Healthy Harold comes to All Saints’ College

Over the last week students in the Junior School have had the opportunity to visit the Life Education van and of course, Healthy Harold the giraffe. This program forms a valuable part of the Personal Development, Health and Physical Education curriculum and is always enjoyed by the children, especially the Infants who are very fond of Harold.

New South Wales Combined Independent Schools (CIS) Primary Athletics

Congratulations to the following All Saints’ College students who, due to their magnificent performances at the HICES Athletics Carnival, are representing HICES at the CIS Carnival.

Junior School Assemblies

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Chapel. Assemblies begin at 9.00am.

Important Dates for the Calendar

- 17/9/10 Year 6 Fun Day
- 22/9/10 Mighty Minds Muster
- 23/9/10 Benefactor’s Service
- 23/9/10 Last day of Term 3 classes
- 12/10/10 First day of Term 4 classes

From the Head of Junior School

Mr Chris Jackman

Kian Blackshaw  Discus and Shot Put
Natalia Burgess  100m track
Phoebe Reynolds  High Jump and Long Jump
Taylor Whitley   High Jump

Peer Support – Promoting Harmony

In this week’s final session of the Peer Support module Promoting Harmony the children will be creating a chatterbox, helping them reflect on what they have learned over the past 7 weeks. They will be reminded to reflect on their values and how they can demonstrate these to other people. Each Peer Support group will have the opportunity to celebrate what they have learned and the new friendships and connections they have made.

Apron Orders

I need to tell everyone that Friday, 10th September is the last day for aprons. Could everyone please get their orders in!

PET MOUSE

Free to a good home
1 white pet mouse.
If you are interested please email m.crofts@saints.nsw.edu.au

Library on the move

Next week the children are asked to return all library books as we will be packing the Junior Library into boxes in the last week of this term. Reminder notices will be sent home after each of the classes incase you are unsure of the books which your children have borrowed.

The carpet and furniture are due to be put into the new library in the last week of the holidays so the current plan is to move the contents of the library and unpack the books during the first week of Term 4. We are working towards the children borrowing books once again in week 2 of next term.

We appreciate your support in the returning of all books next week.

Mrs Crofts
Congratulations to Lesley Bland, her team of organisers and all the many, many parents who gave their time and worked so hard on the Spring Fair on Sunday. As always there was a wonderful spirit on the day, despite the slightly dodgy weather, and the happy result is that the weather did not seem to affect the numbers of people attending – at least from my perspective! I am happy to say that I took some great families on tours, which was terrific. I also met some OBU students who had returned to Bathurst for Saturday night’s dinner and took the opportunity to have a good look around the College.

(Somewhat peripherally, well done to the hard-working boarding and day students who did a terrific job at the OBU dinner on Saturday night. They did a great job and the dinner was a real success.)

Thank you to all the stallholders, students and organisers who chatted on the radio to Dominic and Jacqui - our friends from BRock and 2BS. Radio is a wonderful medium to spread the message in Bathurst and I’m certain this kind of publicity and promotion benefits our school.

***

Stewart Ross returns from “waving the All Saints flag” at the West Wyalong Show today, so hopefully some more leads from this neck of the woods. On Friday this week we are heading to Cowra for our next Information Night. Thank you to our local Cowra families including the Watts and the Grants who have helped us spread the message and encouraged people they know to come along on Friday. These promotional evenings are proving to be very positive.

Good luck to Eliot Sanger who will be at Forbes Show until Saturday. The next events are Cowra Show (14 - 15 September), Young Show (26-28 September) and Information Nights at Oberon (24 October) and in Sydney (30 October).

Please remind anyone you know in these areas to visit us at our stands or come along to the Info evenings. They would be very welcome.

This week the Jolly Phonics sound is ‘ch’. We are working hard at remembering and practising how to write the letter ‘ch’. We are learning more sounds in ‘Jolly Phonics’. This week our sound is ‘ch’. We are going to enjoy cooking ‘Chinese Fried Rice’ and eating it with ‘chop sticks’. We are going to have fun making and eating chocolate crackles!! In Mathematics we are investigating ‘temperature’. We will be thinking about ‘hot’ and ‘cold’ things. We are continuing to think about ‘Healthy Living’. This week we will look at a ‘healthy diet’ and eat some healthy food and do some exercise.

We are going to enjoy – Music with Mrs. Mac Cleod, Christian Studies with Father Paul, Japanese with Mr Pike, Library with Mrs Croft. HAVE A GREAT WEEK EVERYONE!

As part of the ‘Healthy Living Program’, this week we are talking about healthy eating and doing some exercise.
HOCKEY

Hockey Report

The Crows played Bathurst 75 White Lightning in wet, cold and windy conditions on Saturday. Despite the miserable weather the team were red hot in the first half and scorched their way around the field with a lot of determination between our players. Andy scored all 3 goals to maintain the grand final they can be proud of the way they played. I felt it was one of their best games of the season. A big thank you goes to our wonderful supporters who braved the inclement weather to cheer us on. We really appreciated your cheering from the sidelines and positive comments!

