Spring Fair
As everyone would be aware, the annual All Saints’ College Spring Fair is on this Sunday. I encourage everyone to come along and enjoy the festivities.

Parking
Could I please ask everyone to observe the parking signs around the school and take extra care in looking out for small children whilst driving on school grounds.

HICES Athletics Carnival
The Junior School had one of their best results for many years at the recent HICES Athletics Carnival winning the Averages Shield in Division 2. I would like to congratulate all of the students who represented the Junior School for their fantastic effort.

Bledisloe Cup
On Wednesday this week all of the students in the Junior School from Kindergarten to Year 6 had an opportunity to see the Bledisloe Cup close-up. The Year 3 – 6 students then participated in a variety of physical education activities lead by the rugby development officers.

Mr Chris Jackman – Head of Junior School Report

Student of the Week
From the Chaplain

Mr Chris Jackman

Bathurst Eisteddfod Society

LOST PROPERTY
There is a lot of lost property in the Junior School Office. All of the clothing currently in the lost property hasn’t been labelled. Please come into the office to check if it is your child’s items.

FOUND
A coloured stripy bag with a girls blue dress in it has been handed into the Junior School Office. It looks like it could be a dress-up costume.

Lost of Fertilized Eggs

VIM 26 2010

Bathurst Eisteddfod Society

The Bathurst Memorial Entertainment Centre (BMEC) does not have EFTPOS. Tickets must be purchased at the Box Office. $5.00 for adults or $4.00 for Seniors and Pensioners and children under 5 years are free. Primary and Secondary School age is $1.00.

To ensure entry to the event please come early as the doors will be closed during performances and no entry will be allowed until the section has finished performing. No prams are allowed in the Theatre and Hall. Pram Parking Room will be in Conference Room 1.

No video, camera or mobile phones are allowed to be used during performances. The Committee wishes your students every success in the 2010 Bathurst Eisteddfod.

WANTED FERTILIZED EGGS

Two of the Books for Book Week are stories about chickens. The library staff would like the children to experience the process of chickens hatching.

If you have a rooster who is good with the ladies and you would be happy to loan us some of your eggs, which will be placed in an incubator, could you please drop them into Mrs Keogh’s office. It would be best if the eggs were only a few days old. Please label the container with your name if you would like to have the chickens given back to you if your eggs are successful.

We have been singing the song by the Lads - ‘My best friend’s the creator of the universe’, on Youtube - cartoon - if you would like to have a taste of what Chapel sounds like.

This week at assembly I will be presenting a Book of Prayers to each class for use by the students.

It has been a delight to work with their enthusiasm. Looking forward to seeing you at the Spring Fair. Father Paul

All eyes on are on the skies as everyone gets ready for the Spring Fair this weekend. Well done to Lesley Bland and her team of workers. It is a massive task and these dedicated people have been working very hard for many weeks. We all have our fingers crossed for a sunny day and a good roll-up of visitors.

In terms of marketing, you may be hearing our radio ads on 2BS and BRock and seeing our print ads in the Advocate. Spring Fair is a terrific opportunity for those outside our school community to have a look around the College. I will be doing tours on Sunday for those interested – at 11.30am and 1.30pm. Please spread the word. Also in terms of promotion, you will see the Nick Cook (Cokkie) and Jacqui Jeffries from BRock here on Sunday – as they will be broadcasting live from the Spring Fair – between 11am and 2pm. Cookie will be doing some “roving reports” and interviews with stall-holders, talking to students and also interviewing some of our organisers.

Don’t be intimidated by the microphone if you are on a stall and asked for a quick chat! Cookie is terrific and it is wonderful promotion of our school.

We had a terrific day, not mentioning the freezing wind, at Condo Show last Friday. Great to catch up with Jane and Ian Menzies and I know Eliot Sanger and Stewart Ross caught up with some of our other Condo families on the Saturday. Also nice to see a host of OBUs who were good enough to sign our visitors’ book and say nice things about All Saints’. We have some interesting leads to follow up, with Condo continuing to be a positive place for us to spread the word about our school.

***

Upcoming events include West Wyalong Show (7 and 8 September), an Information Evening at Cowra (10 September), Forbes Show (9 – 11 September), Cowra Show (14 – 15 September) and Young Show (26-28 September).

Please remind anyone you know in these areas to visit us at our stands or come along to the Info evenings. They would be very welcome.

This week the Transition children have been busy preparing for Father’s Day and learning about the ‘x’ phoneme and graphs. We painted our bones on our traced hands to make x-rays and graphed our eye colour and favourite dinosaur. For news the children have brought in a tool or gadget from the garage or shed. The children have been interested in comparing the length of various tape measures that have been brought in.

The children have enjoyed going to the computer lab during library time with Mrs Crofts, listening to Bible stories with Father Paul and music with Mrs Crowley. I asked the children what they like doing with their Dad and have included a sample. We would like to thank Jesse for his help in T3 and look forward to sharing a yummy breakfast with our Dads on Friday. I hope to see you at Spring Fair this Sunday! Kind Regards, Deb Porter

What I like doing with my Dad

Xavier: I like riding on my Dad’s motorbike with him.

