6 YEARS SABRES

The Sabres had a fantastic game today with a 5 - 2 win over Macquarie United Stray Cats. All the players ran after the ball after kick-ins, tackled well and spread out throughout the game. The game started with Todd doing a big kick towards goal. Oliver then went and scored the first goal. Charlie did a massive kick over the heads of all the players. Mia supported all of her team mates by concentrating, chasing the ball and kicking the ball. Oliver went in to attack again, doing a great kick in over heads of all the players. He also showed great dribbling skills. Jonathan watched the ball every moment and Jonathan and Phoenix went into tackle players much bigger than himself. Will chased the ball and tackled really well. Todd did great sprinting and grabbing the ball of the other team. The second half opened with Phoenix doing a great kick off and then chasing the ball right up the field. Charlie then did a good save and another of his trademark kicks. With Phoenix doing a great kick towards goal. Oliver then went and scored the first goal. Charlie made some fabulous diving saves. Jonathan Gardiner and Jack Van Yzendoorn helped set up some strong offensive play as well as proving to be a key player in goal defence. Jacob Baille’s infectious on field energy powered through a heightening chilly wind and attacking play of their opponents. Toby Gough’s presence was strongly felt with some great passing, shoulder to shoulder challenges as well as courage in defence. In spite of the Lions’ attacking game, Matthew Bremner provided enthusiastic support in the midfield coupled with some energetic kicks. Sarah Edwards’ confidence was evident, playing right in the thick of it, as well as taking advantage of a loose ball. Matilda Rosewarne delighted onlookers with her team play proving just how much she has matured since the beginning of the season. It was Charlie’s sensational kicking and tireless defence at goal, restricting the Lions score, that rewarded him Player of the Day!

6 YEARS TOMCATS

Supporters were entertained with a high scoring game between the All Saints’ Tomcats and Macquarie United Lions! Plenty of cheers resounded from both camps with close shots at goal. Joshua Hunter demonstrated impressive dribbling skills and relentless charges at goal, finding the back of the Lions’ net on multiple occasions. Charlie Randell’s precision in kicking helped set up some strong offensive play as well as proving to be a key player in goal defence. Jacob Baille’s infectious on field energy powered through a heightening chilly wind and attacking play of their opponents. Toby Gough’s presence was strongly felt with some great passing, shoulder to shoulder challenges as well as courage in defence. In spite of the Lions’ attacking game, Matthew Bremner provided enthusiastic support in the midfield coupled with some energetic kicks. Matilda Rosewarne delighted onlookers with her team play proving just how much she has matured since the beginning of the season. It was Charlie’s sensational kicking and tireless defence at goal, restricting the Lions score, that rewarded him Player of the Day!

8 YEARS BLACKBIRDS

This week the Blackbirds played against the Macquarie United Mountain Lions. The team played exceptionally well with very tight defensive play and hard tackling from all players. Mitchell Nelson and Jack Tribolet took charge of the goal, both showing amazing skills with Jack Tribolet doing some fabulous diving saves. Jonathan Gardiner and Jack Van Yzendoorn worked wonders as defenders and feed the ball back up to their team mates. Megan Redpath, Adam Baxter and Angus Randell held their positions well and played several attempts to get the ball into the goal. Jack Baxter displayed impressive tackling and defending skills and was always on hand to pass the ball back up the field, so with a well deserved player of the match, congratulations Jack. Specials thanks to coaches Mark Hines and Craig Tribolet

9 YEARS PHANTOMS

This week’s match was against Eglington Tigers. With a multitude of players we tried an approach of playing those players that play U/10s for half a match to ensure our U/9s get as much game time as possible. Even so, with many changes, the boys found it difficult to settle into position. A highlight of the game was our improving passing and support play. When this comes together, the boys look very sharp and organised. Man of the match this week, Hugh Miller. Hugh is one of our regular goalkeepers and was again responsible for some great saves. Well done. Glenn Hope

10 YEARS SPITFIRES

The Under 10 Spitfires came up against a very skilled Bathurst 75 All Stars team last Saturday. From the outset the Spitfires were under attack but, to the boys credit and hard work, they achieved just as many shots on goal as the opposition. The final score of All Stars 3 – Spitfires 1 was not a true indication of how close the match really was. Congratulations to all of the players for putting in a tremendous effort. Ben Cant was awarded player of the match for his outstanding effort throughout the entire duration of the match.

6 YEARS MUSTANGS

The All Saints’ Mustangs played a fantastic match against the Oberon team. Loads of goals were scored and the Oberon team came out with the victory. Jack O’Hara was a stand out in defence, naturally taking to defending the goal! Fergus Campbell and Hannah Stanmore had great games, Hannah surviving a kick to the knee. Gigi Huxtable was player of the week after getting a bleeding nose but solidifying on to finish the game!!

