Outback Adventure (26 September – 4 October)
This September/October School Holidays I will be offering an “Outback Adventure” for students in Year 5 and 6. The plan is to go on a 9 day road trip in one of the school minibuses to some of our remote NSW outback tourist venues for some camping and sight seeing. Activities will include Western Plains Zoo, camping and fishing on Trilby Station near Louth, visiting White Cliffs and staying in the underground motel, and visiting many tourist attractions around the Broken Hill District. Accommodation will predominantly be camping in school tents in caravan parks. This trip will only go ahead depending on the level of interest. A parent is welcome to come along. There will only be 18 places available. The cost of the trip is yet to be finalized but I estimate it to be approximately $800 per person. Please contact me if you are interested in finding out more about the trip.

Netball Umpires
My team is looking for a couple of girls to carry out netball umpiring duties this season for A RES level. These matches will be in the afternoon on Saturdays. It would be on an occasional basis or as suits you. Please contact me on 02 6337 1703 if you want something added.

From the Head of Junior School
Mr Chris Jackman

From the Chaplain
Father Paul Woodhart
I hope you have seen the website which has pics of Matthew and Amelia doing the Year 3/4 handball court. It is a joy to see these squares in constant use. Last night I visited the Year 3-4 camp and returned with applause for the parents who are helping and the teachers, Mr Cant and Miss Thompson. The whole time was a bursting of enthusiasm. The Year 6 students are preparing some posters for Chapel in Holy Week - just before Easter - on the Seven Words from the Cross. These will be used to focus on Jesus Christ’s unique journey for us. It is indeed love, so amazing.

FROM THE REGISTRAR
Mrs Roslyn Cox

Tours of All Saints’ are continuing in full force this week. It is terrific to have strong interest in Year 7 and the Transition programmes for 2011. There is a great deal of competition from other local schools in the Bathurst area, so every time we have a tour it is important to do our best to convey all the strengths of All Saints’.

One of our greatest strengths is the students who are already here. I’d like to say a big thank you to all the people I see during those tours who smile at my new families and say hello. This really has a positive impact. The more new students we attract, the better and stronger the College – which brings rewards to everyone.

Our present students are the best example of what it is like to go to school here – and I am very pleased to have the support of everyone for this important work. Thank you!

A reminder to everyone in the All Saints’ community (students, parents, teachers) that if you have friends or family looking at new schools for next year, they are welcome to call us for an interview and tour.
