As we get closer to our Cybersafety Presentation on Wednesday 15th June, I thought it would be appropriate to provide some relevant information in the VIM over the next few weeks in regard to internet safety at home.

Teaching Children to Choose Strong Passwords!
Renata Rowe

When Mums and Dads were young, we used passwords for fun activities and secret children’s business! In the tradition of Enid Blyton and her Secret 7 and Famous 5 we created secret clubs and played pretend sleuths and our passwords consisted of easy to remember names!

In the 21st Century, however, it is crucial that your child has a secure Password to allow them to protect their email correspondence, their digital reputation and their privacy.

Devising an appropriate password is a skill that needs to be taught as young children tend to select words that are common or easy to guess such as their name or the name of their pet. Sometimes they share their passwords with their friends. Sadly in this day and age a Password must be considered like a Bank Account Pin. Just as you would never share your Pin you should never share your Password.

Have a discussion with your child about an appropriate Password

Only your parents should know your password. Never give a password to anyone else – not even your friends. They could unknowingly share it with someone who could use your password to pretend to be you or to harass other people.

Don’t use passwords that are easy to guess, like your nickname or your pet’s name. People who know you well can guess these kinds of passwords. Never use any private identity information in your password. Identity thieves can use this information to pretend to be you.

Don’t use a word in the dictionary as a password. Hackers use programs that will try every word in the dictionary to guess passwords.

Create passwords with at least eight characters. The fewer the characters, the easier it is for hackers to try every combination of characters.

Use combinations of letters, numbers, and symbols. They are harder to crack than just words because there are more combinations to try.

Change your password regularly – at least every six months. The longer you use the same password, the more likely it is that someone will guess it or use a program to find it.

Fun Password Activity – Here is an activity that you can do at home with your child. Using the Random Password Generator at http://www.freepasswordgenerator.com/ create two new passwords. Acknowledgements to www.commonsense.org

Australian Communications and Media Authority “Cybersafety” Forum
All Junior School parents should have received a letter from me last week outlining details of a Cybersafety Forum we are hosting at the Library on Wednesday 15th June at 6.30pm. I would encourage all parents of Junior School children to attend this presentation as it will be most informative. If you wish to register your attendance at this forum please contact Mrs Keogh.

CWA Public Speaking Representatives
Congratulations to Natalia Burgess, Claudia Cunningham, Amber Stockman and Thomas Geyer for being selected as their class representatives to speak at the Country Women’s Association, Central West Group, Public Speaking Contest for Schools which was held at All Saints’ College on Tuesday 31st May.

Scholarship and Building funds: shaping the future for students of our school

The end of the financial year is fast approaching but it’s not too late to attend to some tax planning. Rather than paying the tax office your hard earned cash All Saints’ College has 2 fully tax deductible funds for your donations which will benefit both yourself and the College. The All Saints’ College Building Fund directs funds towards qualifying building projects within the campus thus helping the College to upgrade the facilities sooner rather than later. Whilst the All Saints’ College Scholarship Fund makes it possible for the College to offer additional funded scholarships to attract new students. Your financial support would be very much appreciated. If you have any questions please call David Blackshaw, Business Manager on 6332 7308.
FROM THE REGISTRAR
Mrs Roslyn Cox

Our recent Canberra Information Night was very successful, with a small but engaged group of parents attending from this part of the world. Like all our Information Nights, the Canberra event was a rallying point for the enquiries we have been pursuing and we will definitely run this event again next year. Thank you to Peter Miller and Paula Elbourne for making the trip and flying the flag in our capital city.

The Dubbo Information Night was held this week, following up on interested families we met at the recent Boarding School Expo. Thank you to Peter Miller, Stewart Ross and Paula Elbourne for making the return trip to Dubbo.

Our next big event will be the Boarding School Expo at Griffith, which will be held on 17 and 18 June. Eliot Sanger and I will be doing the flag waving at this one, and it will be interesting to see the level of interest in the area.

In the mean time we continue to follow up on the enquiries that come through our website and through the inquiry systems attached to it. The school website continues to be our most important marketing tool – and I hear many compliments on the information listed. A heartfelt thank you to Bob Poole and Cherylene Anderson who make such an important contribution and work so hard to keep our website up to date and full of news and events – demonstrating the vitality and life of our school.

