Soccer Finalists
Good luck to our Under 12 Soccer team who are in their semi-final this Saturday.

Cricket Clinic
Next Monday 5th September all students from Year 1 to year 6 will be participating in a cricket clinic run by cricket development officers from NSW Cricket. Students need to wear PE uniform to school.

HICES Athletics Carnival
Good luck to our athletics team who will be travelling to Homebush next Tuesday 6th September to compete in the HICES Carnival.

Science in the Bush
Students in Year 3 and 4 will be travelling to Orange on Friday 2nd September to participate in the “Science in the Bush” program.

Soccer Semi-Finals
The Under 12 Hornets Soccer team with be playing Macquarie United Tigers at 10.30am on Proctor Park 2.

Hockey Semi-Finals
The Under 11 girls will be playing in the major semi-finals this Saturday at 8:30 am at the Bathurst Hockey centre. Good luck team!

Junior School Assemblies
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the The Kemmis Building. Assemblies begin at 9.00am.

Calling all Gardeners, Green Thumbs & Farmers
With the Spring Fair fast approaching we are looking for donations for this year’s Garden Stall. We are desperate for donations of established, labelled plants, herbs and annuals. The more colourful the better!

Also we would love fresh produce to be sold on the day. If you are able to help in any way, please don’t hesitate to contact:
Leanne Jarvis: 0428 712 112 or Linda Siegert: 0427 180 169
A great big thank you to all.

PEER SUPPORT
During Peer Support this week the children will look at qualities their friends may have and the concept that we choose friends based on the qualities we admire in them. They will also explore the skills of friendship, specifically those of cooperating and listening. During the week encourage your child to show they are interested in the person they are talking to by being an active listener.

Lost and Found Clothing
Mrs Keogh has a lot of lost and found clothing in her office. Please come in and have a look to see if your child belongs to anything.

BOOK CLUB
One order has not been collected from the Library. It was an order that had no name on it. If you think it is your order please see the staff in the Library.

From the Head of Junior School
Mr Chris Jackman

Hockey Semi-Finals
The Under 11 girls will be playing in the major semi-finals this Saturday at 8:30 am at the Bathurst Hockey centre. Good luck team!

From the Chaplain
Father Paul Woodhart

Last Wednesday, instead of meeting in the Chapel building, we gathered in the ‘refugee compound’ constructed by the Senior School. This was a reminder that we are part of Refugee Week, and we were made aware of the terrible plight of so many in East Africa.

The Chapel collection went to the Oxfam agency and along with the Senior School we hope to raise $1000 towards famine aid. Thank you to those students who read and prayed and Mr Feebrey who enlightened us on the plight of those in this need.
6 YEARS TOMCATS

The Tomcats were in fine form for their second game of the season in Oberon. They were met with a beautiful sunny morning and played well against the Oberon United Cubs. Josh Hunter’s great attacking play was rewarded with several goals. Toby Gough put up a strong attack against some very tall Cubs players. Matilda Rosewarne and Sarah Edwards were in the thick of it, with their strong kicks indicating just how much they have learned throughout the season. Jacob Baillie showed a tremendous effort, running very fast and kicking well. The Player of the Day trophy was missing in action this week so wasn’t awarded - assistant Coach Matt Baillie noted how difficult it would have been this week to identify a winner as all players deserved the accolade. Michelle Gough

6 YEARS MUSTANGS

Mustangs had a great game today against Panda Cubs. Everybody played bravely against a much taller team. James put up a determined defence, running to protect the goal at every opportunity, keeping the ball away from the home goal and kicking the ball out to the side and back up the field. Jack showed what good concentration he had, watching where the ball was and running up to it through the game. He also did good kick-ins and runs up the field and running after the ball. Fergus played very seriously, doing strong kick-ins and impressed everyone with his tackling. Darcie did good kick-ins and made sure that he kept an eye on the goal, running up to defend it and scooping the ball out to the side. He also did clever turn-arounds of the ball. Paddy was a fantastic team player, doing good defence and taking a magnificent goal off a kick off. Darcie was the player of the match for concentrating right through the game and staying brave when a ball suddenly hit him on the leg. Well done everybody.

