**Wish Upon a Star**

Our Year 4 class participated in the “Wish Upon a Star” Project which is part of a community consultation program being undertaken by the Bathurst Council. As a gift to the children for their assistance with this project the school has received a Gift Voucher from Book’s Plus which Ms Thompson will use to purchase some Fiction books for the class.

**HICES Athletics**

Our Junior School Athletics team will be representing the school at the Heads of Independent Co-Educational Schools (HICES) Athletics Carnival on Tuesday 24th August at the Athletics Stadium at Homebush, Sydney. I wish all of our students the best and good luck in their events.

**Welcome to Miss Ashlee Hill**

We welcome Miss Ashlee Hill from (CSU) to the Junior School who will be commencing her 10 week internship on Year 3 starting this Monday.

**Winter Uniform – Long Sleeve Polo Shirts**

There are now long-sleeve white polo shirts available for students to wear for Physical Education and sport. Wearing one of these shirts will enable students to wear long sleeve thermal underwear underneath. Please contact the uniform shop if you wish to purchase one of these shirts.

**Junior School Assemblies**

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Chapel. Assemblies begin at 9.00am.

**Peer Support – Promoting Harmony**

In this week’s Peer Support session the children will be looking at rights, how we as individuals have rights and so do other people.

Activities will also remind the children that although they may find themselves in difficult or awkward positions, they still need to remember to do the right thing. Discuss with your child a situation you were in that was potentially difficult or awkward and explain the decision you made and why it was the right thing to do.

**P&F seek volunteer for fundraising position**

The School P&F Executive is seeking expressions of interest from anyone who may be interested in filling a newly created position to assist in fundraising. The role of Fundraising Data Facilitator is a position for someone to maintain a database of parties interested in supporting the school.

This database will be used for all fundraising efforts to ensure a more co-operative approach with supporters, helping alleviate oversight and embarrassment. I do not expect this position will entail a lot of work, and it will not involve fundraising itself, rather liaising with people or group when they start planning their fundraising and keeping the database up to date. The use of a computer however will be required.

We want to get this up and running soon in preparation for next year’s efforts, so whether you are from the Junior School, Senior School, or a member of the Boarding Community, if you are interested or would like to know more, please contact the P&F at ascpnf@gmail.com Your help will be assisting the P&F, and ultimately the College, and very much appreciated by all. Thank you.

FROM THE REGISTRAR
Mrs Roslyn Cox

This week we are heading to Young for an Information Evening, catching up with prospective, current and past families. It should be an interesting opportunity and we are looking forward to showcasing the College in this area.

Planning for a number of shows and Information evenings is well in hand, with the Condo, West Wyalong, Forbes, Cowra and Young Shows, Info Evenings in Cowra, Oberon and Sydney, and the Orange Field Days coming up over the next two months. (Not necessarily in that order!) It’s a challenging timetable for the All Saints “flag-waving” team - but important for us to spread the word about our school.

***

Just a reminder to pass on to friends and family in the Bathurst area that we will be doing tours of the College at Spring Fair this year – scheduled for 11.30am and 1.30pm. These will be announced, of course, on the day.

***

This week in Transition we are exploring long and short ‘oo’ sounds. (Like both sounds found in cuckoo)

We have a good time looking for short ‘oo’ sounds while doing some asian cooking with cook books. We are celebrating Book Week in style by making books of our own.

For our long ‘oo’ sounds we are painting balloon pictures with more balloons, and also moons and playing with bloo goo. About noon we will get in the mood to play a ‘toon’ on the bassoon with our spoons, but let’s not get too carried away!!!

We like building healthy bodies by filling our ‘plates’ with lots of helpful food pictures as we discuss nutrition.

We dance around Luna Lagoon as emus, wombats, kangaroos and cockatoos in Music with Mrs McLeod and the children are taking turns playing the glockenspiels.

In Maths our teddies are hiding here there and everywhere as we explore position. Are they in or out, up or down, under or over, behind or in front? You Choose!!!

