I am looking forward to a great effort on Saturday to finish the season day ASC were on 73 runs and the match was well placed for an intriguing finish next Saturday. Well done boys.

Mainstay of the innings and he managed to bat through the 20 overs with an excellent mixture of solid defence and positive contributions to the total playing some excellent shots in front of the wicket. Alexander Miller was the hard at the crease until he was unluckily dismissed with the ball rolling into his wicket. Sam Rosen also being struck in the arm as he played a determined innings at the top of the order. Patrick Fisher also worked for our team to chase. Our batsmen worked hard to score runs against difficult bowling with Matthew Jackman.

HARDBALL CRICKET

Match and he promptly won the toss and sent the opposition in to bat. The St Pats openers revelled in the conditions and their opening partnership dominated the first hour of play. Our boys bowled well but were done boys. Our player of the week was Tim Jackman for his great bowling effort.

Great to see a number of wickets fall. Tim J bowled very well indeed this week. At the end of the game and with against St Pats Blue. It was a very strong performance by both teams, reminiscent of a 'Sidchrome Super Test

In a game that brought me flashbacks of the famous tied test match, we scored an exciting draw this week.

From the Head of Junior School

Mr Chris Jackman

will be offering an “Outback Adventure” for students in Year 5 and 6. The plan is to go on a 9 day road trip in one of the school minibus to some of our remote NSW outback tourist venues for some camping and sight seeing. Activities will include Western Plains Zoo, camping and fishing on Trilby Station near Louth, visiting White Cliffs and staying in the underground motel, and visiting many tourist attractions around the Broken Hill District. Accommodation will predominantly be camping in school tents in caravan parks. This trip will only go ahead depending on the level of interest. A parent is welcome to come along. There will only be 18 places available. The cost of the trip is yet to be finalized but I estimate it to be approximately $800 per person. Please contact me if you are interested in finding out more about the trip.

Cyber Safety

As parents of “digital natives” it is hard to keep up with how quickly our children are learning, communicating with and experimenting with new technologies. I encourage all parents to take time to look at the Parent section on the Australian Communication and Media Authority (ACMA) website www.cybersmart.gov.au. This website contains a great deal of hints and tips for managing children’s positive and safe use of Information and Communication Technologies at home.

HICES Swimming Carnival

Next Wednesday 10th March the Junior School Swimming team will be travelling to Homebush Aquatic Centre to participate in the Heads of Independent Co-Educational Schools (HICES) Swimming Carnival. I wish them the best of luck in their races.

Bathurst Show

If you are attending the Bathurst Show on the weekend please feel welcome to pay a visit to the All Saints’ College marquee.

From the Chaplain

Father Paul Woodhart

This week in Chapel I have been showing the You tube Christian music piece, God and Dog.

If you get a chance to look at it (it’s less then two mins) I would be interested to hear your thoughts.

God’s love is seen in creation but it is seen fully in Jesus Christ. The best definition of love by the way is: ‘the accurate estimation and supply of another’s need.’ Not too little not too much. Put another way? ‘What is hateful to you do not do to your neighbour.’

Thoughtfully, Father Paul.
This weekend is the Bathurst Show and we are busy this week with final preparations for the three days. Some highlights will be the performances of the All Saints’ College Intermediate Concert Band (Friday, 2pm), the All Saints’ Jazz Band (Saturday, 3pm - tbc) and the All Saints’ Senior Choir (Sunday, 11am). All performances will be held at the Beau Brown Stadium.

Other highlights will be exhibitions of Junior School art works, drinks and nibbles at 5pm on Saturday, balloons, face painting - and coffee and tea for those who need a break from the festivities.

I’d like to encourage all of our All Saints’ families and students to pop by and say hello if you are at the Show over the weekend. Our families and students are the best possible way to show what we are about and what we can offer prospective families. Plus it will be a nice opportunity to catch up!

I am presently trying to round up volunteers to help with face painting. So if you can spare a half-hour and have an artistic flair – please give me or Belinda a buzz: 6331 3911.