7 YEARS HURRICANES

The under 7 Hurricanes had a very enjoyable game with Collegians on Saturday with resulted in a very rare nil all draw, which was a good result for both teams. After lots of defence in the first half in which Collegians had some close shots, the game then swung around and the Hurricanes attacked and were unlucky not to score themselves. A big thank you to Hamish Siegert for helping us out and the player of the week award went to Nate Runge for his never give up attitude during the whole game. Well done boys.

8 YEARS BLACKBIRDS

The Blackbirds came up against the Panda Ninja’s this week with a great team effort from all the players. Jack Van Yzendoorn and Angus Rendall shared the job of defending the goal and what a magnificent job they did. Tireless effort of constant tackling came from Jack Baxter, Mitchell Nelson and Megan Redpath and amazing support from Jonathan Gardiner and Amy Horne as defenders. Andy Jackman worked his magic trying on all occasions to get the ball into the goal, but with great defensive work from the opposition, it proved to be an uphill battle. Adam Baxter continued with the trend of his team mates with full on tackling and passing. A special congratulations to Jack Tribolet for player of the week and who did an excellent job in scoring the only goal for the team. Many thanks to coaches Mark Hines and Craig Tribolet.

9 YEARS PHANTOMS

This week’s match was against Macquarie United. Our positional play returned this week with the boys keeping a well organized and structured pattern on the field. Some good support play helps both in attack, with some good team goals, and defense, with the goalkeepers well supported by the rest of the team. It’s great to see the boys continuing development of both skills and teamwork with each game. Man of the match this week, with a couple of nice goals and one particular right foot rocket into the top corner, Cain Barnes. Well done. Glenn Hope

Woolworths Earn and Learn Program

All Saints’ College is excited to be taking part in the Woolworths Earn & Learn program this year.

From now until September 18th 2011, you can earn one Earn & Learn point for our school for every $10 you spend at Woolworths (excluding the purchase of cigarettes, alcohol and gift cards or purchases made through Woolworths online or at Caltex Woolworths co-branded fuel outlets).

Points automatically appear on your shopping dockets, so all you need to do is bring those dockets to school (Woolworths have even given us a special collection box!).

The more points you bring in, the more we can redeem from a choice of more than 7,000 educational resources including library books, classroom equipment, art & crafts materials and much, much more!

Help Woolies to help our school. Collect as many Earn & Learn points as you can!
The Transition children have been learning about the 'x' sound, graphs and healthy living this week. We investigated x-rays and painted an x-ray picture of our hands. We have made picture graphs of our eye colour as well as our favourite dinosaur. We have made a collage of healthy, useful foods as well as unhealthy foods. For news the children have brought in some interesting gadgets from the garage or shed and we have put our new watering cans to use to water the Transition plants and vegetables. We enjoy having Father Paul for Christian Studies, Library with Mrs Crofts and music with Mr Clipsham. We would like to thank Mrs Vincze for her outstanding assistance in T3 and look forward to sharing a yummy breakfast with our Dads tomorrow.

Understanding Children's Activities

Blocks encourage:

- exploration of ideas.
- the development of large and small muscles.
- Sharing of equipment and ideas.
- Development of maths concepts such as big, little, more than, less than, shapes and sizes.

Archer talks about the screwdriver and spanner he has brought in for news.

Charlotte M., Lexi and Oliver enjoy painting using cotton buds.

Lexi waters the spinach plants in our Vegetable garden.

Our picture graphs show us that T-Rex is the most popular dinosaur in T3 and that 12 children in the class have blue eyes!

Fergus has made an elaborate foam block structure to house the plastic animals.

Mr Clipsham plays Gary his guitar while the children play percussion instruments.

rsvp: Leonie Keogh in the Junior School office
lkeogh@saints.nsw.edu.au
Coles has launched their 2011 Sports for Schools Program and All Saints’ College Junior School are excited to announce we will be participating and collecting vouchers for much needed sports equipment.

Vouchers are available in all Coles stores from 11 August to 19 October and we ask that you get involved to help collect vouchers for the Junior School.

We are appealing to everyone to collect as many vouchers as you can. By collecting these vouchers you are helping to provide a healthy and active education for our children.

Please visit coles.com.au/sportsforschools for more information about the program.

A collection box will be located in the Junior School Office so please feel free to drop the vouchers in the box or give them to your child to hand into class.

Happy collecting!