**HOCKEY**

Under 9's
It was a credit to the drainage of the grass fields that the All Saints' Under 9's and the St Pats' team were able to squelch out onto the field at all. On what was definitely a slow track, both teams did well early in the game to stay on their feet and control the ball. It was good position play up front and good vision that saw Ailee put in the first goal. Khan and Brad also supported each other well and assisted each other in scoring to two goals apiece. However this could not have happened without the great midfield work from Claudia, Sami and many others. Good defensive position play from Matilda and Niamh at the back made it difficult for St Pats to score when they got down field. The team only conceded two goals. Congratulations particularly to Darcie for her courage in retaking the field after injury. In difficult conditions she was a well deserved player of the Match for All Saints' Under 9s.

Saturday Under 9's Minkey Hockey

The last game and presentation day for Bathurst Minkey will be Saturday 21 August 2010. Starting at 9.45 am we will play our last game for the season. At the end of the game we will gather in front of the clubhouse to hold the presentations and BBQ for all the children.

8 YEARS CROWS

All Saints under 8s Crowns returned to action with a bang on the weekend with a 4-2 victory over Macquarie United. Even though the team has not had a great amount of play recently and have acquired a couple of new players, their teamwork is improving as the weeks pass. Player of the week was Sean Gardner. Mark Hayman

9 YEARS KOOKABURRAS

Another impressive game by the Kookaburras saw a 4-1 victory. Once again our team played well, demonstrating excellent teamwork and skills. All players are to be commended for their thoughtful approach to the game and their understanding that passing and teamwork wins games. Congratulations to Lachlan Buckley who was awarded the Medal of Honour for this week. Mr Hines

ASC BUNNIES

Last Saturday, we played against the Eglinton Joeys. We played a good match with our team members trying very hard to move the ball down the court. In the third and fourth quarters we did this successfully with the help of accurate passes and good breaks. Energetic Eliza had a fabulous game. She covered a lot of the court, and was always trying to grab an intercept. Super Xanthie also ran all over the court and she gave a lot of support to everyone. Xanthe also scored two goals. Jumping Genna was amazing at chasing the ball, throwing long, accurate passes, and making speedy breaks. Super Sara was always on the lookout for intercepts, and she worked hard in the goal circle to gain the ball to make attempts at goal. Lively Lilian had a superb game in defence, and worked hard as the Goal Keeper to defend shots and to grab a rebound. Agile Jenna played like glue to her opposition players, and she tried to make speedy breaks to receive the ball. Mighty Madi called for the ball throughout the game, and she showed good defensive skills by having her arms up to distract the opposition! Everyone has improved so much. Let’s have a fun and fabulous last game this week! Madi and Georgina Sanger

ASC PUPPIES

VICTORY at last! On Saturday the ASC Puppies played the OOT Maggies. Netball is a team sport and that was really on display this week. Without the amazing defending and great down the court passing by Kirrily, Rose, Rhianne, Isabella and Amber, I would not have been set up for my VERY FIRST GOAL! This was nothing compared to the 14 that Charlotte got (she was on fire) but she did feel great to get one in as well. A big thank you to Mrs Seigert who gave us extra coaching hints this week and a big thank you to Lauren Kelly who came down to witness our win as well. Only one game to go, so let’s bring it home Puppies.... By Grace Brabham

ASC SCORCHERS

It was a cold winter’s morning and the ASC Scorchers were trying not to slip on the wet court while they were warming up. We quickly put on our bibs and ran onto the court. As soon as the whistle went we sprang into action. We were determined to beat the OOT Quails, a team that had previously beaten us. By half time we were winning by one point 13-12. Isabelle Card showed great courage getting back in third quarter, after she had previously fallen over and hurt her arm during the second quarter. Unfortunately, we had lost 4 points during that third quarter and we really needed to get them back. Thanks to Lily McClelland we were extremely pumped and ready to win. Congratulations to Libby Crampton and Sophie Cant for shooting some excellent goals and to Caitie Crampton for defending the goal circle brilliantly. By the end of the game the score was 32-27. We had clawed back 9 goals within 12 minutes. We definitely couldn’t have done this without Mrs Carmpton and Mrs Cant for encouraging us and supporting us through the tough game. Well done to Sophia Grant for achieving player of the week. Alexandra Corbett-Jones
