12 YEARS CRICKET
Over the past two weeks the Under12’s cricket team has been travelling away to Blayney. It was a vigorous and tighter than expected match. At the end of day one we were 5/49 and Blayney were 9/51, we thought we had the game well within reach. We went back in on day two and were dismissed for a total of 83. Blayney then took to the crease, we only had the one wicket to win the match. The final two batsmen dug in for a last wicket stand of 29 falling just 3 runs shy of our total. Congratulations to all the players for an exciting match. Man of the match went to Lachlan Wilkinson who scored 19 runs and took 1 wicket. Tom Card (Captain for game 2).

On Saturday morning, before the rain came, we had great fun playing Softball. All us “little ones” are getting much better at hitting the ball, although throwing and catching are still a bit shaky. The big girls are being very helpful and offering lots of advice. I don’t really know who won the game but we had fun.

ASC REDBACKS
On Wednesday the 10th of November the ASC Redbacks played the Eye of the Tigers. The whole team played extremely well and had quite good defence. It was a very close game with the score of 10-12 the other teams’ way. Phoebe scored a great goal dribbling from the other side of the court. Priscilla and Rose also scored a goal. Grace played a great game with lots of good defence. Amelia got right in there with some great passes. Simone is another valuable member of our team who played a great game. We are all proud members of the ASC Redbacks and put in our 100% in every game we play just like we did that afternoon. By Alana Issa

Basketball Reports
Softball Report
What a fabulous year we have had. Whether it has been flipping sausages, serving soup, welcoming new parents or cooking cakes we have had a great time!
The Junior School P & F have had a lot of fund-raisers this year and we have raised a great deal of money, close to $10,000 in the bank! We are aiming for an even better result next year.
I would like to thank firstly Chris Jackman for his support and encouragement throughout the year, the committee is grateful for this.
A special mention must go to all the Parents and Class Parents who cooked, worked on stalls, gave up their time or again flipped sausages to raise money for our Junior School. It is a cliché but we could honestly not have done it without you!
Finally I would like to acknowledge and thank Donna, Stacey and Rae who have not only made this year a lot of fun but been reliable and committed to raising money for the School. I am also so very grateful for the way the girls took over while I was 'out of action,' the support I received was wonderful.

Our meetings next year will be on a Thursday night at 6.30pm and we are eager to see lots of parents at our meetings.
We are looking forward to a new year with two of our initial focuses being the fence around the vegetable gardens, the pirate ship under the shade sale and a new reading program for the Junior School.

Have a safe and relaxing holiday,

Mel Geyer
ALL SAINTS’ JUNIOR SCHOOL

MARKET DAY 2010

When: Friday 26th November
Where: Outside Year 3 Classroom
Time: 2:30 – 3:15 pm

This is a chance for all students and parents in the Junior School to purchase some fresh produce from the Year 3-6 vegetable gardens. There will also be lots of other wonderful fresh produce including fruit, vegetables, herbs, flowers, chutney and honey.

Most bundles of produce will be sold for $2 so children are encouraged to bring along a small amount of money to support the Year 3-6 vegetable gardens. Parents are also invited to purchase some of the produce. All money raised will be put directly back into purchasing seedlings for the vegetable gardens in 2011.
