Drinks in Head of College Garden for Staff and New Parents
I encourage all new parents to the school to attend the drinks in the Head of College’s garden on Friday 12th February at 7.00pm.

Nut Free Policy
We are very fortunate to be able to control food at school because the children are fed in our dining room. From time to time we have events, such as the “World’s Biggest Morning tea” and children’s birthday parties, where food is brought to school and parents need to be aware of the school’s Nut Free policy. Please do not send foods to school that contain Nuts as a listed ingredient.

**News from the P&F**

My name is John Morris, and I am the president of the School P&F committee. Our School P&F meeting last Tuesday evening saw good discussion from the tremendous attendance, but in particular the allocation of funds for the purchase of two document readers to facilitate information delivery to (especially) our younger students. We also approved purchase of new keyboards and aids to help the very young students in the Junior School develop their computer skills. Soon the school P&F executive will be attending the Junior School after a request to support the installation of vegetable gardens. P&F support I consider very important for our kids at All Saint’s College, together we work hard to help provide them with the best.

We have only just been afforded an excellent fund raising opportunity as a result of a cancellation running the BBQ at the Mitchell Conservatorium’s Saint’s College, together we work hard to help provide them with the best.

**All Saints’ Equestrian Team**

We are seeking expressions of interest from Students and Parents regarding the All Saints’ Equestrian Team. If you currently compete for the school or are interested in competing at various interschool events this year, please notify Belinda Thompson at the front desk or make enquiries to Nicki Stockman on 0417324870.

**Transition News**

This week in Transition we are happy to announce that the children are settling in extremely well. They are getting to know their new routine and friendships are already forming. One class work this week has been associated with two nursery rhymes, Jack and Jill and Hickory, Dickory Dock. We have painted Jack and Jill’s pail and have made a clock with a mouse running up it. We have explored the colour blue and investigated squares. We have found squares in our environment and have collaged our own blue square towers. The children have been telling their classmates all about themselves and their family during news this week. It is pleasing to witness so many confident children. This week in T3 we also had a practice evacuation drill and assembled on the oval for a speedy roll call. Regards, Deb, Liz, Eva and Sally

Hannah enjoys role-playing with the dolls. Lilli enjoys a sandwich for lunch.

Kobi, Shannon, Oliver and Isabel show the Hickory Dickory clock they have made.

From the Chaplain

Father Paul Woodhart

At our first Chapels for the year we explained to the students what Baptism is, in anticipation of Lydia’s Baptism this Saturday at 11am in our Chapel. Lydia is the daughter to Sam and Sally Allcorn, and Sally is famously on our Infants staff. She has asked me to extend an invitation to any who might like to come.

I attended your P&F meeting last week and have addressed the training issue towards the Junior School Vegetable Gardens! Please let us know, or use the school P&F email: ascpfn@gmail.com if you can lend a hand. Together we can achieve so much, and it will go a long way towards the Junior School Vegetable Gardens!