Hannah: I like planting trees with my Dad.

Francesca: I like going tobogganing with my Dad.

Georgia F.: I like going to Annie’s Ice Cream Parlour with my Dad.

Shannon: I like mowing with dad.

Kobi: I like doing homework with my dad.

Georgia M: I like cooking with my Dad and eating bacon, eggs and toast at his work.

James: I like riding my bike and going on the ride-on lawn mower with my Dad.

Georgia M. tries on her safety glasses for us.
NETBALL REPORTS

U12 Netball ASC Scorcher Report -
Friday 20th August and Saturday 21st August, 2010

On Friday 20th August the U12 ASC Scorcher Netball team travelled to Orange with the ASC Junior School Rugby Teams and Hockey teams for a “friendly” meet against Kinross Woloroi School. Both teams played well and although Kinross had the possession and possession edge ASC Scorcher took lead in the first half with accurate passing shots, steady hands in the goal circle and superb defence. The second half saw Kinross getting a stronger rhythm to their game which led to them steadily chipping away at our lead however the Scorcher girls held steady, regrouped and made few mistakes to ensure a win. After the game Kinross provided a fantastic sausage sizzle for all the players. We would like to thank the teachers and coaches from both schools who made this friendly competition possible. Although we were tired from our game at Kinross, The ASC Scorcher backed up on Saturday 21st August against the Groovy Chicks. Using the game against Kinross as a warm up for Saturday we all focused on the job at hand to cement our place in the competition. Our passes and intercepts were again a highlight of our game allowing the game to be fast and free flowing. Once again when the ball got into the goal circle it was assured of going through the hoop. As always when we play; we play as a team with everyone making outstanding contributions so it was hard for the coaches to choose a player of the week but one player did stand out – Catherine Crampton! Next week we face our toughest challenge yet – Semi Finals. Go Scorcher!!! By Madeline Buckley

ASC Scorchers - Saturday 28th August, 2010

The semi-finals was a great game against the Quails. With all of our players there, either playing 2 or 3 quarters, it was great to have the full team. As many know, Katie Horne has been away for at least 7 weeks and made an excellent comeback as goal keeper in the second and third quarters. For the first quarter, Sophie Cant did some very fast driving forward, therefore her player was outwaited and from what I could see at the other end, Katie and Libby Crampton had very precise and well deserved goals to get us in the lead. With quick defence and attack in their passing, Lilly McClelland and Sophia Grant took turns in centre while Alexandra Corbett-Jones and Isabelle Card were alongside them in defence. At the start of the season Maddy Buckley and I joined the team. Maddy has been doing really well in defence and the team has benefitted from her work, while Hannah Armstrong was in attack, and Catherine Crampton was right in the middle of the tackling, going against players much bigger than herself. Isobelle ran into the play, cleverly kicking the ball ahead towards the goal. Jack T demonstrated his speciality – running ahead and scooping the ball away from the opposing team when they headed towards the goal. Alex showed not just attack but defence, kicking the ball out of the field when the Collieries attacked. Mitch ran fast, always pushing the ball forward to the goal. Jonno played with his usual great spirit, showing what a great goal scorer he is. The first half saw Alex take the first goal. The Collieries took a goal, but the Emus concentrated to make sure the Collieries did not get any further ahead, pressuring, tackling and passing. Mitch kept running forward with the ball and the second goal, just in time for half-time. The second half started with a goal by super-scorer Jonno. The Collieries took a second goal, but right to the very end, the Emus concentrated, crowning their run of goals with a clever goal by Jack T.

Congratulations Emus! Mr Redpath

12 YEARS EAGLES

The Mighty ASC Eagles finished the season with a very close match against the Eglinton Eels. Both teams had numerous opportunities to score, but were not able to capitalise for most of the match. Eglinton managed to sneak in a goal just before half time giving them a 1-0 lead which they were able to defend for the remainder of the match. Our players tried valiantly to equalise but the elusive goal did not come our way. Congratulations also to Matthew Jackman who received the Player of the Match award for his determination in defence. Mr Cant

7 YEARS SWANS

Our little Swans were in full flight this week. Graceful, confident and full of energy on such a beautiful day. The boys are growing stronger in their kicking and the girls are quick and lively on the field. Adam scored the first goal and Andy with his powerful boot scored a stunning goal, over the top of the players and into the back of the net. Defence was good and Andy stuck to his goal which was a great one. ASC forward with the ball and took another goal, just in time for half-time. The second half started with a goal by super-scorer Jonno. The Emus concentrated to make sure the Collegians did not get any

