Food at School

Of late some children have been caught bringing lollies and other “junk” food to school. A healthy morning tea and lunch is provided to the students each day and there is no need for other food to be brought to school, especially if it is a sugar-filled lolly. Please refrain from sending these food items to school.

Junior School Assemblies

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Chapel. Assemblies begin at 9.00am.

Peer Support – Promoting Harmony

During Peer Support this week the children will look at the notion that what they choose to spend their time on often reflects the values they have. The activities will also assist them in identifying ways they care for themselves and others, developing their understanding that you are caring when you notice the feelings and needs of yourself and others. During the week encourage your child to demonstrate they are caring by doing something helpful or displaying kindness around the home.

From the Chaplain

Father Paul Woodhart

For these opening weeks we are going through the beginnings and reasons for the Holy Communion, or put simply, the taking of the bread and wine at Sunday services to remember what Jesus Christ has done for us. I have a good number at the Confirmation classes, and we are looking to Sunday 22 August at 3pm for the Bishop’s visit for Confirmation. Working with you, Father Paul.

Priority and Facilities

I would like to invite all Parents and Friends to next week’s P&F meeting to be held on Tuesday, 3rd August in the Board Room (above reception in Esrom House). We are very fortunate to have a guest speaker address us on some of the historical aspects of the College that have contributed to our identity today; starting sharply at 5.45 pm. All our meetings have concluded by 7.30pm. Hope to see you there.  John Morris

Embroiders Wanted

For the new library we are needing 10 new cushions for the reading area. If you are able to sew blanket stitch and would be interested in sewing appliqués designs on 1 or 2 cushions could you please let Mrs Keogh know. The appliqués will be already cut out and ironed onto the fabric, they will only require the stitching to be added. Thank you for your help with this.

And just a reminder that we are continue to work on our enrolments for 2011 – with our key intakes in Transition, Kinder and Year 7. Always good to hear from any new families which may be thinking about All Saints’ – so please spread the word!

***

This week in Transition we are learning more sounds in ‘Jolly Phonics’.

This week our sound is ‘w’. We are going to have fun making ‘wands’ and eating ‘water melon’. We are painting pictures of a ‘windy’ day and ‘wavy’ lines.

In Mathematics we are learning about 2D shapes. We are thinking about ‘in front’ and ‘behind’ with our Bear friends. We are continuing our ‘Healthy Little Ears’ program and will learn how to blow our noses effectively with our friends ‘Wiff’ and ‘Sniff’.

We are going to enjoy - Music with Mrs McLeod, Christian Studies with Father Paul, Japanese with Mr Pike and his new student teacher and Library with Mrs Croft.

We will continue with our home readers. Have a wonderful week!

Henry, James, Maddison and Hannah are doing their best to make some colourful watches.

We all loved Collette’s picture of a worm.

Hannah and Toby had a great time drawing and painting wavy lines. They used crayons and vegetable dye for this ‘w’ activity.

We used our creativity and lots of bright colours to paint some ‘Windy Day’ pictures on Wednesday.

This week our sound is ‘w’. We have been very busy with a variety of activities relating to the letter and the sound ‘w’. On Tuesday we made some ‘Wonderful Wands’ and decorated them with sequins and streamers.
**HOCKEY REPORTS**

**UNDER 9’s HOCKEY**
The All Saints’ Under 9 played St Pats on Saturday, it was a chilly start to the day and the contest was very even between both sides. The game went from end to end in the first half with great running from Kian and Brad. There was some wonderful mid field tackling from Matilda, Ailee and Sami and this enthusiasm led to the teams first goal from Brad. The whole team was relieved to hear the half time siren and tuck into some Oranges and Apples. After half time All Saints played very well keeping St Pats in their own half with great ball skills being showed by Darcie, Chris & Niamh. Claudia made some great tackles and wonderful passes. All Saints great team work led to their 2nd goal which was also scored by Brad who showed great skills all game. It was a great team effort and the players showed that with practice their skills continue to improve every week. This weeks player of the match award went to Matilda, well done Matilda and two good sports awards went to Natalia and Claire for helping St Pats who were a bit short of players, well done to Natalia and Claire. It was an enthusiastic effort by all the All Saints’ Under 9s well done children.

