Welcome Back

It was pleasing to see all of the students back at school this week after a big holiday break. I look forward to hearing about their adventures over the three week vacation. I would like to welcome Dun Yao Foo (2C) back to the Junior School. He previously attended All Saints’ before he moved to Sydney. It is great to have him back.

Parent/Teacher Interviews

Parent interviews with Junior School class teachers will take place in the week beginning 2nd August. A note will be coming home soon regarding the organisation of these interviews.

Superfish Strikes Again

Thomas Geyer, our Superfish, won the 100m Under 10 Breast-Stroke at the NSW Country Swimming Championships at Homebush Aquatic Centre during the holidays. On 1st August he will be competing in the NSW State Championships. Go Thomas!

Working Bee

There will be a Working Bee to complete the Year 3 – 6 vegetable garden beds on Saturday 7th August from 2.00 – 5.00pm. All welcome! Please let Mrs Keogh know if you can attend.

Junior School Carpark

Please only use the drop off/pick up zone in the Junior School carpark for that purpose.

Peer Support – Promoting Harmony

We are commencing our Peer Support lessons this week. The whole school participates in Peer Support for 30 minutes each week. Two Year 6 Peer leaders facilitate a small group of 8-10 students from Kindergarten to Year 5, who work together through a number of structured activities. Each teacher will supervise 2-3 groups in their classroom. We are working on a module called Promoting Harmony helping us define individual and community values, build relationships and improve decision making skills. The module runs for 8 sessions. Our first session enables the children to get to know everyone in their group, agreeing on how they will work together and interact cooperatively with others. They will also begin to think about what is a value and something they value in themselves. We recommend you talk to your children about Peer Support every week, as it will help to reinforce the concepts learned in each session.

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Chapel. Assemblies begin at 9.00am.

School photographs

School photographs were distributed to students in the last week of Term 2. If you do not wish to purchase the photos could all photos be returned by Friday, July 23rd. Thank you.
Welcome back to Term 3. We have had a zany time dancing with our bees to Rimsky Korsakov’s Flight of the Bumblebee as we explore to phoneme ‘z’. We painted zig zag zebra ears to wear home and our bumblebees flew all over the room to different Japanese colours that we can still remember. We loved working out who was missing under the sheet while playing the freeze dance and welcomed back Mrs McLeod for music as she returned from Maternity Leave. We read stories of Dear Zoo, Zachary Quack and Zaccheus, and also funny stories about zero from previous classes then made up a story of our own about zero. In the Healthy Little Ears program Joe Blow helped Wiff Sniff to understand why and how to blow noses. We are practicing to blow our nose to keep our ears healthy.

The Junior school students experienced a beautiful day for their athletics carnival held this year on Watson oval. The students and staff were very comfortable with the change of venue given they had all amenities at hand, first aid on tap and greater protection from the elements, it proved to be a great decision. The students were kept busy throughout the day jumping high and long, throwing far and wide and running at either a speedy or steady pace. All students were involved in some capacity and all should be congratulated for their personal achievements. There were a number of records broken this year all in the discus event.
