1. If your child is under 13 you don’t need to read any further. The answer is a simple ‘No’. To protect your children make sure they don’t have an account before they are old enough.

2. When they turn 13 the first condition is that they set up the account with you. This means you too must have an account. It will help you understand how Facebook works and what Facebook jargon means.

3. Make sure your child ‘friends’ you. This means that you can watch what your child is posting on their friends’ walls and what is being posted on their wall. You may agree to be ‘defriended’ as they grow up and as they prove to you that they can manage their communications in a respectful manner.

4. Make sure that your child shares their User Name and Password with you. This allows you to see their private chat log and their messages but in the early days you may wish to monitor them as well.

5. Make sure your child only ‘friends’ people they know in real life. Literally anyone can send you a friend request. Regularly go through their list of friends with them to check that they are genuine friends. It is reassuring for your child to know that if they delete a ‘friend’ the ‘friend’ does not receive a message that this has occurred.

6. Discuss boundaries with your child. Your child needs to know that he/she should not post any personal information online. No reference to their full name, name of their school, their address or their birthday.

7. Limit your child’s access to the computer. Computers are a way of life, but as a parent you want to be able to monitor what your child is doing on the computer. Make sure the computer is in a central location and not in their bedroom.

8. Invest in software that monitors and/or limits your child’s computer activity. Check out our Filter tab. Our IT Department has tested many filters and outlined their features.

9. Monitor the photos your child posts. Pictures can lead to online bullying and sometimes too much information. Posting photos of a netball game in school uniform can tell unwanted people what school your child goes to.

10. Set the privacy settings on Facebook. Facebook will show phone numbers, pictures, your location and other personal information if you don’t turn it off. Make sure you are there to help your child set up their account. (iCyberSafe.com)

Infant’s Musical – a resounding success!

Last Wednesday and Friday evenings the Infant’s performed their musical “Out of the World” to a jam-packed audience. The students deserve to be very proud of their efforts. I would like to thank all of the staff, parents and friends for their contribution towards making this event such a highlight for the children.

Junior School Working Bee

We will be having a working bee on Saturday 18th June at 1.00pm to construct the new white fence in the Junior School that was kindly donated by the P & F. If anyone would like to assist please let Mrs Keogh know.

Australian Communications and Media Authority “Cybersafety” Forum

All Junior School parents should have received a letter from me last week outlining details of a Cybersafety Forum we are hosting at the Library on Wednesday 15th June at 6.30pm. I would encourage all parents of Junior School children to attend this presentation as it will be most informative. If you wish to register your attendance at this forum please contact Mrs Keogh.

Public Speaking

Congratulations to Claudia Cunningham who came second in the Year 4 section of the CWA Public Speaking Competition which was held at All Saints’ College on Tuesday 31st May. Claudia will now go on to represent the Central Western region at Parkes on 21st June in the final round. Good luck, Claudia!

CIS Cross Country

This week we had a large contingency of runners represent HICES at the CIS (Combined Independent Schools) Cross Country Carnival at Eastern Creek. Well done to following athletes.

Scholarship and Building funds: shaping the future for students of our school

The end of the financial year is fast approaching but it’s not too late to attend to some tax planning. Rather than paying the tax office your hard earned cash All Saints’ College has 2 fully tax deductible funds for your donations which will benefit both yourself and the College.

The All Saints’ College Scholarship Fund directs funds towards qualifying building projects within the campus thus helping the College to upgrade the facilities sooner rather than latter. Whilst the All Saints’ College Scholarship Fund makes it possible for the College to offer additional funded scholarships to attract new students. Your financial support would be very much appreciated. If you have any questions please call David Blackshaw, Business Manager on 6332 7308.

This week in transition our sounds are b and ai. We have had fun blowing bubbles and painting with balloons. We are going to make some snails too!

This week we are thinking about the number 7 with Snow White and the Seven Dwarfs! AND The Very Hungry Caterpillar!

We are learning about Nature Appreciation with Milly and Molly and Bush Bob!!

