your financial support would be very much appreciated. If you have any questions please call David Blackshaw, Business Manager on 6332 7308.

From the Head of Junior School
Mr Chris Jackman
Sydney to perform in the Yamaha Music Festival. Good luck to our students.

Dear friends,
We have had a great week in Chapel and I have been inundated with offers of help which makes my job a joy.
The Year 2 and 3’s have put on display in the Chapel their work on Psalm 23... ‘The Lord is my shepherd...’
We had a great Information afternoon about Confirmation last Wednesday and the plan is to meet for the first 5 Wednesdays of next Term from 4.30 till 5.30 in the Junior School Library.
There are still some places open so if you still want to be part of the Confirmation please let me know.
I can’t wait to see and hear our Year 5 and 6 Choir participate in the farewell for the Dean at the Cathedral this Sunday at 9am.
Sincerely, Father Paul.

This week we are heading to Goulburn for our final Boarding School Expo of the year and we are heading to Millthorpe for an Information Night on Wednesday 23 June. Also close on the horizon is our trip to the Mudgee Field Days on 16 and 17 July. If any families are heading to Mudgee for the Field Days, please feel welcome to call in (we will be in the pavilion). It would be lovely to see you and catch up.

***

A big welcome to Miescha Reeve in T2 and Samuel Shearman in T3 and their families who have joined the All Saints’ community this week. Hope the first few days have gone well for all of you.

***

We are finalising arrangements for our Senior School Tour for current Year 6 students and their parents – and have set a date of 30 July from 11.30am. Invites will be going home next week, so please check your calendar because it would be terrific to have as many parents as possible come with us.

A fun tour is planned, with a visit to Science Labs, D&T and the Art Classrooms. I’m looking forward to seeing the excited faces. Year 7 is an important milestone and All Saints has a lot to offer our next crop of senior school kids.

Isabel has made a phone and a snake.
Hannah show the children the door hanger she has made.
Samuel borrows a book from the library.

This week we welcome a new family to T3, Samuel Shearman and his parents Debbie and William. Our Jolly phonics sound for this week is ‘ie’. The children had fun decorating a tie with pastel crayons and edicol dyes. In Mathematics we explored the number 9. We sang Dr Knickerbocker number 9 and enjoyed completing handwriting and pasting activities in our Maths scrapbooks. On Wednesday we took advantage of a lovely sunny afternoon and played a game of duck, duck, goose. This game not only challenges the children physically but also encourages the children to take turns, listen carefully and speak clearly. For news this week the children have brought in something they have made. We have seen many unique and interesting items and some we have even been able to eat! Next Wednesday June 23rd, T3 will bid our wonderful Gappie, Jasmin farewell. Jasmin has been a valuable asset to the Transition team and will be sadly missed. We hope you have an opportunity to say good-bye to her before she leaves. Kind Regards, Deb, Liz, Eva and Sally.
EMERGENCY FOOD
The Parish Office is still providing small amounts of food to anyone in need. If you wish to donate to the store cupboard, preferred non-perishables are UHT milk, wheat-bix, baked beans, hearty soups, tinned tomatoes or pasta sauce, smallish packets of rice and pasta; also tinned meats are very much appreciated. We also try to keep food on hand which can be eaten ‘as is’ – muesli bars, cheese and biscuit packets, tuna lunches, small size juice boxes, liquid Sustagen etc. Please no salad ingredients such as beetroot, exotic foods or those requiring much preparation. Leave at the Parish Office or in the “Tucker Trolley” or Sundays.

Food safety Handling Course
Volunteers who handle food for the public (such as Parish functions, morning teas and fund raising events or in emergency relief situations) are now required to have attended a Safe Food Handling Course. The Parish Council has resolved to run such courses to be delivered by David Harvey B App Sc (Food Tech) Msc MAIFST of Central West Food Technology Services. Each course will run for an hour and a Certificate will be issued to the participants stating that they have attended such a course. This Certificate can be used in other contexts such as Schools, CWA etc. The next course will be held on Wednesday 16 June at 7.30pm to 9.00pm at a cost of $15.00 to each participant. Contact David Harvey on 63310519.
