We have held an Information Night in Mudgee this week, with invitations sent to prospective, current and past parents. Mudgee has been an important area for us, in terms of new students, and we have some terrific new ones likely to come next year.

Please don’t forget to RSVP for the Senior School Tour for Year 6 students and their parents - which will be held on Monday 8 August from 11.30am. It will be a terrific opportunity to look at all the facilities and show our existing Year 6 students all the exciting new things ahead of them as they make the important step into Senior School.

We’ll have lunch in the Kemmis Building following the tour, and will be joined by a number of our teaching staff and tutors who are involved with Year 7- as well as Mrs Murray and Mr Jackman. It will be a great event and I hope that as many Year 6 parents as possible will be able to join us.

The next event coming up for us is the Nyngan Ag Expo – on Saturday 6 August. Stewart Ross and I will be attending this one and we are looking forward to catching up with our local families while we are there.

### 6 YEARS SABRES

The Sabres played hard in a tough game against Pandas Cubs on Saturday. Everybody spread out well and played as a team. Great kicks by everyone impressed the mums and dads watching the game. Early on, Charlie did a good offensive kick, followed by a strong kick by Phoenix. Todd did good kicking towards the goal. Amy Home did a good marking goal and kicking away from Pandas. Will’s strong kick-impressed everyone. The strongest kicks of the day were by Charlie. Charlie’s amazing kick-in at the end of the game went right down the field and out the other side of the field. The Sabres also did some good running. The best running of the day was by Ollie, especially a fantastic goal save. Throughout the game Mia showed great concentration, running and effort. For his fantastic effort and watching and chasing the ball, Ollie was the player of the match. Next time with a even more passing and attacking the ball, we’ll score lots of goals and win the game!

### 8 YEARS BLACKBIRDS

First week back after a 4 week break, not that you would notice, the Blackbirds were on fire!!!!! With one player down, there were no reserves, but that did not show throughout the whole game. Playing against our old class mate Tyler Mason, the team worked very well together with Megan Redpath passing the ball to Adam Baxter and scoring the first goal of the game and in the second half Andy Jackman booted the ball to Adam, who again with help from his team mates, put the ball in the goal. Jono Gardiner showed some expert defensive work, holding his position well. Jack Van Yzendoom and Andy Jackman shared the task of goalie and did a superb job with attempt after attempt from the opposition, with only one goal reaching the back of the net. Amy Home showed a remarkable display of tackling with Mitchell Nelson in centre field making sure that he kept the ball on the move. Jack Baxter was in there tackling at every opportunity and Jack Trubloot impressed the supporters and his team with a fantastic header straight to his team mate. Congratulations to Megan Redpath for a well deserved player of the week and for the Blackbirds for amazing team work, giving us a 2 – 1 win. Many thanks to coaches Mark Hine and Craig Trubloot.

### 9 YEARS PHANTOMS

First game back after the holidays against Macquarie United and the boys carried on from where they left off 4 weeks ago with their positional play and teamwork outstanding. The boys are really starting to gel as a team, which will stand them in good stead when we move to the larger field next year. Some excellent work in the midfield, supporting our strikers in attack and defenders when under threat, shows how well the boys are starting to read the game and develop into a very formidable team. They are also proving very adaptable, being able to easily move between positions wherever required. Great work in defense from Harley Goodman saw him earn the man of the match medal for this week. Well done boys. Thanks to Mr. Sutton for standing in, in my absence, at short notice. Glenn Hope

### 10 YEARS SPITFIRES

On Saturday, 23rd of July, the under 10s Spitfires played Collegians. We started off well scoring two goals early. Some excellent goal keeping from Kian Blackshaw didn’t allow Collegians to score a goal. Our persistent defence was also hard to get away from Pandas. Will’s strong kick-impressed everyone. The strongest kicks of the day were by Charlie. Charlie’s amazing kick-in at the end of the game went right down the field and out the other side of the field. The Sabres also did some good running. The best running of the day was by Ollie, especially a fantastic goal save. Throughout the game Mia showed great concentration, running and effort. For his fantastic effort and watching and chasing the ball, Ollie was the player of the match. Next time with a even more passing and attacking the ball, we’ll score lots of goals and win the game!