It’s been a BUSY week!!
Congratulations Sabres! The players on the other side and fought for the ball all through the match. For his bravery, good concentration and sportsmanship. He ran up against the ball strongly and got a skillful goal. Player of the match was Jonathan Agland. Two goals of the match with a thrilling sprint. Charlie defended the goal, kicked up and scored throughout the match. Mia soon kicked a clever goal in off an exciting run. Mia played for the first time and showed what a super brave player she is. She ran into the middle of every play and kicked the ball as much as she could. The highlight of the game was her fantastic goal in the first half. Action began with a goal by Oliver. Mia soon kicked a clever goal in off an exciting run by Oliver. William and Charlie ran, tackled and kicked very well. Oliver showed what a deadly goal-scorer he is, kicking three more goals during the game. Again Todd showed everybody his clever technique of scoping up the ball and running away with it. He scored one of the best goals of the match with a thrilling sprint. Charlie defended the goal, kicking up and scored throughout the match. Jonathan Agland was showing off his skills, for his bravery, good concentration and sportsmanship. He ran up against the players on the other side and fought for the ball all through the match. Congratulations Sabres!

7 YEARS HURRICANES

The U7 Hurricanes were keen to play on Saturday after some good games last week. They met a very drilled and professional Collegians team and it was a battle from the outset. All the boys kept up their enthusiasm right till the end of the game and we are still making great improvements every week. A particularly big effort saw Will Stanmore awarded the player of the week. Well done Boys.

8 YEARS BLACKBIRDS

This week the Blackbirds were up against the Eglinton Marlings. Andy Jackman started the first half of the game in goal and showed some tremendous goal saving skills, with Jack Baxter following his lead in the second half. The rest of the team also showed their fair share of tackling and passing. Angus Rendall gave us some impressive footwork and scored the first goal, whilst Adam Baxter stayed on the opposition with endless defensive play. They displayed some excellent team skills. In particular as Amy Horne went in for the tackle with support from Jono Gardiner who passed the ball to Jack Tribolet, who in turn dribbled the ball up the field, kicked a fabulous cross to Megan Redpath to put it in the goal. Mitchell Nelson proved a great asset in mid field giving the Marlings something to think about. Although Andy Jackman added two goals to the score in the 2nd half, it unfortunately wasn’t enough for the Blackbirds losing their first game by only one goal 5-4. The team showed consistent tackling and defensive work and never gave up, they should be very proud of themselves. Congratulations to Angus Rendall for player of the week. Thanks to coaches Mark Hines and Craig Tribolet.

7 YEARS TOMCATS

It was a lovely winter’s day on Saturday when the Tomcats played Bathurst 75 Rockets. All the kids had a great game and worked well as a team. Matilda and Sara were good in defence and Matilda had a great run with the ball. Jacob done well with attacking and constantly chasing the ball. Charlie and Josh both scored goals and all players done well keeping the Rockets from scoring. Well done to all players for keeping up the defence and going strong all game as they all played a full game with no reservations so they did very well. Player of the week went to Matilda. Lisa Hunter

NETBALL REPORTS

Congratulations to the ASC Scorchers who have progressed straight through to the Grand Finals following a fantastic game on Saturday. This weekend there are no games. Have a wonderful long weekend. Gabrielle Darlington

ASC SCORCHERS

Hello all and welcome to the netball report. On June 4 we played our netball semi against the Gems. The Gems were the ONLY team that had beaten us so far. We went in, heads held high, pumped after our team song and full of energy. We were ready for anything that was going to be thrown at us-literally! The first quarter was a close quarter, with ‘Stupendous Sophie Cant’ and ‘Go-like-Lightning Libby Crampton, opened the scoring for the Scorchers quite comfortably, but the Gems weren’t far behind. The first quarter was over and we were just ahead. With some needed changes ordered by ‘Meticulous Coach Cant’ we were back on the court again. With ‘Never-to-be-Unruffled Catie Crampton’ in GD, and ‘Vigilant Claire Eager’ in GK we were in safe hands. End of second quarter we were still ahead. We finished the third quarter in a comfortable position and in sight of an automatic spot in the Grand Final. With ‘Go-for-it Grace Brabham’ and ‘Breathtaking Charli Kamper’ in defence we cruised home to a 44-24 win. ‘Chery Sophie Chirgwin’ played the last quarter in C, a position she had rarely played before, taking the place of ‘Blissful Amber Stockman’. ‘Tremendous Charlotte Hunt’ was doing a fantastic job in defence and we finished the game of the match. As ‘Meticulous Coach Cant’ said to me, “It is very exciting to have a Junior School team in the Grand Final.” It will be a learning curve for all of us as Mrs Cant has never coached a team to the Grand Final before, and not many of us have ever played in one. I am sure we will come home strongly, but whatever happens we have had a fantastic season and we are, and should be, proud of what we have achieved. By Georgie Sutton

