Nut Free Policy
We are very fortunate to be able to control food at school because the children are fed in our dining room. From time to time we have events, such as the “World’s Biggest Morning tea” and children’s birthday parties, where food is brought to school and parents need to be aware of the school’s Nut Free policy. Please do not send foods to school that contain Nuts as a listed ingredient.

Junior Swimming Carnival

News from the P&F

My name is John Morris, and I am the president of the School P&F committee. Our School P&F meeting last Tuesday evening saw good discussion from the tremendous attendance, but in particular the allocation of funds for the purchase of two document readers to facilitate information delivery to (especially) our younger students. We also approved purchase of new keyboards and aids to help the very young students in the Junior School develop their computer skills. Soon the school P&F executive will consider purchase of two document readers to facilitate information delivery to (especially) our younger students.

We have only just been afforded an excellent fund raising opportunity as a result of a cancellation running the BBQ at the Mitchell Conservatorium’s Open Day, on Saturday 27 February between 11am and 2pm. I have asked for help from the Senior School and Mel Geyer and I also seek your assistance. Please let us know, or use the school P&F email: ascpnf@gmail.com if you can lend a hand. Together we can achieve so much, and it will go a long way towards the Junior School Vegetable Gardens!

I attended your P&F meeting last week and have addressed the training issue towards the Junior School Vegetable Gardens! P&F support I consider very important for our kids at All Saint’s College, together we work hard to help provide them with the best.

We are seeking expressions of interest from Students and Parents regarding the All Saints’ Equestrian Team. If you currently compete for the school or are interested in competing at various interschool events this year, please notify Belinda Thompson at the front desk or make enquiries to Nicki Stockman on 0417324870.

Transition News

This week in Transition we are happy to announce that the children are settling in extremely well. They are getting to know their new routine and friendships are already forming. Our class work this week has been associated with two nursery rhymes, Jack and Jill and Hickory, Dickory Dock. We have painted Jack and Jill’s pail and have made a clock with a mouse running up it. We have explored the colour blue and investigated squares. We have found squares in our environment and have collaged our own blue square towers. The children have been telling their classmates all about themselves and their family during news this week. It is pleasing to witness so many confident children.