7 YEARS EMUS

The Emus had another thrilling win on Saturday, 28 August 2010, this time against the Collegians. The 4 – 2 win showed what a great team the Emus have become. Throughout the game, the Emus spread out, marked the opposing team and passed really well. From the very first moment to the very last minute, the Emus pressured and tackled. Amy made sure that she was right in the middle of the tackling, going against players much bigger than herself. Isobelle ran into the play, cleverly kicking the ball ahead towards the goal. Jack T demonstrated his speciality – running ahead and scooping the ball away from the opposing team when they headed towards the goal. Alex showed not just attack but defence, kicking the ball out of the field when the Collieries attacked. Mitch ran fast, always pushing the ball forward to the goal. Jonno played with his usual great spirit, showing what a great goal scorer he is. The first half saw Alex take the first goal. The Collieries took a goal, but the Emus concentrated to make sure the Collieries did not get any further ahead, pressuring, tackling and passing. Mitch kept running forward with the ball and the second goal, just in time for half-time. The second half started with a goal by super-scorer Jonno. The Collieries took a second goal, but right to the very end, the Emus concentrated, crowning their run of goals with a clever goal by Jack T.

Congratulations Emus! Mr Redpath

8 YEARS CROWS

The Crows took on the might of the Bathurst 75 Tornadoes last Saturday and handled this difficult assignment with great enthusiasm. As usual the players chased the ball fiercely and they showed pleasing field position and placement during the match. Our players passed the ball accurately and worked hard to keep the opposition attack at bay. Both teams managed to score a number of goals but 75s ran out deserved winners. Congratulations to Sam Hope who won the Player of the Match award for his excellent play in the first half and his fearless goal keeping in the second stanza. Mr Redpath

11 YEARS HAWKS

All Saints 11Years team ran onto the field for the last time this year facing up against Macquarie United Diemons. With ten players, our team showed a lot of courage and determination. On top of a brilliant game last week, All Saints again showed the skill and co-ordination that has been building throughout the season with another outstanding and every inch of the performance. The final score of 1-0 to Macquarie was a great result and highlighted the pressure and defence shown by All Saints. Well done everyone. The year has been a good one with for All Saints with the inclusion of more girls into the team. The boys accepted and helped the girls along, helping to build both teamwork and confidence within themselves and the new players. Special thanks to Mr Cox for his tireless coaching throughout the year and to Mrs Anlezark for her assistance with coaching duties. Mr Redpath

If you answered even a "maybe" to any of these questions, you are in for a treat!

Bathurst Wholefood Co-op is coming!

The Co-op aims to:

1. purchase locally grown and/or organic fresh produce and related products, for sale to co-operative members and the wider community;
2. promote and create a route to market for local/organic produce generated by the local farming community;
3. work in conjunction with existing organisations to raise awareness in the community about the benefits of buying/consuming locally sourced produce;
4. work in conjunction with existing organisations to raise awareness in the community about the benefits of buying/consuming organic produce.

The primary activities of the Co-op will be to:

1. operate a retail store in Bathurst, stocking where possible locally sourced food and related products;
2. sell fresh produce from local farmers for sale in the retail store;
3. stock a selection of organic food and products for sale in the store; and
4. provide information and awareness-raising activities in the store on the benefits of buying/consuming locally sourced and/or organic products.

We are planning to open the store by the end of this year and we need your help! The Co-op will only work with your support. So please feel free to become a member when it is established by filling the attached form and either emailing and mailing it to Bathurst Wholefood Co-op at PO Box 495, Bathurst 2795.
APPLICATION FOR FUTURE MEMBERSHIP OF BATHURST WHOLEFOODS CO-OPERATIVE

Please complete in block letters. One membership per household

The objectives of the Co-operative are to:

1. purchase locally grown and/or organic foods and related products, for sale to co-operative members and the wider community;
2. work in conjunction with existing organisations to raise awareness in the community about the benefits of buying/consuming locally sourced products;
3. work in conjunction with existing organisations to raise awareness in the community about the benefits of buying/consuming organic produce; and
4. promote and/or create a route to market for local/organic produce generated by the local farming community.

The primary activities of the Co-operative are to:

1. operate a retail store in Bathurst, stocking (where possible) locally sourced food and related products;
2. buy fresh produce from local farmers for sale in the retail store;
3. stock a selection of organic food and products for sale in the store; and
4. provide information and awareness-raising activities in the store on the benefits of buying/consuming locally sourced and/or organic products.
Western NSW Football and Bathurst 75 would like to invite you to attend our Football NSW School Holiday Camp.

Our School Holiday Camp is the start of the FNSW Player Pathway Program and will provide all players aged 5-13 years with the chance to be coached by qualified FNSW Instructors.

Football NSW expert curriculums will teach the essential skills necessary for future football success. These skills are the foundation for technical ability.

All School Holiday Camp players will be invited by FNSW to our Open Trials for our Grassroots Development Program (GDP) or Junior Development Programs (JDP) or Project 22 (P22) These programs are run in various venues within Western NSW.

Each player at the camp will receive the following:
- 12 hours (3 x 4 hour days) of expert instructions
- Certificate / 10 week personalised home training program / Football NSW Gift
- All players will be invited to Open Trials for either our GDP/JDP/P22 programs
