PEER SUPPORT
This week in Peer Support the children learn the need to develop a range of coping strategies. In order to become more resilient, children need to have a number of different ways of coping with difficulties. Through the various activities, children learn to distinguish between helpful, resilient ways of coping and less helpful, non-resilient ways. Discuss with your child the ways they have chosen to cope with difficulties that might arise in their life and encourage them to practise these regularly.

**NETBALL REPORTS**

On Saturday July 30 the U10 and U12 teams had friendly games at the Gala Day at The Scots School. It was a lovely sunny, fresh morning and both teams thoroughly enjoyed their games of Netball. The U10 team was quite short on players due to sickness and it was a thrill to see the way three of the Netta players stepped up and played for the U10s.

Well done to each team and thank you to Kay Nelson, the coaches and the supporters who came to cheer on the teams.

This Saturday the Gala Day is at All Saints’ College. Both U10 and U12s play at 9:30. Please be at the courts at 9:00. Gabrielle Darlington

ASC SCORCHERS vs SCOTS LIONESSES

On Saturday the 30th of July, all the Scots School Scorcher’s took on the Scots School Lionesses in a game of friendly competition. With George Sutton sick and Amber Stockman away, the ASC Scorcher’s knew they had to try their hardest in the friendly game. The first quarter was solid with Catie Crampton intercepting the ball before it got down the other end and Claire Eager defending like a pro. Libby Crampton and Sophie Cant had their eyes in and were getting goal after goal in the ring while Sophie Chirgwin speedily took the ball down the court with the supportive help of Charlotte Hunt. Charli Kamper and Grace Brabham played one of their best games yet. They flew down the court and their passing was extremely accurate. When the game came to an end the girls were very happy to have played another game of netball. The final score was 52-6 and the girls were very proud of their effort. The coaches Mrs Cant and Mrs Sutton had promised the girls that if they got to 50 goals then they would buy them all pizza. So you’ll never guess what the first question was after the game…… Can we have pizza? Thank you to Mrs Cant, Mrs Darlington and Mrs Nelson for organising the team for Saturday and to Mrs Kamper for scoring throughout the game. Well done girls. You all should be very proud of your effort. Sophie Cant

ASC FLAMES

On Saturday a revamped Flames team played a friendly game against The Scots School Cub. We had a number of players missing due to injury and illness. The girls started off slowly, both teams needed to warm up and were possibly a bit rusty after the holidays. The younger players Lauren Cant, Kate Dowd and Jess Green put in a great effort. The Flames came into their own in the second quarter with great defence from Sara and Ella. Samantha and Lauren C ensured the ball remained in Flames territory allowing Isabella to score an impressive 5 goals. The girls continued to dominate in the third quarter, the team played well together with some great passing and defence. Isabella scored again, Lauren L came close a few times, the score was 6 - 1 in favour of the Flames at the end of the third quarter. In the fourth quarter young Jess Dowd and Lauren C put in a great effort. Fantastic defensive play from Ella and Sara ensured the Cubs remained at two goals. Isabella continued to shine and secured The Flames a win with two more goals! Final score All Saints Flames 8 to The Cubs 2. Three cheers for the Flames. Lauren Lyons

9 YEARS PHANTOMS

This week’s match was against Bathurst 75 White Wizards. Both teams were well matched and a very tight game was the result. Our boys were very determined and especially good. The boys played very well together, putting up a lot of shots on goal. Thanks for the oranges at half-time, they were super.

6 YEARS TOMCATS

Last Saturday the ASC Tomcats played an entertaining game against the Collegian Yellow team. Goals were scored by both teams during the match. Josh and Toby were both very busy in attack whilst Matilda and Sarah were staunch in defence and entertaining the opposition with plenty of hand hold and skipping. Toby was our player of the day owing to his many shots on goal. Well done to each team and thank you to Mrs Kamper for scoring throughout the game. Well done boys. Glenn Hope

**U 9’s Hockey**

Welcome back to the Under 9 players and families. I hope you had a nice holiday, and are fully ready for the remaining games. It was a beautiful sunny morning when we played against Kelso. This week Collette joined us as a new player. She wasted no time in showing us her new hockey skills. During the game, all of the girls displayed how well both their attacking and defending skills have developed. The score ended up as a 2 all draw. Ailee scored both of our goals. Well done to everyone. Looking forward to seeing you again next game. Natalia Burgess
Our Jolly phonics sound for this week is ‘ng’ as in strong, wing, string and bingo! For art the children will decorate some butterfly wings by using string as a painting tool. In Maths the children have been busy investigating and creating various different lines and patterns. There have also been many interesting and creative 2D shape pictures brought in for news. Each child has become more effective at blowing their nose and has really taken on board what they have learnt in the Healthy Little Ears Program. We enjoy having Father Paul for Christian Studies, Library with Mrs Crofts and music with Mr Clipsom. It was great to have the opportunity to chat to parents during interviews this week and admire the hard work and wonderful progress each child has made over the last two terms.

**Understanding Children’s Activities**

Manipulative materials such as puzzles help develop:

- counting and sequencing
- size and shape comparison
- fine motor co-ordination and
- visual discrimination.

*Regards, Deb Porter and Eva Vincze*

*Isabel proudly shows her 2D shape collage to the class for news.*

*Riley, Mia and Fergus have made a Cubic Building System tower while other children enjoy co-operatively playing with the Duplo.*

*William shouts out ‘BINGO’ when he is first to fill his card.*

*Charlotte H. carefully hammers a nail into a piece of wood. This is an excellent activity for eye-hand co-ordination!*

*Archer and Abbie very carefully complete their Jolly Phonics handwriting worksheet.*

*Matthew, Joshua, Charlotte O-C., Lexi, Kaitlyn and Ashton enjoy a game of Bingo.*