Under 9’s Hockey report

On a cold and windy day and due to other commitments, our team was short of a few players this week. Despite this, the Captain, Claire, led on the team of Sam P, Darcie, Matilda and Adelaide. It looked to be a little one sided as Kelso had about 18 players. Fortunately we were able to borrow some players from Kelso and had a great game with them. Matilda showed great defence and Darcie came close to scoring a few times. Sometimes though the sea of green and white of the Kelso team caused some confusion! Though our joint team had a great defence and attack, the weight of possession favoured the Kelso team. The final score being 4 – 0 to Kelso. Our player of the week was Matilda, who showed great defence and saved a number of goals, however, we also can’t forget the great effort that all the players put in this week. Well done.
We have had a busy week in Transition! Our sound this week is Y! We have had fun making yellow yachts, yo yo biscuits and singing songs about yachts yoghurt and yo yos!

We have begun preparing for Fathers Day! Making presents and cards and learning a special song for dad has been lots of fun!!

In Maths we have been learning about position and length. The 3 bears have helped us!

We have learnt more about Healthy Food and our mums and dads have helped us choose healthy food choices for our snack box! Well done!

We have enjoyed music with Mr Clipsham, Christian Studies with Father Paul and library with Mrs Crofts.

It’s been a great week!!

Coles has launched their 2011 Sports for Schools Program and All Saints’ College Junior School are excited to announce we will be participating and collecting vouchers for much needed sports equipment.

Vouchers are available in all Coles stores from 11 August to 19 October and we ask that you get involved to help collect vouchers for the Junior School.

We are appealing to everyone to collect as many vouchers as you can. By collecting these vouchers you are helping to provide a healthy and active education for our children.

Please visit coles.com.au/sportsforschools for more information about the program.

A collection box will be located in the Junior School Office so please feel free to drop the vouchers in the box or give them to your child to hand into class.

Happy collecting!
School uniforms
The Government is changing the Education Tax Refund (ETR) so that people can claim their kid’s school uniforms. This means people will be able to claim school-approved uniform items from 1 July 2012.

What do I need to do and when?
From 1 July 2011 start keeping receipts for school uniform items so you can claim them next year.

What school uniform items will I be eligible to claim?
Items need to be distinctive and recognised by the school — but are not limited to items bearing a school crest. For example:

1. A public school has a policy which states that students should wear yellow shirts, blue hats, grey shorts or skirts and black leather shoes to identify the students as attending the school. However, while wearing these colours is strongly encouraged, it is not compulsory. An eligible individual whose child attends the school buys items which fit within this policy from a store unaffiliated with the school. None of the clothing items contain the name of the school or school crest. As the items, including shoes, are approved or recognised as part of a distinctive school outfit and fall under the policy, they would be eligible expenses. This applies irrespective of where the clothing was purchased or the fact the uniform was not mandatory.

2. A school has a dress code where students are required to be dressed in a neat and presentable fashion, but which does not indicate a more specific colour or style that the clothing should take. An eligible individual whose child attends the school buys clothes which they intend to wear to school. The items would not be eligible expenses. While the clothing meets the school’s dress code, they lack the sufficiently distinctive quality of a uniform, and could not identify the child as a student at the school.
About the Education Tax Refund

Who is eligible?
- A person who has received Family Tax Benefit (FTB) Part A for a child undertaking primary or secondary school studies.
- Independent students in primary or secondary school.
- People on other allowances may be eligible too.

How much can be claimed?
Those eligible can claim 50% of eligible education expenses up to the maximum amounts.

For the 2010–11 financial year the maximum amounts that can be claimed are:
- $794 for each primary school child — that is, a refund of up to $397, and
- $1,588 for each secondary school child — that is a refund of up to $794.

What can be claimed in 2010-11?
Eligible expenses include the cost of buying, establishing, repairing and maintaining any of the following items:
- home computers and laptops
- computer-related equipment such as printers, USB flash drives, and disability aids to assist in the use of computer equipment for students with special needs
- computer repairs
- home internet connections
- computer software for educational use
- school textbooks and other printed learning material, including prescribed textbooks, associated learning materials, study guides and stationery, and
- prescribed trade tools for secondary school trade courses.

How do people claim?
- The ETR is claimed in an individual’s tax return, or
- For those who don’t lodge a tax return, it is claimed on the Education Tax Refund for individuals claim form, available from the Tax Office.

For more information go to www.educationtaxrefund.gov.au.
