From the Head of Junior School

Mr Chris Jackman

Eisteddfod Success

Congratulations to all of the students and staff who have participated in the Bathurst Eisteddfod over the last three weeks. The Eisteddfod provides the students with some fantastic opportunities to practice performing in front of an audience. I have been very impressed with the way they have represented the school both on and off the stage.

Year 6 Fun Day

On Friday 17th September all students from Kindergarten to Year 6 will be involved in the Year 6 Fun Day. The money raised at the Fun Day will be sent to a charity that Year 6 students choose to support. All Junior School students can wear casual clothes to school on this day.

Mighty Minds Muster

A group of upper Primary students will be travelling to The Scots School on Wednesday 22 September to participate in the annual Mighty Minds Muster. This is a competition where students have to use their problem solving skills and work collaboratively as a team.

Junior School Assemblies

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Chapel. Assemblies begin at 9.00am.

Eisteddfod Success

This week in Chapel we heard about Edwin Bean, the second Headmaster at All Saints College, from 1878-1888. He arrived here when he was merely 26.

His enthusiasm was contagious and so he had established Al Saints’ as a school of excellence. Two of his legacies are: The Bathurstian - which continues year by year, and the School motto.

With the help of God...we develop the inner strength. We begin with God; Augustine in the fourth century wrote: Without God we cannot, and without us God will not.

In his last years Edwin Bean was an Anglican Priest in Tasmania. His son Charles was the famous War Correspondent.

FROM THE REGISTRAR

Mrs Roslyn Cox

The next events on the marketing calendar are Young Show (26-28 September) and Information Nights at Oberon (24 October) and in Sydney (30 October). There is still a great deal to do in terms of tours and follow up with parents and families – as families make their decisions on schooling for their children in 2011.

Thank you again to the All Saints community, to students, teachers and staff, who are unfailingly polite and friendly to the families I am taking about on tours. This is one of the most important ways we can show what All Saints has to offer, and I appreciate your support.

We have had terrific feedback on the Kindergarten packs (pencils, rulers, rubbers and an All Saints pencil case) which we sent out to all our lovely little people who will be continuing on from Transition and coming into Kindergarten next year. Orientation Days and Information Evenings for our younger new starters will take place next term and we are looking forward to being able to those.

Congratulations to the All Saints folks (Rob Watts, Patrick Sinclair, Michele O’Brien and Garry Anderson) and the kind “Ipad guinea pig” students who helped out with their presentation on Ipads to Year 7 parents last week. It was a useful presentation and was very well-received by the many Year 7 mums and dads who attended. Next year will be a very exciting one for our new Year 7s and we looking forward to other orientation activities next term.

In Transition we are having a very quiet week ‘sh’. We read Where’s the Green Sheep” by Mem Fox and made our own fantastic sheep. We played Where’s the Green sheep all over the room.

We had a lovely time with shaving cream.

In home corner, the babies were sleeping ‘sh’. We went to look for some sheep in the ag plot and read some fantastic stories like ‘Snore’.

We sailed ships on our water trough and made night and day pictures in maths.

Father Paul always finds great things to compliment our sound for the week. We played fantastic instruments with Mrs McLeod.

James, Madison and Kate showing shaving cream hands.

In news we played guessing games with kitchen utensils.

Mariah and Mitch with our new blocks.

Here is the tall sheep, happy, blue, sleepy and swing, but where is the green sheep?

**7 YEARS SWANS**
This week the Swans ran onto the field for the second last time but with as much enthusiasm as if it were the first game of the season. With 6 players we had the luxury of subs and used this to our advantage to keep the Macquarie United Alley cats constantly defending. Jack V led the charge on many occasions with great passing and control to bring the ball down the important end of play. Adam scored the first goal this week which was brilliant. Jack B scored twice this week and Andy completed the All Saints 6-2 win with 3 goals of his own. Claire and Megan have shown they can mix it with the boys throughout the year and have improved greatly with speed and accuracy and everyone played to the best of their ability. Andy was awarded Player of the Week for his powerful kicking and accuracy. Well done everyone. **Mr Pike**

**7 YEARS EMUS**
The Emus had their most exciting game yet last Saturday with a 2 -1 win against Macquarie United Leopards. Amy led the action as the Emus kept up with the ball, pressured and spread out. Right away, Alex made a well-timed defensive kick away from the goal. Jonno supported by pressuring the ball to the other end of the field. Jack T followed by making a skilful pass to Jonno, who swiftly kicked the ball out and then repeated the trick a minute later. Amy continued to lead the action, being at the centre of every tackle. Then, the goal saves started, first Jonno, then Mitch made the goal save of the season, deflecting a strong ball that came right down the field. The second half began with the goal of the season, a pass from Alex to Jack T, who scored an eagle-like goal. Jack then saved his second goal. Alex came off after an opposing player accidentally him but bravely insisted on going back on immediately. Mitch entertained everyone with a determined header. The game finished with a skilful pass by Mitch to Jack T who made a clever goal attempt. Congratulations everyone! **Mr Pike**

**8 YEARS CROWS**
The Crows played their penultimate match of the season against Eglinton Tigers last Saturday. It was wonderful for the team to enjoy warm, dry conditions for a change and the team responded with some clever passing from the outset. Despite the ideal playing conditions, both teams had trouble finding the back of the net. The ball went from one end of the field to the other with many cracking shots on goal and a number of near misses. The final score in the match was 2-1 to Eglinton. Congratulations to the Crows on another excellent performance. **Mr Cant**
