Fundraising Data Facilitator (Non Executive position)

It is a requirement that these positions be advertised; nomination forms are available at Reception. These forms must be returned addressed to Mrs Linda Fisher, present Secretary, no later than 16th November 2010 (via Reception).
Any questions, please contact a current member of the executive or email ascpnf@gmail.com.  Thank You - John Morris

Help needed
All Saints’ College is looking for parents who are able to help special needs students with their upcoming exams. All it entails is reading and scribing. Please contact Mrs Paula Elbourne on 6332 7309 or 0419 207 728 if you can help.
FROM THE REGISTRAR
Mrs Roslyn Cox

Last weekend we had our Information Night function in Sydney, hosted in the lovely home of Jayne and Daniel Cobden (parents of Tim in Year 10). Jayne and Danny were very generous, warm hosts and we caught up with a number of our Sydney parents, which was really terrific.

My thanks also to the many staff who supported our stand at the Bathurst Show – and a special thank you to the wonderful Greg Jones who stood with me for five hours on the Sunday in the pouring rain! I appreciate everyone’s support.

Our Sydney function was the last official flag-waving/marketing event for All Saints for this year. It has been a very busy schedule and I would like to pass on my personal thanks to Eliot Sanger, Stewart Ross, Peter Miller and Paula Elbourne who have travelled far and wide with me this year to showcase our school.

A special thank you to Wendy Wass, who travelled from Nyngan to Sydney, to support the event.

Tomorrow is a very busy one for our team with the main Orientation Day for both Junior School and Senior School. We have almost 50 new students (plus their parents) coming for the day – including our group of Year 6s who are moving into Senior School next year.

Paula Elbourne has done a terrific job of helping plan the whole day – and we are looking forward to welcoming all of our shiny new students and providing a wonderful day at All Saints for them. This evening will be the Kindergarten Information Night. Orientation Morning for 2-Day Transition is scheduled for Thursday, 11th November, and 3-Day and 5-Day Transition for Friday, 12th November. Transition Information Night for parents is scheduled for Thursday, 11th November at 7pm.

School tours are still going strong and this will continue right up until Christmas time and throughout January. Still lots to do, but 2011 is looking very promising.

On Tuesday we were very fortunate to be able to see Musica Viva in the Bickerdike Centre. We had a fantastic time of singing, music and lots of rhythm.

This week in Transition we are continuing our sounds in ‘Jolly Phonics’.

This week our sound is ‘ue’. We are going to paint pictures in different shades of blue. We will learn the poem ‘Little Boy Blue’ and colour and trace the picture.

*We will make blue telescopes to look through. We will ice biscuits with blue icing and decorate them with blue sweets.

In Mathematics we are thinking about fractions, ‘half’ and ‘quarter’. We are continuing to think about Christmas and learn our words for our concert. Thank you for your help. We will make angels for Christmas craft.

We are going to enjoy- A visit to the City Library, Musica Viva, Music with Mrs McLeod, Christian Studies with Father Paul., Japanese with Yuriko and Library with Mrs Croft. HAVE A GREAT WEEK EVERYONE!
In2Cricket

Last Saturday was a beautiful day at In2CRICKET and the field was again full of enthusiasm and energy as we heard the chants and cries of teams Warner, Ponting and Clarke.

We had great fun fielding with the 3 new crazy catches, a bowling relay and batting practice with our parents as the bowlers. Our bowling competition at the end showed how accurate we are getting as we bowled into the hoops and hit the stumps. We had a fantastic question from Mitch which earned him an encouragement award. Awards also went to Will Purvis, Lucy O’Sullivan, Thomas Martin, Xavier Haynes and Toby Gough.

Remember to bring the answer to our home question. What 3 materials make up a cricket ball? If you have your own question, write it on a piece of paper, as well as the answer, for your chance to quiz the crowd. Well done everyone.

ASC FLAMES

The ASC Flames played a very tall and very strong team, the Eglinton Donkeys.

The Eglinton Donkeys played very well and the score was 38-6. Although we were smashed in the score, we all had a great game and our team played well.

ASC STRIKERS

At basketball the Strikers versed the Bubblegum Babes. Unfortunately the Strikers lost 12 to 2 with Claire Eager scoring the only goal. It was a close and tough game.

ASC HIGH FLYERS V ASC STORMERS

On Friday the ASC High Flyers won their game against the ASC Stormers. It was a good achievement to have to play mercy rule against Year 7’s and 8’s. Everyone tried their hardest to get a smashing score of 61 to 12.