Mrs R. Clements, Coach

NETBALL REPORTS

The netball season for 2010 has come to an end. The Scorcher played a very skilful game on Saturday exemplified by team cohesion, great sportsmanship and outstanding effort from all players. It was a nail biting game but an absolute joy to watch. Well done to a fantastic team. Gabrielle Darlington

ASC Scorcher

I am sad and also proud to day that this was the scorcher final game. The team played the Calare Diamonds and sadly lost the game 21 to 18. Although we had to play in the basketball stadium because of the weather, we all had a fun game. We had some excellent defence by Lily McClelland, Alex Corbett-Jones, Katie Horne, Sophie Cant and Isabelle Card. Hannah Armstrong had some great leaps and good breaking. This Game was the Minor Finals and if we had won this game, we would been in the Grand Final. All the girls have had a lot of fun in this year’s Bathurst Netball competition and we all look forward to next year’s season. All the girls from the scorcher would also like to give a big thank you to Mrs Cant and Mrs Crampton for giving up their time to come and be our coaches. Isabelle Card

8 YEARS CROWS

The Crows played Bathurst 75 White Lightning in wet, cold and windy conditions on Saturday. Despite the miserable weather the team were red hot in the first half and scorched their way around the field with some excellent passing, dribbling and defence. The team led 2-0 at half time and looked like they were set for a comfortable victory, but the opposition rallied after the break. Our players tried valiantly to hold onto their lead, but the wet weather slowed our legs and White Lightning managed to sneak ahead in the dying minutes. All of the Crow’s played well and showed they are continuing to improve and develop their skills as the season draws to a close. Congratulations to Zale Edwards who won the Player of the Match award for an excellent game in difficult conditions. Mr Cant

7 YEARS CROWS

It was a miserable day for the Swans because of the weather. So miserable, the opposition could only muster 2 players on the day. Fortunately for Eglinton, Jack B played on their team which made for an interesting brother on brother showdown with the Baxter twins. Knowing each other’s strengths was a bonus for the brothers but the Swans had the added advantage of Andy, Mags and a lot of determination between our players. Andy scored all 3 goals this week for All Saints and Jack B scored a good goal for Eglinton. Mr Pike kindly filled in as coach and Megan took out Player of the Week for her outstanding effort in amidst the cold morning. Well done everyone on the 3-1 win to the Swans. Mr Redpath

HICES Athletics Report

Having experienced rain, wind and icy conditions for days on end in Bathurst, the Junior School Athletics team welcomed the pleasant 20 degrees presented to them at the Sydney Olympic Park Athletics Centre. The students were at Homebush of course to participate in the HICES Athletics carnival. Obviously we weren’t there alone, there were 13 other schools looking to perform and excel throughout the day. All Saints’ College was placed in Division 2 against Arncliff College, St. Pauls Grammar, The Hills Grammar, Northholme Grammar, Masada and The Scots School. Spectators were constantly rewarded with some exciting and courageous performances on the track and it all began with Rachel and Lucy Corbett-Jones gaining 1st & 2nd in the 800m, the first track event of the day. There were many outstanding individual performances on both the track and field and the stream of coloured ribbons coming back into the grandstand was phenomenal. But even for those students coming back empty handed they had no doubt gained a wonderful experience in an enjoyable, yet fierce competitive environment. At the conclusion of the carnival almost unexpectedly (by the students), All Saints’ College was awarded the Division 2 percentage shield. The students should feel very proud of this achievement and it is no doubt that every team member contributed to this fantastic victory. Congratulations to Kian Blackshaw, Natalia Burgess, Phoebe Reynolds and Taylor Whiteley who will be representing HICES at the CIS carnival, this is a fantastic achievement!

Spring Fair Success

Thank you to all the parents, staff, teachers, students and friends who braved the cold and unpredictable weather on Saturday and Sunday to ensure the success of the Spring Fair 2010 - from setting up, manning stalls, selling tickets to clean up. Fantastic effort by all.

Also a special thankyou to the Year Parents and helpers who put in alot of time and effort organising their stalls leading up to the Fair. Gavin Carter and his team thankyou for all your hard work.

Another special mention to everyone who helped in the Treasury, especially Lindsay and Gavin, the results have already been tallied and it is exciting to report that the profit for the day was only marginally down on last year.

This is an amazing achievement considering the weather but also due to the fantastic support of our sponsors organised by Ruth and Mel.

I would like to thank Rosie Bayliss, Catriona Roach, Naomi Miller, Ruth Crampton and Mel Coote Geyer for working so hard to make it all happen.

Great teamwork girls!!!

Lesley Bland

Western NSW Football and Bathurst 75 would like to invite you to attend our Football NSW School Holiday Camp.

Our School Holiday Camp is the start of the FNSW Player Pathway Program and will provide all players aged 5-13 years with the chance to be coached by qualified FNSW Instructors.

Football NSW expert curriculums will teach the essential skills necessary for future football success. These skills are the foundation for technical ability.

All School Holiday Camp players will be invited by FNSW to our Open Trials for our Grassroots Development Program (GDP) or Junior Development Programs (JDP) or Project 22 (P22) These programs are run in various venues within Western NSW.

Each player at the camp will receive the following:
- 12 hours (3 x 4 hour days) of expert instructions
- Certificate / 10 week personalised home training program / Football NSW Gift
- All players will be invited to Open Trials for either our GDP/JDP/P22 programs
