P&F Cocktail Party reminder

I would like to remind everyone about the All Saints’ College Parents’ and Friends’ Inaugural Cocktail Party being held this Saturday, from 6pm at Abercrombie House on the Ophir Rd. At this time the weather is being forecast as showers, so I would like to inform you that in the event of inclement weather, the party will still proceed. Plans are in place to utilise the extensive Ball Room inside this 1870’s Stately Mansion.

Thank You. John Morris - President ASC P&F.

From the Chaplain

Father Paul Woodhart

I have been thinking about the words of Christ in Matthew chapter 5 verses 13-16, where he says: ‘You are the light of the world…and you are the salt of the earth.’ One commentary I read about these verses noted: Jesus calls his disciples to exert a double influence on society - a negative influence by arresting its decay (salt) and a positive influence by bringing light into its darkness. For it is one thing to stop the spread of evil; it is another to promote the spread of truth, beauty and goodness.

Working with you, Father Paul
FROM THE REGISTRAR
Mrs Roslyn Cox

We are now receiving applications and enquiries for the 2012 intake of our very popular Transition programs. If you are a current family and planning to send a younger sibling to Transition next year, please send us through an application form. If you have already sent us an application, you will have received a letter of acknowledgement from me.

We will begin arranging tours and interviews with Chris Jackman, our Head of Junior School, in March and April – with the view to beginning the offer process for Transition spots in May and June.

We have a completely full Transition program this year, so please be in contact to avoid disappointment!

***

Tours are still continuing and we have had another busy week showing people around the College. It is wonderful to have all the teachers and students back and being able to show our school and its most vibrant best.

I send a special welcome to a new student, Bradley Brown, who started this week in Year 10. I know the All Saints’ community, teachers, staff and parents, will make Bradley welcome and help him settle in.

***

An early notice that we are planning an Open Day at All Saints’ College for Friday 25 March. This is a new event we are running this year, with tours planned on the Friday afternoon for 2pm and 4pm – and an afternoon tea in the middle. We will be publicising this event in the local paper, on radio etc. But if you have friends or family interested in All Saints, perhaps you could give them early notice and encourage them to come along or give us a call.

***

Our first expo event of the year is coming up on Saturday 5th and Sunday 6th March, with the Independent Schools’ Expo in Sydney. The event will be held at Sydney University and will be a terrific opportunity to showcase our school in the metro area. If you have any friends in the Sydney area thinking about a change, please encourage them to come and visit us.

This week in Transition we are happy to announce that the children are settling in extremely well. They are getting to know their new routine and friendships are already forming. Our class work this week has been associated with two nursery rhymes, Twinkle, Twinkle and Humpty, Dumpty. We have made twinkling stars and constructed our own Humpty.

We will explore the colour red and investigate circles. We have found circles in our environment and have collaged our own red circle caterpillar. The children have been telling their classmates all about themselves and their family during news this week. It is pleasing to witness so many confident children.

Bridie and Kaitlyn decorate their Twinkle stars.

We enjoy having Mrs Vincze as our Assistant, Father Paul for Christian Studies, Library with Mrs Crofts and music with Mr Buckley. We plan to trek up the hill to watch the BIG kids (older siblings) swim at the swimming carnival. Go Esrom! Go Bradwardine! Regards, Deb Porter

Josh is proud of his Duplo construction.

Fergus concentrates hard to build a red Playdough tower.

Mia and Charlotte H. enjoy sharing a book.

Jack has cleverly constructed his Humpty, Dumpty.

Rest time: Time to recharge and rehydrate!
Dr Peter Miller, Head of College, together with the P&F invites