HOCKEY REPORT

UNDER 9’S HOCKEY

On a beautiful wintery Saturday morning, the ASC Under 9’s hockey players had a tough match against Souths. Natalia, Maddie and Shona all displayed very good defence skills and Darcie lead with great attack. Matilda did well in all areas of play, Ailee got the first goal with Shona scoring the winning goal, resulting in a 2-1 win. Everyone played very well and was proud of ASC proud. Claudia Cunningham.

FROM THE CHAPLAIN

Father Paul Woodhart

You will see from the school website that the Headmaster has announced that he will be taking a sabbatical leave of absence for the next two years. We wish him every success and look forward to his return. Meanwhile, Father Paul Woodhart will be the Chaplain for the next two years. Father Paul has been a member of the Saint’s community for many years and we are very glad to have him with us.

8 YEARS SABRES

Mia’s first game and an outstanding win for the Sabres! The Sabres had a great win in an exciting game against Bathurst 75 Storm on Saturday 4 June. Mia played for the first time and showed what a super brave player she is. She ran into the middle of every play and kicked the ball as much as she could. The highlight of the game was her fantastic goal in the first half. Action began with a goal by Oliver. Mia soon kicked a clever goal in off an exciting run by Oliver. William and Charlie ran, tackled and kicked very well. Oliver showed what a deadly goal-scorer he is, kicking three more goals during the game. Again Todd showed everybody his clever technique of scoping up the ball and running away with it. He scored one of the best goals of the match with a thrilling sprint. Charlie defended the goal, kicked up and scored throughout the match. Jonathan Agland was showing off his skills, for his bravery, good concentration and sportsmanship. He ran up against the players on the other side and fought for the ball all through the match. Congratulations Sabres!

7 YEARS TORNADOES

We started off well with a big kick from Hamish. It went up the field but the Collegians Blue team managed to turn the ball around to score. After a kick off, the Collegians quickly scored another goal. Then Will ran up the field but the Collegians defense was too strong and they scored another goal. At half time we had some oranges. In the second half, Hamish ran down the field and scored a goal for our team. The score was 3-1. It was our first defeat. I am sure we will come home strongly, but whatever happens we have had a fantastic season and we are, and should be, proud of what we have achieved. By Georgie Sutton

10 YEARS SPITFIRES

Driving out to Oberon in a warm vehicle did not prepare us for the cold temperatures and icy wind. Even though the thermometer in the car read 4 degrees, with the moderate wind it felt like twice that cold. After a brisk warm up the Spitfires sprung into action. Dominating the mid-field and proving too fast and elusive up front, the Spitfires finished the first half five goals up. There were many position changes throughout the game and many players had opportunities at scoring goals. The final score was 13 to 0. A very good performance from all players. Sam Nugent was awarded player of the match for his excellent mid-field play in the first half.

“SKOOL IS KOOL” Whole School P&F Fundraiser

Now we are registered it’s time to go shopping – at the Good Guys Bathurst. Every $25 you spend earns the P&F $1. When the vouchers have accumulated we can redeem them for purchases to benefit our school. It’s simple …
1. When paying for your purchase, advise the counter you are from All Saints’ College and part of the “Skool is Kool” program. They will give you your Reward Voucher/s.
2. Drop the voucher/s off at All Saints’ College Reception.
3. That’s it!

When we collect sufficient vouchers, the benefit can be spent back at the Good Guys Bathurst by the P&F in support of the College. This is a great way to support local business and to support our fundraising efforts, and your assistance will be greatly appreciated. Joanne Michael
