Great All-round Achievement
All Saints’ College Junior School now holds the 2011 Points Average trophies for Athletics, Swimming and Cross Country.

HICES Athletics Carnival
The Junior School finished in first place in the Points Average Competition in Division 2 at the HICES Carnival but, more importantly, finished in second place overall. This means that All Saints’ College will move into Division 1 next year. This is the first time, in Mrs Nelson’s memory, that we have been in Division 1 for HICES Athletics and demonstrates the current strength of the Junior School in the sporting arena.

Congratulations to the following students who have gained selection in the HICES Athletics Team to compete at the Combined Independent Schools (CIS) Carnival at Homebush on Thursday 22nd September.

Sophie Cant Turbo Javelin
Lucy Corbett-Jones High Jump
Rachel Corbett-Jones 800m & 200m

Matthew Vance 100m

Hockey Final
Congratulations to our Under 11 Hockey team for winning their Semi Final last weekend. It was the most exciting game of hockey I have ever seen. Literally with one second to go, the girls scored a goal to win 1 goal to nil. I encourage everyone to get along to the Bathurst Hockey Centre on Saturday to support the team in their Grand Final against Kelso at 8.15am.

ICAS English Competition
Congratulations to the following students who achieved highly in the English Competition.

PEER SUPPORT
This week in the Peer Support session, children will be focusing on the importance of support networks and the role that friends play in each other’s lives. Children will construct a visual representation of this during the session. Encourage your child to identify friends they have who can provide support to them if the need arises.

VACATION CARE
Offering a range of fun and exciting holiday activities, Vacation Care is available for children aged 4 – 12.

7 YEARS BLACKBIRDS
The Blackbirds played against the Bathurst 75 Pearly Whites on Saturday. With winter showing an appearance again, the players worked hard to keep warm. Jack Van Yzendoorn and Megan Redpath did an amazing job in goalies this week. Andy Jackman started the game off with a fantastic goal at the beginning of the match, continuing with another goal during the second half. Adam Baxter and Angus Rendall worked hard tackling and passing to their team mates. Jack Tribiolo and Amy Horne did wonders as defenders, whilst Mitchell Nelson scored another superb goal in the 1st half. With goal for goal during the game, and 4 - 3 to the opposition with minutes left to go, we tied the game with a goal from Jack Baxter, with a bit of help from their own team player, who encouraged the ball past their goalie. Congratulations to Jack Van Yzendoorn for the player of the match, well done!! Thank you to coaches Mark Hines and Craig Tribiolo for doing such a great job during the season.

7 YEARS HURRICANES
The under 7 Hurricanes turned up for a very cold encounter with Eglington. After a slow start the boys got on the board with an Eglington own goal. With the boys up by a couple of goals after the break Will Stanmore was once again taking the ball up nicely and Nate Runge got a bit of help from their own team player, who encouraged the ball past their goalie. Congratulations to Jack Van Yzendoorn for the player of the match, well done!! Thank you to coaches Mark Hines and Craig Tribiolo for doing such a great job during the season.

9 YEARS PHANTOMS
This week’s match was against Bathurst 75 Thunder. Skill levels reached a new high this week with some excellent combinations and players running through gaps onto well judged passes a feature of the game. A brilliant corner from Jock, unlucky not to curl into the goal and some good balls through to Hugh and Lachlan had the ‘75 team on the back foot for most of the game. The two Sam’s in the midfield and our staunch defenders, James, Harley, Angus and Zale provided a solid wall at the back and a good base to launch attacks on the opponent’s goal. These boys continue to improve every week and are a pleasure to coach and watch. Man of the match this week, with a stint in goal and 100% effort on the field, Zale Edwards. Glenn Hope

10 YEARS SPITFIRES
The Spitfires again displayed the team work and skill that we have come to expect this year. On Saturday they were up against the Macquarie United Pumas for the first time this season. Not knowing what to expect, the boys began the game with a determined and positive attitude. The final score of Spitfires 6 Pumas 0 was a fair indication of the dominance the Spitfires had. Kian Blackshaw was awarded player of the match for his excellent work up forward.

HICEs ATHLETICS REPORT
The All Saint’s College Junior School Athletics team represented the College with great enthusiasm and spirit at the HICEs athletics carnival. The 40 students competing are extremely keen to flaunt their talent on the track and field along with hundreds of other competitors from 13 other HICEs schools. Throughout the day our students participated with steady determination and often returned to the stands with ribbon in hand. Even those students who returned empty-handed were usually pleased with a personal best result and the experienced they had gained. As a result of many fine personal and team performances All Saints’ again this year won the averages trophy and it was a great surprise to learn that this amazing team came 2nd in the aggregate pointscore. Every student contributed to this fantastic result and consequently it means that All Saints’ will now be placed in Division 1 next year, a challenge I am sure our students will embrace.

I am so pleased to announce that a quarter of our team will be attending the CIS carnival held at Homebush next week. Congratulations and good luck to our finest 2011 athletes: Phoebe Reynolds, Cameron Redpath, Sophie Cant, Christopher Lo, Angela Phillips, Matthew Vance, Rachel Corbett-Jones, Lucy Corbett-Jones, Priscilla Evans-Gittany, Sam Rendall.

GRAND FINAL

10:00 am U 11s T1 ASC vs Kelso
Sh Sh Sh. Don’t disturb our talented children as we explore the sound ‘sh’. We have read *Where’s the Green Sheep?* and created our own fabulous sheep. We read stories about sharks and shoes.

In Maths we discovered many things that happen during the day and the night. Our fabulous pictures show just how much is going on.

Thankyou for all the amazing plants and ornaments that have been brought in for our gardens. They are bright and gorgeous and we are enjoying planting and watering them with our new tools. We also are finishing off our fantastic and imaginative woodworking projects.

We have been practicing bouncing and catching balls and having a lot of fun in PE as well as practicing safe pedestrian skills when we cross the road in Healthy Living. Sssshhh. I think we need a rest now.

Please note that on both Wednesdays in the holidays we will be having a working bee to pave around the sandpit. We welcome any volunteers. More details very soon.