**7 YEARS SWANS**
The ASC Swans were back refreshed after the holidays and went up against Oberon this week. Our team was down on numbers and the good sports from Oberon loaned us a player for the game. Claire, Andy, Jack V and Megan bravely stepped out onto the ground, Megan starting a very strong attack which saw her attempt at goal narrowly miss. This fired our striker Andy up and along with Claire went on with further attempts. Oberon had some players in front of goal for most of the game which meant the team had to be spot on with their shots. Only in the second half did the goals come with Andy scoring 3 goals (which earned him player of the game), with good support from Jack. Oberon could only manage 1 goal in reply. Well done Swans for the win as well as the good sportsmanship that was displayed throughout the game. Mr Redpath

**9 YEARS KOOKABURRAS**
The Kookaburras were a little rusty in the first half of this game following our time away during the holidays. Charles did a great job as goalie during the half and kept the score at 1-0 our way. After half-time the team improved both passing and positional play with many more scoring opportunities. Simon scored an excellent goal and make some effective corner-crosses. Final score was 2 – 1 and Simon was awarded the Medal of Honour. Special thanks to Mr Pandoulis and Mr Nugent. Mr Hines

**11 YEARS HAWKS**

An evening game of soccer in July is always tough, especially on the brave parents watching in the bitter cold. Police Paddock was no exception. Add to that a game against the Bathurst 75 Blues (A team) and it was to be action packed as well as cold. Our team was short on numbers and the 75’s graciously loaned us a few to keep the sides even. This was a very sporting game and appreciated by all. It was a quick and lively game with our players showing great strength and determination against the opposition and the cold night air. Our key strengths were passing, teamwork and spirit and these attributes were displayed by all present on the night. Not a win, but a very good effort and one the players can be proud of. Mr Redpath

**NETBALL REPORTS**

It was great to get back to netball after such a long break with everyone enthusiastic and ready to go. The girls played magnificently and it was a joy to watch the skill and determination of the players. A huge thank you to the wonderful Scorchers’ parents who did clubhouse duty on Saturday. The Netball Association does a marvelous job running the competition for us each year but it wouldn’t happen without each team making a contribution to duties each week. Thank you so much once again. Good luck on Saturday everyone. Gabrielle Darlington

**ASC BUNNIES V KOOKABURRAS**

It was a very high scoring and exciting game with Ella scoring 6 points, Kate 2 points, Gena 2 Points and Molly 1 point, Madhi helping with excellent passing and shooting. Our defence was exceptional with Sara, Xanthe, Eliza, Lilian and Jessica all passing and intercepting well. Best and fairest was Gena for an outstanding game.

**ASC PUPPIES**

This week we played collegians Hot Shots. We had a good game with Charlotte scoring our only goal. All the girls played well with good defence and tried hard unfortunately it was not enough to stop the Hot Shots from winning. But it was a good game by all. Rhiannon Hunter

**ASC SCORCHERS**

On the 24th of July it was a cold Saturday morning and the under 12 ASC Scorchers were warming up on the court. We were ready to win. As the game started the sun had come out and it soon changed into a nice warm day. We were playing the Collegians Charmed Ones. A team we had previously beaten. There were some extremely good interceptions by Maddie Buckley who was defending the goal circle. Sophia Grant and Lily McClelland never gave up attacking the opposition for the ball. The score was neck and neck and by the last quarter we were even. Isabelle Card and Hannah Armstrong stuck to their players like glue and in the end we one by one goal 19-18. Congratulations to Libby Crampton for getting the player of the week. A big thank you to Mrs Cant and Mrs Crampton for coaching us through the game. Alexandra Corbett-Jones

**12 YEARS EAGLES**

The 12 Years soccer team has played two matches since the start of the term. Both games have indicated that the team show tremendous improvement from last term. The first match was played on Saturday against the more highly fancied Bathurst 75 Blue. The ASC team were quick out of the blocks and scored an early goal through the skilful boot of Cameron Redpath. This was followed by an equally impressive display of Tim Cahill style shadow boxing the corner flag as he celebrated the goal with his jubilant team members. The rest of the game was a hard fought contest with our players being unlucky not to score a number of times. The opposition managed to score an equaliser just before half time and then scored the match winner with only a few minutes remaining. Despite the narrow loss the team was excited about how well they had played and celebrated with Taylor Whitley as she received the Player of the Match award. The team backed up with a midweek game on Wednesday. The match was played in steady rain on a quagmire otherwise known as Police Paddock. Our team again approached the match with great enthusiasm and they were unlucky not to score in a very even first half. Despite a great effort the Saints’ players went to half time down a goal, but their fortunes were revived early in the second stanza when Tom Card scored a wonderful long range goal. Tom’s joy was obvious, but his teammates were also delirious with joy at this fantastic effort. The team continued to drive forward into the Eglinton goal area and David Cant pounced on a loose ball to score an impressive goal to take the team into the lead. The last few minutes of the match were nerve racking for players and spectators alike and Eglinton, to their credit, rallied and scored an equaliser in the dying minutes of the game. Despite missing defeat in the narrowest of circumstances, the ASC players were delighted by achieving a draw, but also delighted by how wet and dirty they had become. The Player of the Match medal was awarded to Tom Card for a great all round game, but particularly his stunning goal; that turned the game early in the second half. I look forward to seeing the team continue to perform well this Saturday. Mr Cant