The firefighter of Transition went to the Bathurst Fire Station to reinforce the phoneme ‘f’. We learnt about stop, drop and roll, get down low and go go go and all got to hold the hose and squirt water. Best of all was our long awaited Barney Bus ride. We also wrote letters, made lollipops and looked at leaves and lots of other lovely things starting with ‘l’.
NETBALL REPORTS

It was a fantastic day for netball and what fantastic games were played. ASC Sparks had a wonderful game against some very tall opposition but it was probably their best game ever. The applause as they came off at the end of each quarter was a testament to this. They showed great skill, especially in defense and containment, during a thrilling game throughout the whole game. It was a thrilling game to watch and a credit to all players.

We wish the older teams success as they head into the finals rounds. Just a reminder that there are no games on the long weekend.

ALL SAINTS COLLEGE SCORCHERS VS BLUE MOUNTAINS GRAMMAR

Well, what a cold frosty day we had for the inter-schools netball match at ASC last Friday. After a short warm up the girls took to the court. With Amber in her role as Super Centre, the game began and the Scorchers were indeed scorching. Libby and Sophie C once again showed their talent as our shooters. Grace was on fire, moving up and down the court in the first quarter like a tiger in her position as WA never letting the opponents get the ball. Catie and Georgie as our defence made sure they caught every rebound. Charlotte showed her improved skills and was wonderful support in WD. By the end of the first quarter the Scorchers were up by a considerable margin. In the second quarter, Charlie, Claire and Sophie C came on and continued the fabulous play. The margin got bigger. The girls from Blue Mountains tried so hard to score but we were too good on the rebounds. The girls from ASC were so encouraging to each other, praising each other throughout the game; you could see why this team is so successful. Finally, in the last quarter the BMG girls managed to get 4 goals but it would not be enough. The final score 39 – 4. Congratulations Scorchers.

ASC SPARKS

What a great day to be on the netball court. The Sparks played the Oberon Snow Angels and the Angels had some very tall players, which made it difficult at times to get our passes over their heads and down the court. However, the Sparks showed tremendous ball skills and magnificent defence under pressure. Georgia made a great steal in the first half to keep the ball moving down the court. Madi and Jorja marked their players well and never let them out of their sight. As the opposition had control through the game, the Sparks kept the pressure on. Lauren and Phoebe were there to intercept when the ball came their way. Kate played a great defence game. Jessica was a wonderful centre in the 1st quarter for our team. Briahna did a great job as GS in the game. The Sparks have come a long way and we thank Mrs Darlington and Mrs Geyer for their support and coaching. Kate Dowd

ASC SCORCHERS

On Saturday the 28th of May the ASC Scorches versed the Collegians Fireworks. It was a great game with a final score of 41-15. Everyone did really well, especially Libby who received player of the day! Catie was on fire switching from shooter to defender to throughout the whole game. Libby also did super well scoring lots of goals as well as intercepting many passes. Sophie C was a great all-rounder shooting many goals as well as running around like mad to retrieve the ball. Charlie and Grace put in a great effort and were especially good at helping the team get the ball up to the shooters. Georgie had a terrific game defending many of the Fireworks shots; unfortunately she injured herself in the 3rd quarter. Amber was a super centre running all over the court as well as intercepting lots of passes Claire did really well in defending the opposing team’s shots while Charlotte had this week away. Best of Luck to the Scorchers next week and I hope they will play as well as they did this week. Sophie Chirgwin

From the Chaplain
Father Paul Woodhart

It has been a delight to watch the Infants Musical. The enthusiasm from that has flowed into the Chapel services as our students lift the roof when they sing in Chapel. It is Ascension and Pentecost season, in the Christian Calendar and you might like to ask your child what it is all about.

Happily working, Father Paul

FESTIVAL OF ART

THANK YOU

On behalf of the Art Show committee, I would like to thank all parents, staff and students who were involved in making the ASC Festival of Art such a wonderful and successful weekend. Without the help of everyone, the weekend would not have been possible.

“SKOOL IS KOOL” Whole School P&F Fundraiser

Now we are registered, it’s time to go shopping – at the Good Guys Bathurst. Every $25 you spend earns the P&F $1. When the vouchers have accumulated, they can be redeemed for purchases to benefit our school.

1. When paying for your purchase, advise the counter you are from All Saints’ College and part of the “Skool is Kool” program. They will give you your Reward Voucher/s.
2. Drop the voucher/s off at All Saints’ College Reception.
3. That’s it! When we collect sufficient vouchers, the benefit can be spent back at the Good Guys Bathurst by the P&F in support of the College.
This is a great way to support local business and to support our fundraising efforts, and your assistance will be greatly appreciated.
