Kid’s Corner

I was delighted when Kaitlyn Scott and Phoebe Reynolds from Year 5 approached me last term with a fantastic idea. They requested some space in our weekly VIM for students to make contributions. Kaitlyn will be the editor so any students wishing to make a contribution need to see Kaitlyn. I am continuously impressed at the confidence and initiative that our student display. You can see their first edition of “Kid’s Corner” towards the end of this edition.

Rainy Days and Sport

On rainy days some outdoor sports will not be able to have their normal training session outside. We will always provide an alternative activity for these children and they will be supervised by a teacher until the normal finish time of 4.30pm. If you wish to pick up your child at 3.15pm if it is raining it is essential that you sign them out with the co-ordinator of their sport before you take them. The sports co-ordinators are Mrs Nelson (Monday Sport), Mr Cant (Soccer), Mrs Darlington (Netball) and Mrs Clements (Hockey).

Winter Uniform – Long Sleeve Polo Shirts

There are now long-sleeve white polo shirts available for students to wear for Physical Education and Sport. Wearing one of these shirts will enable students to wear long sleeve thermal underwear underneath. Please contact the uniform shop if you wish to purchase one of these shirts.

Junior School Assemblies

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Chapel. Assemblies begin at 9.00am.

Peer Support – Promoting Harmony

This week in Peer Support the children will be participating in activities helping them to identify and accept differences in people. Children will also identify ways they can demonstrate being caring through their actions. Discuss with your child the importance of accepting differences in other people. Perhaps take the time to identify and discuss the various differences people may have eg appearance, religion, culture, disabilities. Ask your child to share the qualities they appreciate in their friends.

Embroiders Wanted

For the new library we are needing 10 new cushions for the reading area. If you are able to sew blanket stitch and would be interested in sewing appliqués designs on 1 or 2 cushions could you please let Mrs Keogh know. The appliqués will be already cut out and ironed onto the fabric, they will only require the stitching to be added. Thank you for your help with this.

ALL SAINTS’ COLLEGE JUNIOR SCHOOL
FROM THE REGISTRAR
Mrs Roslyn Cox

A warm welcome to Chiaki Morimoto (Year 8, Boarding) who is from Japan and will be with us until the end of August. Thank you to all the lovely Lyon boarding girls who gave Chiaki such a nice welcome when she arrived this week.

This weekend Stewart Ross, Paula Elbourne and I are heading to Nyngan for the Ag Expo. Special thanks to the Wass family for their generous hospitality in accommodating us for the weekend. We are looking forward to seeing some of our current families and hopefully meeting some new ones that may be thinking of All Saints. With 12 students from Nyngan, two from Tottenham and one from Hermidale currently in boarding, this is a very important part of the world for our school.

Next on the agenda will be our Information Night in Young (20 August) and the Condo Show (27 and 28 August). Also we will conduct two tours at the Spring Fair (5 September) so please steer any interested visitors our way on the day.

Our Senior School Tour for our current Year 6s was a great success last week, and a special thank you to all the parents who came along. It was great to see everyone and talk about the exciting opportunities that lie ahead for our next crop of senior-schoolers. Special thanks to Chris Jackman, Kay Murray, Rob Watts, David Pike, Michele Thornton, Paula Elbourne and Naomi Miller for their help and support in putting this event together. Also thanks to Gavan Carter and his team of workmen who put up a marquee in the rain at the last minute!

TRANSITION NEWS

Francesca plays the cello.

Father Paul reads Jonah and the Whale.

James has made a 2D shape rocket in space.

This term we welcome Georgia Huxtable to T3. Our Jolly phonics sound for the week is ‘ng’ as in strong, wing and string. For art the children decorated some butterfly wings by using string as a painting tool. In Maths on Friday we will investigate 2D lines. During Christian Studies the children listened to the story of Jonah and the Whale and completed a floor puzzle with Father Paul. In music with Mrs Crowley the children have been investigating different instruments and each had a turn playing the cello! It was great to have the opportunity to chat to parents during interviews this week and admire the hard work and wonderful progress each child has made over the last two terms. Regards, Deb Porter

The children show their decorated butterfly wings in front of our display of 2D shape prints.

Samuel shows his 2D shape garbage truck.

Georgia Milligan has made a 2D shape car, house and person.

**P&F to host Family First Aid Course**

The P&F with assistance from the NSW Parent’s Council will host a Family First Aid course at the College. The course is aimed at adults and is conducted over a six hour period, during school time. There needs to be sufficient numbers willing to undertake this course in order for it to be offered. Accordingly, the P&F are currently seeking expressions of interest from anyone who would like to undertake this course. Cost is expected to be around $85.00. Please contact the committee at ascpnf@gmail.com or contact me directly on 6337 1703 so we can determine its viability. In the meantime, the St John Ambulance Service is offering free for a limited time (usually $19.95) an online first aid course that takes about 30 minutes by visiting https://www.ambulance.net.au/clicktosave/login.asp. I would encourage you to at least take advantage of the online course - it could save a life. *John Morris*
