Mr Cant – I am looking forward to a great effort on Saturday to finish the season. ASC were on 73 runs and the match was well placed for an intriguing finish next Saturday. Well done boys and some hard hitting boundaries. Alexander remained 18 not out at the end of the 20 overs. At the end of the innings, Chontelle was born on Sunday 28 February and is the birth of their second daughter – Chontelle Jane-Rose. 

ASC took on St Pats Green in the first week of a two day match. Sam Rosen was appointed captain for the team. All our batters did well with Tim.P standing his ground and playing defensively against a very strong bowling attack. 

Junior School Assemblies

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Performing Arts Centre. Assemblies begin at 9.00am. 

From the Head of Junior School

Mr Chris Jackman

will be offering an “Outback Adventure” for students in Year 5 and 6. The plan is to go on a 9 day road trip in one of the school mini-buses to some of our remote NSW outback tourist venues for some camping and sight seeing. Activities will include Western Plains Zoo, camping and fishing on Trilby Station near Louth, visiting White Cliffs and staying in the underground motel, and visiting many tourist attractions around the Broken Hill District. Accommodation will predominantly be camping in school tents in caravan parks. This trip will only go ahead depending on the level of interest. A parent is welcome to come along. There will only be 18 places available. The cost of the trip is yet to be finalized but I estimate it to be approximately $800 per person. Please contact me if you are interested in finding out more about the trip.

This week is the Bathurst Show and we are busy this week with final preparations for the three days. Some highlights will be the performances of the All Saints’ College Intermediate Concert Band (Friday, 2pm), the All Saints’ Jazz Band (Saturday, 3pm- tbc) and the All Saints’ Senior Choir (Sunday, 11am). All performances will be held at the Beau Brown Stadium.

Other highlights will be exhibitions of Junior School art works, drinks and nibbles at 5pm on Saturday, balloons, face painting - and coffee and tea for those who need a break from the festivities.

I’d like to encourage all of our All Saints’ families and students to pop by and say hello if you are at the Show over the weekend. Our families and students are the best possible way to show what we are about and what we can offer prospective families. Plus it will be a nice opportunity to catch up!

I am presently trying to round up volunteers to help with face painting. So if you can spare a half-hour and have an artistic flair – please give me or Belinda a buzz: 6331 3911.

**9 YEARS KANGA CRICKET**

In a game that brought me flashbacks of the famous tied test match, we scored an exciting draw this week against St Pats Blue. It was a very strong performance by both teams, reminiscent of a ‘Stichrome Super Test Team’. All our batters did well with Tim.P standing his ground and playing defensively against a very strong bowling attack.

Bailey surprised the opposition with some big hits as well. Tim J bowled very well indeed this week. At the end of the game and with no super over available, the scores were checked and we could not pick a definite winner. As such the game was declared a tie. I think a well deserved one, as both teams played so well, they both deserved to win. Well-done boys. Our player of the week was Tim.J for his great bowling effort. Mr Pickard

**HARDBALL CRICKET**

ASC took on St Pats Green in the first week of a two day match. Sam Rosen was appointed captain for the match and he promptly won the toss and sent the opposition in to bat. The St Pats openers revelled in the conditions and their opening partnership dominated the first hour of play. Our boys bowled well but were unable to dismiss the two batsmen until Hugh Elbourne took a wonderful catch in the gully off a well flighted leg break from David Cant. The wicket lifted the team and the ASC players then dominated the remaining overs with some tight bowling and fielding. St Pats scored 107 runs off their 20 overs and this was an imposing target.

**TRANSITION NEWS**

This week in Transition… we are thinking about Nursery Rhymes. We are learning ‘Polly Put the Kettle on’ and ‘Wee Willie Winkle’. We are making some beautiful teapots using colourful dye and silver paper. Would you like a cup of tea? We are thinking about the colour ‘orange’. It is a ‘warm’ and ‘happy’ colour. We are going to paint pictures in shades of orange. We are going to make and eat orange jelly!

We are thinking about rectangles. We are making pictures using rectangles. We are going to make prints using rectangular blocks. We are going to ice rectangle biscuits with orange icing and eat them. Delicious!! We are learning about ‘straight’ and ‘curvy’. We are going to cut and paste motorbikes on a ‘straight’ road. We are going to have a visit to the Bathurst City Library.

We are going to enjoy Music with Mrs Randall, Christian Studies with Father Paul; Japanese with Ayaka; Library with Mrs Crofts.

Literature Festival

29th, 30th and 31st March

Three exciting authors, Scott Monk, Lisa Forrest and Dave Hackett will be giving talks and workshops over the three days.

Scott Monk began writing at the age of 13 when a class assignment was set by his Year 8 English teacher. A reluctant reader at the time, he wanted to write something to replace the dull books that bored him to sleep during class. Little did the teacher expect that he would produce a 220 page manuscript - then ask her to mark it! At the age of 19, after several failures, he wrote Boyz R Us, which was published when he was 21. Boyz R Us won the Royal Blind Society’s Talking Book of the Year Award.

Lisa Forrest is a story teller for all ages. She is many things to many people: actor, author, emcee, TV and radio presenter, interviewer, mother, Olympian. She is an accomplished speaker with a story that is not easy to categorise. While on the surface, a sports story, it would be a mistake to think it has limited appeal. Chasing her own dreams in the face of enormous public expectation, drawing insight and wisdom from the best and the worst personal experiences, she has become that thing so rare to find in these homogenised times - a true individual.

Dave Hackett [Cartoon Dave] is the kind of guy who likes to draw nine-headed chickens and people being attacked by toilets. He brought his No-Rules brand of cartooning to TV screens each week for several years on Disney Channel, with his popular cartooning segment airing in Australia, New Zealand, Hong Kong and China. He is the author of the hilarious ‘UFO - Unavoidable Family Outing’, novel series (all three books included in the 2009 Premier’s Reading Challenge), along with ‘Norman Enormous’ (2009), his first picture book for young People.
